**Gregory L. Schneider**

## **New Dealers War Fdr And The War Within World War II:**

**The New Dealers' War** Thomas Fleming, 2002-06-06 Acclaimed historian Thomas Fleming brings to life a flawed and troubled FDR struggling to manage World War II Starting with the leak to the press of Roosevelt's famous Rainbow Plan then spiraling back to FDR's inept prewar diplomacy with Japan and his various attempts to lure Japan into an attack on the U S Fleet in the Pacific Fleming takes the reader on a journey through the incredibly fractious struggles and debates that went on in Washington the nation and the world as the New Dealers strove to impose their will on the conduct of the War In bold contrast to the familiar idealized FDR of other biographies Fleming's Roosevelt is a man in remorseless decline battered by ideological forces and primitive hatreds that he could not handle and frequently failed to understand some of them leading to unimaginable catastrophe Among FDR's most dismaying policies Fleming argues is his insistence on unconditional surrender for Germany a policy that perhaps prolonged the war by as much as two years leaving millions more dead and his often uncritical embrace of and acquiescence to Stalin and the Soviets as an ally The New Dealers War is one of those rare books that force readers to rethink what they think they know about a pivotal event in the American past

**Arsenal of World War II** Paul A. C. Koistinen, 2004 Prolific munitions production keyed America's triumph in World War II but so did the complex economic controls needed to sustain that production Artillery tanks planes ships trucks and weaponry of every kind were constantly demanded by the military and readily supplied by American business While that relationship was remarkably successful in helping the U S win the war it also raised troubling issues about wartime economies that have never been fully resolved Paul Koistinen's fourth installment of a monumental five volume series on the political economy of American warfare focuses on the mobilization of national resources for a truly global war Koistinen comprehensively analyzes all relevant aspects of the World War II economy from 1940 through 1945 describing the nation's struggle to establish effective control over industrial supply and military demand and revealing the growing partnership between the corporate community and the armed services Koistinen traces the evolution of federal agencies mobilizing for war including the National Defense Advisory Commission the Office of Production Management and the Supply Priorities and Allocation Board and then focuses on the work of the War Production Board from 1942-1945 As the war progressed the WPB and related agencies oversaw the military's supply and procurement systems stabilized the economy while financing the war closely monitored labor relations and controlled the shipping and rationing of fuel and food In chronicling American mobilization Koistinen reveals how representatives of industry and the armed services expanded upon their growing prewar ties to shape policies for harnessing the economy and how federal agencies were subsequently riven with dissension as New Deal reformers and anti New Deal corporate elements battled for control over mobilization itself As the armed services emerged as the principal customers of a command economy the military industrial nexus consolidated its power and ultimately succeeded in bending the reformers to its will The product of exhaustive archival research Arsenal of World War II shows that mobilization meant more than simply

harnessing the economy for war it also involved struggles for power and position among a great many interest groups and ideologies Nearly two decades in the making it provides an ambitious and enormously insightful overview of the emergence of the military industrial economy one that still resonates today as America continues to wage wars around the globe **The Conservative Century** Gregory L. Schneider,2009-11-16 This concise history focuses on the development of American conservatism in the twentieth century up to the present Gregory L Schneider traces the course of a once reactionary movement opposed to progressive reform and the New Deal and describes how it came to advance alternative policies and programs that revolutionized the shaping of domestic politics foreign policy and economic policy Along the way he profiles such influential thinkers as William F Buckley Frank Meyer Henry Regnery and Barry Goldwater He also details how the decline of liberalism after the 1960s helped conservatives gain political power and how their energized activism and organization culminated in the election of Ronald Reagan in 1980 Schneider also describes how the years since the Reagan Revolution have been decidedly mixed for American conservatives **Pearl Harbor** Spencer C. Tucker,2015-10-13 This book provides students with an understanding of the motives behind the Japanese attack on Pearl Harbor and the consequences of this action on Japan on the United States and on the outcome of World War II This essential reference guide is devoted to one of the most important military events in American history the Pearl Harbor attack of December 7 1941 the day of infamy Distinguished military historian Spencer C Tucker is the editor of this thorough study of the Japanese attack that contains reference entries as well as primary documents and oral histories describing the circumstances that led up to the attack the event itself and its immediate aftermath and consequences thereby providing readers with the necessary context to understand all aspects of the attack on Pearl Harbor Readers will understand why Japanese leaders decided to go to war with the United States what they expected to accomplish in attacking Pearl Harbor why this key American base was not better defended and what the aftereffects of the attack were for the outcome of the war Biographies on major players in the crisis such as Franklin Roosevelt Chester Nimitz Isoroku Yamamoto and Hideki Tojo will provide insight into the individuals who played key roles in the events before during and after December 7 1941 **When Presidents Lie** Eric Alterman,2005-10 Assesses the impact of governmental and presidential lies on American culture revealing how such lies become ever more complex and how such deception creates problems far more serious than those lied about in the beginning **Recarving Rushmore** Ivan Eland,2014-10-01 Who were the best and worst U S presidents In the past when historians and scholars have rated the presidents their evaluations often have been based on individual charisma activism and service during periods of crisis Taking a distinctly new approach in Recarving Rushmore Ivan Eland profiles each U S president from Washington to Obama on the merits of his policies and whether those strategies contributed to peace prosperity and liberty This ranking system is based on how effective each president was in fulfilling his oath to uphold the Constitution Contrary to the preferences of modern conservatives and liberals this oath was intended to limit the role of the federal government

