

# New Era Of Home Based Work Directions And Policies

**Pamela L. Geller**

## **New Era Of Home Based Work Directions And Policies:**

*The New Era Of Home-based Work* Kathleen Christensen, 2019-07-11 This book focuses on the causes and consequences of paid white collar work in the home including work that is professional managerial clerical technical and sales It is directed to audiences concerned with both the policy issues and the research challenges reused by working at home Home-Based Employment and Family Life Ramona Z. Heck, Alma J. Owen, Barbara R. Rowe, 1995-04-25 This book is about families who combine home life and income producing work under the same roof Based on 899 homeworking households in nine states the analysis presents detailed information about individual worker and household characteristics work characteristics for both business owners and wage workers family functioning types management behavior and adjustment strategies used in family life the community context and the home based employment experience over an extended period of time This is the first publication of a serious longitudinal study of the phenomenon of working from home with historical considerations of how and why so many people are choosing this option It points to the significantly positive impact at home workers are having on their families their neighborhoods and their communities **Compliance Costs and Regulatory Burden Imposed by the Federal Tax Laws** United States. Congress. House. Committee on Ways and Means. Subcommittee on Oversight, 1995 Distributed to some depository libraries in microfiche No Place Like Home , **The Global Construction of Gender** Elisabeth Prügl, 1999 Proposing an innovative conception of global politics by de emphasizing state actors and instead analyzing competing transnational discourses The Global Construction of Gender focuses specifically on people who work at home for pay Prügl explores the debates and rhetoric surrounding home based workers that have taken place in global movements and multilateral organizations since the early 1900s in order to trace changing conceptions of gender over the course of this century **Homeworkers in Global Perspective** Eileen Boris, Lisa Prügl, 2016-01-28 Homeworkers in Global Perspective documents the lives of homeworkers exploring state policies towards them and describing the innovative ways in which homeworkers organize Moving away from well known already explored cases the essays focus on less known but equally compelling examples organize and covers the major geographic regions of the world and illustrates the diversity of home based work and homeworker organizing **In Work, At Home** Alan Felstead, Nick Jewson, 2002-01-04 More and more people are choosing to earn a living at home In Work At Home explores the meaning and experience of this type of employment by covering a wide range of issues including social relationships current research methodologies statistical analyses of global labour markets the emotional and psychological processes of self management home relations Presenting statistical analyses of labour markets in North America Europe Asia and Australia In Work At Home provides a valuable introduction to the issues and debates surrounding homeworking and will appeal to students across a range of disciplines including sociology business studies and women s studies Putting Work in Its Place Peter Meiksins, Peter Whalley, 2018-09-05 Most books on the subject of work focus on the increased amount of time Americans spend on the job

Peter Meiksins and Peter Whalley address the counter trend examining the difficult path traversed by people who choose to work less than the standard forty hour week Their fascinating investigation of alternative work arrangements speaks directly to the concerns of all workers who must balance career with other commitments Through interviews with technical professionals from a wide range of employment settings *Putting Work in Its Place* refutes the popular myth of the customized work schedule as inevitably a mommy track or a return to traditionalism among women Most of these workers male and female young and old remain strongly committed to their jobs but wish to combine work with other activities they value just as highly This can mean family for some but for others encompasses community service or various avocations By viewing their work arrangements in the longer term and not as short term expedients these professionals are challenging the accepted view of time requirements for careers in organizations They are also helping to shape a new agenda for the future of the workplace to transform their individual successes into a normal practice of customized work time Color, Class & Country Gay Young, Bette Dickerson, 1994 On gender race and class *Contingent Work* Kathleen Barker, Kathleen Christensen, 2019-06-30 The successful 1997 strike by the Teamsters against UPS and the overwhelming support the American public gave the strikers highlighted the impact of contingent work an umbrella term for a variety of tenuous and insecure employment arrangements such as temping independent contracting employee leasing and some self employment and part time or part year work This new book contends that contingent work represents a profound deviation from the employment relations model that dominated most of this century s labor relations It delineates essential features of contingent work from both the worker s and the organization s point of view Articulating a variety of perspectives from various disciplines the contributors examine the business forces driving contingent work and assess the consequences of working contingently for the individual family and community taking into account issues of race class and gender They ask how current labor and employment laws need to be rewritten to provide contingent workers with the same comprehensive protections offered to permanent employees In the final chapter the editors comment on the status of research on contingent work and chart future research directions **The Co-workplace** Laura Climenko Johnson, 2003 Thanks to telecommunications breakthroughs almost half of all jobs in North America and Europe could be performed away from a traditional office This title explores a new type of neighbourhood based facility offering the benefits of remote work while maintaining boundaries between work and home **Social Dimensions of Information Technology** G. David Garson, 2000 This anthology brings together multiple viewpoints on the social dimensions of the revolution in information technology The chapters cover social political educational personal and international dimensions of information technology impacts Each chapter focuses on different aspects of the effects of computing and the new information technologies that have accelerated every area of human life This book raises important issues with profound implications for public policy and societal development *Redefining the Psychological Contract in the Digital Era* Melinde Coetzee, Alda Deas, 2021-02-18

