**New Essays on Winesburg, Ohio** ,1990      **New Essays on Winesburg, Ohio** John W. Crowley, John William Crowley, 1990      **Winesburg, Ohio** Sherwood Anderson, 1999 there is within every human being a deep well of thinking over which a heavy iron lid is kept clamped Winesburg Ohio 1919 is Sherwood Anderson's masterpiece a cycle of short stories concerning life in a small Ohio town at the end of the nineteenth century At the centre is George Willard a young reporter who becomes the confidant of the town's grotesques solitary figures unable to communicate with others George is their conduit for expression and solace from loneliness but he has his own longings which eventually draw him away from home to seek a career in the city He carries with him the dreams and unuttered words of remarkable characters such as Wing Biddlebaum the disgraced former teacher and the story telling Doctor Parcival The book has influenced many American writers including Ernest Hemingway William Faulkner John Updike Raymond Carver and Joyce Carol Oates It reshaped the development of the modern short story turning the genre away from an emphasis upon plot towards a capability for illuminating the emotional lives of ordinary people This new edition corrects errors in earlier editions and takes into account major criticism and textual scholarship of the last several decades      **A New Book of the Grotesques** Robert Dunne, 2005 Sherwood Anderson remembered chiefly as a writer of short stories about life in the Midwest at the turn of the century was acknowledged as an innovator of the short story form This book looks at Anderson's early fiction from contemporary interpretative methodologies particularly from poststructuralist approaches      **The Working Class in American Literature** John F. Lavelle, Debbie Lelekis, 2021-09-21 Literary texts are artifacts of their time and ideologies This book collection explores the working class in American literature from the colonial to the contemporary period through a critical lens which addresses the real problems of approaching class through economics Significantly this book moves the analysis of working class literature away from the Marxist focus on the relationship between class and the means of production and applies an innovative concept of class based on the sociological studies of humans and society first championed by Max Weber Of primary concern is the construction of class separation through the concept of in grouping out grouping This book builds upon the theories established in John F Lavelle's Blue Collar Theoretically A Post Marxist Approach to Working Class Literature McFarland 2011 and puts them into practice by examining a diverse set of texts that reveal the complexity of class relations in American society      **Sherwood Anderson** Harold Bloom, 2003 The works of Sherwood Anderson are explored