Readers will be intrigued to discover why of the four men given exalted representations on Mount Rushmore only Washington deserves the honor They will learn why Teddy Roosevelt has been overrated why Jefferson hypocritically violated his lofty rhetoric of liberty and why Lincoln provoked a civil war that achieved far less than believed Readers will uncover why some presidents are rated much higher than the conventional wisdom for example Warren Harding and some rank much lower for example Harry Truman As for more modern U S chief executives Republicans will be astounded to learn that Nixon was the last liberal president and that Reagan wasn't all that conservative Democrats will be amazed to learn that Clinton was in some respects more conservative than George W Bush and why both Obama and Bush are ranked as bad Readers will learn why the author goes against the grain and anoints Eisenhower and Carter as the two best modern presidents

*The First Cold Warrior* Elizabeth Spalding, 2006-05-26 From the first days of his unexpected presidency in April 1945 through the landmark NSC 68 of 1950 Harry Truman was central to the formation of America's grand strategy during the Cold War and the subsequent remaking of U S foreign policy Others are frequently associated with the terminology of and responses to the perceived global Communist threat after the Second World War Walter Lippmann popularized the term cold war and George F Kennan first used the word containment in a strategic sense Although Kennan Secretary of State Dean Acheson and Secretary of Defense George C Marshall have been seen as the most influential architects of American Cold War foreign policy *The First Cold Warrior* draws on archives and other primary sources to demonstrate that Harry Truman was the key decision maker in the critical period between 1945 and 1950 In a significant reassessment of the thirty third president and his political beliefs Elizabeth Edwards Spalding contends that it was Truman himself who defined and articulated the theoretical underpinnings of containment His practical leadership style was characterized by policies and institutions such as the Truman Doctrine the Marshall Plan NATO the Berlin airlift the Department of Defense and the National Security Council Part of Truman's unique approach shaped by his religious faith and dedication to anti communism was to emphasize the importance of free peoples democratic institutions and sovereign nations With these values he fashioned a new liberal internationalism distinct from both Woodrow Wilson's progressive internationalism and Franklin D Roosevelt's liberal pragmatism which still shapes our politics Truman deserves greater credit for understanding the challenges of his time and for being America's first cold warrior This reconsideration of Truman's overlooked statesmanship provides a model for interpreting the international crises facing the United States in this new era of ideological conflict

**The Liberation Trilogy Box Set** Rick Atkinson, 2013-10-22 The definitive chronicle of the Allied triumph in Europe during World War II Rick Atkinson's *Liberation Trilogy* is now together in one ebook bundle From the War in North Africa to the Invasion of Normandy the *Liberation Trilogy* recounts the hard fought battles that led to Allied victory in World War II Pulitzer Prize winning and New York Times bestselling author Rick Atkinson brings great drama and exquisite detail to the retelling of these battles and gives life to a cast of characters from the Allied leaders to rifleman in combat His accomplishment is monumental the