This book introduces the psychological contract as a multi level contextual construct and closes some of the knowledge gaps on the nature of the digital era psychological contract The digital era psychological contract gives rise to a new type of employer employee relationship manifesting at the nexus between people and technology in a post COVID 19 world The book volume provides promising new approaches for psychological contract research offering a rich compendium of reflections on the shifts in employer employee expectations and obligations as well as suggestions for future research and practice Chapter contributions are divided into four main sections The Digital Era Contextual Issues and the Psychological Contract Managing the Psychological Contract in the Digital Era Issues for Organisational Practice Managing the Psychological Contract in the Digital Era Issues of Diversity Integration and Conclusion Redefining the Psychological Contract in the Digital Era is an insightful examination of the evolving nature of the psychological contract presenting novel insights into the antecedents consequences and facets of the new multi level contextual digital era psychological contract The primary audience for this book volume is advanced undergraduate and postgraduate students in industrial and organisational psychology and human resource management as well as scholars in both academic and applied work settings Human resource managers and professionals will also have an interest in this book volume

*Managing Knowledge* Steven Albert, Keith Bradley, 1997-10-02

Managing Knowledge reverses the status quo argument that organisational change is driven by the specific demands of large companies Instead of viewing firms as the catalysts for gradual change Albert and Bradley argue that expert professionals have fuelled a break away from the traditional organisational structure to an organisational structure at the heart of which is an agent and or an agency system The authors draw our attention to the growing phenomenon of atypical work manifested in workforce flexibility mobility the feminisation of professional employment and technological changes They focus upon a group of knowledge based employees experts who increasingly have influence over work and wealth creation Case studies are developed from companies including AT and T the Hollywood film industry London accounting firms and specialised agencies such as Labforce and Knowledge Net

**The Most Difficult Revolution** Alice Hanson Cook, Val R. Lorwin, Arlene K. Daniels, 2019-06-07

Over half the women in the United States are now employed outside the home and the proportions are comparable in many European countries Yet nowhere has this revolution in the composition of the labor force been followed by the triumph of a more difficult revolution the struggle for full equality in the rights and roles of women Building upon research begun by the late Val R Lorwin and Alice H Cook Cook and Arlene Kaplan Daniels survey recent efforts of trade unions in Germany Austria Sweden and Great Britain to ensure equal opportunity in the workplace In identifying the successes and setbacks of the European experience the authors consider the implications for change in the agendas of American unions Cook and Daniels show how unions in the countries studied have promoted women s equality through the channels of internal policy collective bargaining and political influence They provide rich cross cultural comparisons of patterns of government involvement the extent of women s participation in the unions education of women for union

leadership access to vocational training pay equity the conditions of part time work and workplace health and safety concerns The Most Difficult Revolution will be a vital resource for comparatists in the fields of women s studies labor studies political science anthropology sociology and economics

**Women and the Environment** Irwin Altman,Arza Churchman,2013-06-29 This thirteenth volume in the series addresses an increasingly salient worldwide research design and policy issue women and physical environments We live in an era of worldwide social change Some nation states are fracturing or disintegrating migrations are resulting from political upheavals and economic opportunities some ethnic and national animosities are resurfacing and global and national economic systems are under stress Furthermore the variability of interpersonal and familial forms is increasing and cultural subgroups minorities women the physically challenged gays and lesbians are vigorously demanding their rights in societies and are becoming significant economic and political forces Although these social system changes affect many people their impact on women is especially salient Women are at the center of most forms of family life Whether in traditional or contemporary cultures women s roles in child rearing home management and community relations have and will continue to be central regardless of emerging and changing family structures And because of necessity and opportunity women are increasingly engaged in paid work in and outside the home women in most cultures have historically always worked but often not for pay Their influence in cultures and societies is also mounting in the social political and economic spheres In technological societies women are playing higher level roles though still in small numbers in economic and policy domains This trend is likely to accelerate in the twenty first century

