

The background of the entire image is a close-up photograph of plumbing work. It shows several copper pipes and valves installed against a light-colored oriented strand board (OSB) wall. In the upper right, a red-handled valve is visible. Below it, a row of five vertical pipe assemblies is shown. From left to right: the first is a silver-colored metal pipe with a 90-degree elbow; the second is a black flexible braided hose; the third is a copper pipe with a yellow-handled shut-off valve; the fourth is another black flexible braided hose; and the fifth is a silver-colored metal pipe with a side connection. The lighting is bright, highlighting the metallic textures and the wood grain of the OSB.