Liberation Trilogy is the most vividly told brilliantly researched World War II narrative to date **WINNER OF THE PULITZER PRIZE AND NEW YORK TIMES BESTSELLER** **Property, Freedom, and Society: Essays in Honor of Hans-Hermann Hoppe** , *Treasonable Doubt* R. Bruce Craig, 2004 Armed with a wealth of new information Craig examines the controversial 1948 allegations that Communist spies had penetrated the American government and explores the ambiguities that have haunted it for more than half a century **Return to Victory** James P. Duffy, 2021-03-16 General Douglas MacArthur's bloody campaign to defeat the hard Japanese forces and liberate the Philippines I shall return General Douglas MacArthur promised the Filipino people following the Japanese invasion and occupation of the Philippines in spring 1942 The people there believed MacArthur's vow and even Americans were stirred by his dramatic pledge Now two and half years later MacArthur was ready to fulfill his promise the liberation of the Philippines was about to begin It would not be an easy campaign The more than 7 000 islands of the Philippine archipelago were the key to taking down the Japanese Empire and the Imperial forces were prepared to sacrifice every man and every ship to prevent MacArthur from regaining control of them Covering both the strategic and tactical aspects of the campaign through the participation of its soldiers sailors and airmen as well as its commanders James P Duffy leads readers through a vivid account of the nearly year long bloody campaign to defeat over a quarter million die hard Japanese defenders in the Pacific theater *Return to Victory* is a wide ranging dramatic and stirring account of MacArthur's epic liberation of the Philippines **Newspaper Titan** Amanda Smith, 2011-09-06 From the author of *Hostage to Fortune* The Letters of Joseph P Kennedy Superb Michael Beschloss Remarkable Arthur Schlesinger the galvanizing story of Eleanor Medill Cissy Patterson celebrated debutante and socialite scion of the Chicago Tribune empire and the twentieth century's first woman editor in chief and publisher of a major metropolitan daily newspaper the Washington Times Herald She was called the most powerful woman in America surpassing Eleanor Roosevelt Bess Truman Clare Boothe Luce and Dorothy Schiff Cissy Patterson was from old Republican stock Her grandfather was Joseph Medill firebrand abolitionist mayor of Chicago editor in chief and principal owner of the Chicago Tribune and one of the founders of the Republican Party who delivered the crucial Ohio delegation to Abraham Lincoln at the convention of 1860 Cissy Patterson's brother Joe Medill Patterson started the New York Daily News Her pedigree notwithstanding Cissy Patterson came to publishing shortly before her forty ninth birthday in 1930 with almost no practical journalistic or editorial experience and a life out of the pages of Edith Wharton or more likely the other way around shades of Cissy are everywhere in the Countess Olenska Amanda Smith writes that in the summer of 1930 Cissy Patterson educated at the turn of the century at Miss Porter's School in Farmington Connecticut for a vocation of marriage and motherhood and a place in society took over William Randolph Hearst's foundering Washington Herald and began to learn what others believed she could never grasp how to run and build up a newspaper She vividly lived out the Medill family's editorial motto at least in spirit When your grandmother gets raped put it on the front page Patterson soon bought from Hearst the Herald's evening

sister paper the Washington Times merged the two and became editor publisher and sole proprietor of a big city newspaper a position almost unprecedented in American history The effect of the merger was electric By 1945 the Washington Times Herald with ten daily editions was clearing an annual profit of more than 1 million Amanda Smith in this huge fascinating biography gives us the infamous life and monumental times of Cissy Patterson scourge of liberals advocate of appeasing Hitler lover of poodles and hater of FDR Here is her twentieth century Washington its politics and society scandals and feuds and at the center the fierce newspaper wars that consumed and drove the country's press titans as Patterson took the Washington Times Herald from a chronic tail ender in circulation and advertising ranked fifth in the town and made it into the most widely read round the clock daily in the nation's capital deemed by many to be the damndest newspaper to ever hit the streets

*A Brief History of Public Policy since the New Deal* Andrew E. Busch, 2019-09-10 A Brief History of Public Policy Since the New Deal traces the development of national domestic policy from the Great Depression through the early Trump years A chronological look that illuminates the cumulative effects of policy change the book also focuses on themes such as the interplay of ideas events politics and people models such as incrementalism multiple streams and punctuated equilibrium the importance of foreign policy issues to the development of domestic policy and features including the importance of problem definition and the law of unanticipated consequences Following the narrative each chapter includes a summary of seven key policy areas economic policy social welfare civil rights environmental and education policy moral cultural issues and federalism The material is organized by eras identified by presidencies and by whether the era represented a burst of policymaking made possible because key inputs of ideas events politics and people aligned for change or a rough equilibrium Although presidencies are used to define eras the role of all the institutions are given their due