**Clothed in Integrity** Barbara Paleczny,2006-01-01 Barbara Paleczny herself a daughter of garment workers tugs at the threads of homeworking in the garment industry to reveal a low wage strategy that rends the fabric of social integrity and exposes global trends The resurgence of sweatshops affects the working poor in both first and third world countries Paleczny assesses the responsibility of transnational retailers for unacceptable wages and working conditions and describes historic shifts in the global context of garment production After exploring systemic causes of poverty relevant policy setting and ethical foundations Paleczny introduces both short and long range possibilities for transformation emphasizing the collaborative nature of work Clothed in Integrity draws on feminist studies alternative economics and the ethical foundations proposed by Bernard Lonergan to fashion a constructive work in which Paleczny connects issues of societal meanings and values moral imperatives and economic feasibility With candour she shares personal stories of engagement in coalition work Those who dwell on this text will find information challenges and inspiration to nurture their reflection research dialogue and action

**One Day I'll Work for Myself: The Dream and Delusion That Conquered America** Benjamin C.

Waterhouse,2024-01-16 From side hustlers to start ups freelancers to small business owners Americans have a special affinity for people who make it on their own But the dream has a dark side One day I ll work for myself Perhaps you ve heard some version of that phrase from friends colleagues family members perhaps you ve said it yourself If so you re not alone The

spirit of entrepreneurship runs deep in American culture and history in the films we watch and the books we read in our political rhetoric and in the music piping through our speakers What makes the dream of self employment so alluring so pervasive in today s world Benjamin C Waterhouse offers a provocative argument the modern cult of the hustle is a direct consequence of economic failures bad jobs stagnant wages and inequality since the 1970s With original research Waterhouse traces a new narrative history of business in America populated with vivid characters from the activists academics and work from home gurus who hailed business ownership as our economic salvation to the upstarts who took the plunge We meet among others a consultant who quits his job and launches a wildly popular beer company a department store saleswoman who founds a plus size bra business on the Internet and an Indian immigrant in Texas who flees the corporate world to open a motel Some flourish some squeak by Some fail As Waterhouse shows the go it alone movement that began in the 1970s laid the political and cultural groundwork for today s gig economy and its ethos everyone should be their own boss While some people find success in that world countless others are left bouncing from gig to gig exploited underpaid or conned by get rich quick scams And our politics doesn t know how to respond Accessible fast paced and eye opening One Day I ll Work for Myself offers a fresh insightful cultural history of the U S economy from the perspective of the people within it asking urgent questions about why we re clinging to old strategies for progress and at what cost

Teleworking Paul J. Jackson, Jos M. van der Wielen, 2002-01-31 Teleworking is an up to date groundbreaking and comprehensive assessment of teleworking It includes multidisciplinary contributions drawing on sociology management science economics philosophy and information technology analysis of post modern and post industrial theoretical contexts a selection of empirical studies from across the world accounts of different modes of teleworking from homeworking to centre based working examination of the links between teleworking and the virtual organisation Wide ranging detailed and original this book is a valuable introduction to teleworking and an important contribution to the debate on the future of the labour market

The Routledge Handbook of Feminist Anthropology Pamela L. Geller, 2024-12-23 The Routledge Handbook of Feminist Anthropology is a comprehensive inter and intradisciplinary survey of the field of feminist anthropology It has at its core a focus on raising consciousness and communicating information about gender inequities suffering and precarity as well as furthering a praxis informed by intersectionality decolonial intent and compassion Divided into three clear parts and comprising 34 chapters by an international team of contributors the Handbook addresses topics in the following key areas resisting violence communicating creatively labor migration and displacement health and disease reproduction intersectionality decolonial work The collection assesses the field at an interesting moment in time one defined by social justice and populist movements gone global once and future pandemics extreme environmental disasters and neoliberalism interrupted How do gender sex and sexuality intersect with these phenomena In answer contributors to this volume put a heterogeneous anthropological approach in place they advance interdisciplinary conversations as well as renew a commitment to intradisciplinary dialogue

The Routledge Handbook of Feminist Anthropology is essential reading for students researchers and instructors in anthropology and will also be of interest to those in related disciplines such as gender studies queer studies economics biomedicine political science sociology geography and science and technology studies
