The Many Faces of Strategic Voting John H Aldrich, André Blais, Laura B. Stephenson, 2019-02-28 Voters do not always choose their preferred candidate on election day Often they cast their ballots to prevent a particular outcome as when their own preferred candidate has no hope of winning and they want to prevent another undesirable candidate's victory or they vote to promote a single party majority in parliamentary systems when their own candidate is from a party that has no hope of winning In their thought provoking book The Many Faces of Strategic Voting Laura B Stephenson John H Aldrich and Andr Blais first provide a conceptual framework for understanding why people vote strategically and what the differences are between sincere and strategic voting behaviors Expert contributors then explore the many facets of strategic voting through case studies in Great Britain Spain Canada Japan Belgium Germany Switzerland and the European Union

Public Images Ryan Linkof, 2020-08-12 The stolen snapshot is a staple of the modern tabloid press as ubiquitous as it is notorious The first in depth history of British tabloid photojournalism this book explores the origin of the unauthorised celebrity photograph in the early 20th century tracing its rise in the 1900s through to the first legal trial concerning the right to privacy from photographers shortly after the Second World War Packed with case studies from the glamorous to the infamous the book argues that the candid snap was a tabloid innovation that drew its power from Britain's unique class tensions Used by papers such as the Daily Mirror and Daily Sketch as a vehicle of mass communication this new form of image played an important and often overlooked role in constructing the idea of the press photographer as a documentary eyewitness From Edward VIII and Wallis Simpson to aristocratic debutantes Lady Diana Cooper and Margaret Whigham the rage of the social elite at being pictured so intimately without permission was matched only by the fascination of working class readers while the relationship of the British press to social economic and political power was changed forever Initially pioneered in the metropole tabloid style photojournalism soon penetrated the journalistic culture of most of the globe This in depth account of its social and cultural history is an invaluable source of new research for historians of photography journalism visual culture media and celebrity studies

Deep-Time Images in the Age of Globalization Oscar Moro Abadía, Margaret W. Conkey, Josephine McDonald, 2024-05-13 This open access volume explores the impact of globalization on the contemporary study of deep time art The volume explores how early rock art research's Eurocentric biases have shifted with broadened global horizons to facilitate new conversations and discourses in new post colonial realities The book uses seven main themes to explore theoretical methodological ethical and practical developments that are orienting the study of Pleistocene and Holocene arts in the age of globalization Compiling studies as diverse as genetics visualization with the proliferation of increasingly sophisticated archaeological techniques means that vast quantities of materials and techniques are now incorporated into the analysis of the world's visual cultures Deep Time Images in the Age of Globalization aims to promote critical reflection on the multitude of positive and negative impacts that globalization has wrought in rock art research The volume brings new theoretical frameworks as well as engagement with indigenous knowledge and perspectives from art history It highlights technical methodological and interpretive developments and showcases rock art characteristics from previously unknown in the global north geographic areas This book provides comparative approaches on rock art globally and scrutinises the impacts of globalization on research preservation and management of deep time art This book will appeal to archaeologists social scientists and art historians working in the field as well as lovers of rock art

The American Political Pattern Byron E. Shafer, 2016-11-30 Politicians are polarized Public opinion is volatile Government is gridlocked Or so journalists and pundits constantly report But where are we really in modern American politics and how did we get there Those are the questions that Byron E Shafer aims to answer in *The American Political Pattern* Looking at the state of American politics at diverse points over the past eighty years the book draws a picture broad in scope yet precise in detail of our political system in the modern era It is a picture of stretches of political stability but also even more of political change one that goes a long way toward explaining how shifting factors alter the content of public policy and the character of American politicking Shafer divides the modern world into four distinct periods the High New Deal 1932 1938 the Late New Deal 1939 1968 the Era of Divided Government 1969 1992 and the Era of Partisan Volatility 1993 2016 Each period is characterized by a different arrangement of the same key factors party balance ideological polarization issue conflict and the policy making process that goes with them *The American Political Pattern* shows how these factors are in turn shaped by permanent aspects of the US Constitution most especially the separation of powers and federalism while their alignment is simultaneously influenced by the external demands for governmental action that arise in each period including those derived from economic currents major wars and social movements Analyzing these periods Shafer sets the terms for understanding the structure and dynamics of politics in our own turbulent time Placing the current political world in its historical and evolutionary framework while illuminating major influences on American politics over time his book explains where this modern world came from why it endures and how it

might change yet again Images of War in Contemporary Art Uroš Cvor,Kit Messham-Muir,2021-08-12 In Images of War in Contemporary Art Uro Cvor and Kit Messham Muir mount a challenge to the dominance of theoretical tropes of trauma affect and emotion that have determined how we think of images of war and terror for the last 20 years Through analyses of visual culture from contemporary war art to the meme wars they argue that the art that most effectively challenges the ethics and aesthetics of war and terror today is that which disrupts this flow art that makes alternative perceptions of wartime both visible and possible As a theoretical work Images of War in Contemporary Art is richly supported by visual and textual evidence and firmly embedded in current artistic practice Significantly though the book breaks with both traditional and current ways of thinking about war art offering a radical rethinking of the politics and aesthetics of art today through analyses of a diverse scope of contemporary art that includes Ben Quilty Abdul Abdullah Australia Mladen Miljanovic Neboja a eric oba Bosnia and Herzegovina Hiwa K Wafaa Bilal Iraq Teresa Margolles Mexico and Arthur Jafa United States **The National Review** ,1929 **The National and English Review** ,1929 **National and English Review** ,1929 **Big Picture Realities** Daniel Drache,2008-10-10 In the post NAFTA era Canada and Mexico face dramatic and irreversible changes from the Bush revolution in foreign public policy the rising economic power of China and India new concerns about border security and human rights and the trends of economic integration The essays in Big Picture Realities Canada and Mexico at the Crossroads address the sea change in the political economic order of North America and chronicle the attempts of Canada and Mexico two very different societies to come to terms with the accumulated and often contradictory effects of micro and macro changes Contributors are Canadian and Mexican scholars and leading authorities in security immigration human rights foreign policy Canada Mexico relations and market integration This book is particularly valuable for public policy experts and scholars and students in international relations The Moving Picture World ,1916
