New England Love Story:

New England Magazine ,1906 *English Journal* ,1920 **Lesbian Love Story** Amelia Possanza,2024-05-28 For readers of Saidiya Hartman and Jeanette Winterson *Lesbian Love Story* is an intimate journey into the archives uncovering the romances and role models written out of history and what their stories can teach us all about how to love When Amelia Possanza moved to Brooklyn to build a life of her own she found herself surrounded by queer stories she read them on landmark placards overheard them on the pool deck when she joined the world s largest LGBTQ swim team and even watched them on TV in her cockroach infested apartment These stories inspired her to seek out lesbians throughout history who could become her role models in romance and in life Centered around seven love stories for the ages this is Possanza s journey into the archives to recover the personal histories of lesbians in the twentieth century who they were how they loved why their stories were destroyed and where their memories echo and live on Possanza s hunt takes readers from a drag king show in Bushwick to the home of activists in Harlem and then across the ocean to Hadrian s Library where she searches for traces of Sappho in the ruins Along the way she discovers her own love for swimming for community for New York City and adds her record to the archive At the heart of this riveting inventive history Possanza asks How could lesbian love help us reimagine care and community What would our world look like if we replaced its foundation of misogyny with something new with something distinctly lesbian [Haunted Florida Love Stories](#) Christopher Balzano,2017-08-14 The author and folklorist examines Florida s history through the lens of haunting tales of love Wide eyes sweaty palms and a racing heart Are these the tell tale marks of a love story or a haunted tale If the story is set in Florida there s a good chance it s both From the infamous Bellamy Bridge to a haunted lighthouse in Key West love is in the air but it isn t always a good thing Author and folklorist Christopher Balzano follows lingering campus whispers and trails that vanish into the swamp to track down the urban legends and ghostly lore of Sunshine State love affairs that live on even after death **Pasadena Library and Civic Magazine** ,1916 *An Unfinished Love Story* Doris Kearns Goodwin,2024-04-16 The 1 New York Times bestseller from America s historian in chief New York magazine *An Unfinished Love Story* A Personal History of the 1960s by Doris Kearns Goodwin one of America s most beloved historians artfully weaves together biography memoir and history She takes you along on the emotional journey she and her husband Richard Dick Goodwin embarked upon in the last years of his life Dick and Doris Goodwin were married for forty two years and married to American history even longer In his twenties Dick was one of the brilliant young men of John F Kennedy s New Frontier In his thirties he both named and helped design Lyndon Johnson s Great Society and was a speechwriter and close advisor to Robert Kennedy Doris Kearns was a twenty four year old graduate student when selected as a White House Fellow She worked directly for Lyndon Johnson and later assisted on his memoir Over the years with humor anger frustration and in the end a growing understanding Dick and Doris had argued over the achievements and failings of the leaders they served and observed debating the progress and unfinished promises of

the country they both loved The Goodwins last great adventure involved finally opening the more than three hundred boxes of letters diaries documents and memorabilia that Dick had saved for more than fifty years They soon realized they had before them an unparalleled personal time capsule of the 1960s illuminating public and private moments of a decade when individuals were powered by the conviction they could make a difference a time like today marked by struggles for racial and economic justice a time when lines were drawn and loyalties tested Their expedition gave Dick s last years renewed purpose and determination It gave Doris the opportunity to connect and reconnect with participants and witnesses of pivotal moments of the 1960s And it gave them both an opportunity to make fresh assessments of the central figures of the time John F Kennedy Jacqueline Kennedy Martin Luther King Jr Robert Kennedy Eugene McCarthy and especially Lyndon Johnson who greatly impacted both their lives The voyage of remembrance brought unexpected discoveries forgiveness and the renewal of old dreams reviving the hope that the youth of today will carry forward this unfinished love story with America
