Studying the British Crime Film Paul Elliott,2014-10-01 Ever since its inception British cinema has been obsessed with crime and the criminal One of the first narrative films to be produced in Britain the Hepworth s 1905 short *Rescued by Rover* was a fast paced quick edited tale of abduction and kidnap and the first British sound film Alfred Hitchcock s *Blackmail* 1930 centered on murder and criminal guilt For a genre seemingly so important to the British cinematic character there is little direct theoretical or historical work focused on it The Britain of British cinema is often written about in terms of national history ethnic diversity or cultural tradition yet very rarely in terms of its criminal tendencies and dark underbelly This volume assumes that to know how British cinema truly works it is necessary to pull back the veneer of the costume piece the historical drama and the rom com and glimpse at what is underneath For every *Brief Encounter* 1945 there is a *Brighton Rock* 2010 for every *Notting Hill* 1999 there is a *Long Good Friday* 1980 *Cool Places* Tracey Skelton,Gill

Valentine,2005-08-18 This edited collection of engaging essays addresses issues of representation and resistance in youth culture today and focuses on the complexities of youth cultures and their spatial representations and interactions *Gangs & Crime* Alistair Fraser,2017-07-03 This book takes students on a guided tour of the gang phenomenon through history as well as current representations of gangs in literature and media It includes A detailed global overview of gang culture covering amongst others Glasgow Chicago Hong Kong and Shanghai A chapter on researching gangs which covers quantitative and qualitative methods Extra chapter features such as key terms chapter overviews study questions and further reading suggestions Alistair Fraser brings together gang literature and critical perspectives in a refreshingly new way exploring gangs as a social group with a long and fascinating history ***My Dad, The Guv'nor - The True Story of My***

Life with the Legendary Hard Man, Lenny McLean Kelly McLean,2018-07-12 I am the Guv nor s daughter but what does that mean Lenny McLean better known as The Guv nor was a legendary and sometimes terrifying figure a bare knuckle fighter bouncer and in later life an actor He was a formidable force in the East End and across London but behind his towering demeanour was a loving father who provided a safe haven for his children For his only daughter Kelly his status

brought with it a reputation both to live up to and sometimes escape Kelly experienced the old East End way of life often lived just outside the law first hand and equally the uncertainty that came with her father's mood swings and the black dog that followed him around despite their close bond The connection between father and daughter became even more apparent as Kelly began to battle her own mental health issues that as a mum to two young children would threaten to destroy her life In this incredibly frank and poignant memoir Kelly McLean provides a unique insight into life growing up as the daughter of one of the last old school fighters featuring many previously untold stories This is the story of East End life from a woman who has seen it lived it and sometimes been plagued by it

Critical and Intersectional Gang Studies Jennifer M. Ortiz, 2023-04-13 This book offers a critical and empirical examination of gang life using an intersectional framework considering race class gender and other characteristics The book reexamines mainstream definitions of gangs identifies myths and misconceptions and presents the complex subcultural or countercultural realities of gang members and their associates Special attention is given to the importance of structural violence experienced by gang members and their communities This book also interrogates how mainstream gang research is complicit in the oppression of marginalized individuals who join gangs Assembling contributions from leading experts involved in gang research and the investigation of street gang culture this book provides a perspective often missing in the conversation around gangs Direct input from current and former gang members provides a window into the lived experiences of gang life a picture more accurate and useful than that afforded by the privileged lens often used in gang research Reliance on an intersectional approach fosters a non pathological and critical look at gangs and their members Critical and Intersectional Gang Studies is intended for students and scholars involved in the study of gangs delinquency and subcultural theory and will serve as a reference for researchers who wish to utilize a progressive critical and intersectional approach to study the impacts of gangs