**Presidential Lessons in Leadership** Ron Felber, 2011-02-22 Presidential Lessons in Leadership crystallizes the methods of leadership from six of America's greatest presidents during moments of personal challenge and turns them into concrete lessons that business leaders and anyone interested in becoming a more effective leader can use each day The six presidents include Abraham Lincoln Principle based Leadership John F Kennedy Leadership through critical thinking Franklin D Roosevelt Leadership through innovation Teddy Roosevelt Leadership through influence Ronald Reagan Leadership through ideology In this exciting and instructive book CEO historian Dr Ron Felber dramatically renders the moral complexities behind these presidents moment of greatest challenge and crystallizes the essence of the character driven leadership they exercised into practical lessons that readers can apply in the workplace as well as in their day to day lives Once a reader delves into these inspirational tales of challenge and triumph and the lessons they teach they will never forget them

**Robert A. Lovett and the Development of American Air Power** David M. Jordan, 2018-12-14 Robert Lovett grew up in Texas went to Yale and earned his wings as a naval air force hero in World War I He played a key role in the development of the Army Air Force in World War II His emphasis on strategic bombing was instrumental in defeating

Hitler's Germany During his postwar State Department service he was influential in initiating the Marshall Plan the formation of NATO and planning the Berlin Airlift He served as Truman's Secretary of Defense during the Korean War was a consultant for his friend Dwight Eisenhower and served John F Kennedy during the Cuban Missile Crisis Between tours of duty in Washington he was an international banker on Wall Street This first complete biography covers his life and career in detail

**Strategies for Rapid Climate Mitigation** Laurence Delina,2016-06-10 To keep the global average temperature from rising further than 2 C emissions must peak soon and then fall steeply This book examines how such rapid mitigation can proceed in the scale and speed required for effective climate action using an analogy provided by the mobilisation for a war that encompassed nations the Second World War Strategies for Rapid Climate Mitigation examines the wartime climate analogy by drawing lessons from wartime mobilisations to develop contingency plans for a scenario where governments implement stringent mitigation programs as an insurance policy where we pay for future benefits Readers are provided a picture of how these programs could look how they would work what could trigger them and the challenges in execution The book analyses in detail one plausible approach to a crucial issue an approach built upon knowledge of climate science and on proven and demonstrated mitigation measures The book is meshed with a social and political analysis that draws upon narratives of mobilisations during the war to meet a transnational threat while also addressing the shortcomings of the analogy and its strategies The book will be of great interest to scholars students and practitioners of public policy climate policy energy policy international relations and strategic studies

**Speaking of Liberty** ,2003

**A Memoir of Creativity** Piri Halasz,2009 A Memoir of Creativity chronicles one woman's life journey as she derives a theory revealing meaning in abstract painting from varied personal and professional experiences and tells how she locates this theory within a broader social context In 1966 Piri Halasz became the first woman within living memory to write a cover story for Time and not just any cover story either the notorious one on Swinging London With wit and wisdom she provides a glimpse into her red diaper childhood as well as reporting on her climb at Time from research to the writing staff Vividly she describes her controversial career as a female journalist during the sixties offering an inside view of newsweekly rivalries during that tempestuous decade Halasz then moves on to her initiation into the art world her lively interaction with some of its most distinguished denizens and her immersion in graduate school She concludes with what she has learned about art art history and history itself since the early eighties applying that knowledge to better understand the twenty first century Through sharing her life story Halasz encourages others to remain open to new experiences to try different ways of seeing and to use creativity to tackle hurdles

**Eleanor: A Spiritual Biography** Harold Ivan Smith,2017-03-02 More than fifty years after her death Eleanor Roosevelt is remembered as a formidable first lady and tireless social activist Often overlooked however is her deep and inclusive spirituality Her personal faith was shaped by reading the New Testament in her youth giving her a Jesus centered spirituality that fueled her commitment to civil rights women's rights and the rights of all little people marginalized

in American society She took seriously Jesus words and despite her life of privilege she made the needs of those on the margins her priority Eleanor A Spiritual Biography provides insight into one of America s most famous women particularly the spiritual influences that made her so active in social justice issues     **The Conquerors** Michael R. Beschloss, 2003-10-07  
As Allied soldiers fought the Nazis Franklin Roosevelt and later Harry Truman fought in private with Churchill and Stalin over how to ensure that Germany could never threaten the world again
