

New Guinea Ceremonies

Pamela J. Stewart, Andrew Strathern

New Guinea Ceremonies:

Rituals of Manhood Gilbert H. Herdt, 2017-09-08 Rituals of Manhood provides some of the most dramatic and richly textured accounts of ritual passages known to anthropologists of the late twentieth century. When in an earlier time anthropologists and sociologists described collective initiation rituals, the political and gender aspects of these practices were seldom underscored. Today, the power relationships of the body and domination and the social arena of gender politics are widely regarded as critical to the cultural meaning and interpretation.

New Guinea Ceremonies David Gillison, 2002-03 When David Gillison first arrived in New Guinea in 1973, ceremonies marking birth, death, initiation, and marriage were still being conducted by the Gimi tribe as they had been for thousands of years. Today, many of the Gimi's indigenous traditions like those depicted in Abrams' acclaimed *African Ceremonies* are disappearing forever. Gillison's brilliant photographs and intimate text capture the remarkable dramas enacted during what was probably the last ever Hau, a two-week fertility festival. Ranging from creation myths to scenarios of affairs, clan jealousies, and family strife, these playlets ultimately forbidden by Westerners are no longer performed. Gillison movingly preserves them here for history. The only photographic record we have of the Gimi and their unique theater rituals, the book also depicts the major effort to save the spectacular rainforest home of the Gimi, which stands as a world model for indigenous conservation.

Perspectives on Human Sexuality Anne Bolin, Patricia Whelehan, 1999-01-01 Presents the first book-length examination of both the biological and cultural factors in human sexuality.

Obscure Cultural Rites Amara Darwin, 2025-01-08 *Obscure Cultural Rites* offers a fascinating exploration of lesser-known ceremonies and traditions that continue to shape communities worldwide, drawing from extensive research across five continents and spanning over two centuries of anthropological documentation. This comprehensive study examines how traditional practices persist and adapt in our rapidly modernizing world, with a particular focus on transition rites, agricultural ceremonies, and healing rituals that remain vital to cultural identity and social cohesion. Through meticulous fieldwork in twenty-eight communities across Asia, Africa, and South America, the book reveals remarkable discoveries about previously undocumented rituals. From the mountain communities of Papua New Guinea to the isolated valleys of the Himalayas, readers encounter unique coming-of-age ceremonies and agricultural practices that continue to govern community life. Particularly intriguing is the revelation that many traditional agricultural rites contain sophisticated environmental knowledge, while healing ceremonies often incorporate effective psychological interventions that complement modern medicine. The book progresses logically through three main sections, beginning with transition rites, moving through agricultural ceremonies, and concluding with healing rituals. Drawing from over 200 interviews with community elders and ritual practitioners, it presents a balanced view of how traditional practices interact with contemporary challenges. This approach makes complex anthropological concepts accessible to both academic researchers and general readers while maintaining scholarly integrity and addressing crucial questions about cultural preservation in an increasingly globalized world.

world Papua New Guinea Ingrid Gascoigne, 2009 Celebrates the diversity of life through the exploration of cultures around the world

Ritual Catherine Bell, 2009-12-29 From handshakes and toasts to chant and genuflection ritual pervades our social interactions and religious practices Still few of us could identify all of our daily and festal ritual behaviors much less explain them to an outsider Similarly because of the variety of activities that qualify as ritual and their many contradictory yet in many ways equally legitimate interpretations ritual seems to elude any systematic historical and comparative scrutiny In this book Catherine Bell offers a practical introduction to ritual practice and its study she surveys the most influential theories of religion and ritual the major categories of ritual activity and the key debates that have shaped our understanding of ritualism Bell refuses to nail down ritual with any one definition or understanding Instead her purpose is to reveal how definitions emerge and evolve and to help us become more familiar with the interplay of tradition exigency and self expression that goes into constructing this complex social medium

The Power of Ritual in Prehistory Brian Hayden, 2018-09-13 Secret societies in tribal societies turn out to be key to understanding the origins of social inequalities and state religions

Ritual Dance Origins Rafael Montero, AI, 2025-03-29 Ritual Dance Origins explores the vital role of dance within indigenous cultures revealing how movement embodies history spirituality and social structure More than mere entertainment these dances serve as a powerful means of cultural transmission preserving historical narratives and genealogies across generations The book highlights how dance connects individuals to the spirit world and ancestors reinforcing community bonds and defining social roles The book progresses by examining dance as historical record spiritual practice and social framework using case studies and diverse sources to illustrate these themes Colonization and cultural suppression have significantly impacted these traditions yet resilience and revitalization efforts persist Ritual Dance Origins emphasizes indigenous perspectives challenging Western interpretations and presenting dance as a complex and meaningful form of cultural expression The book begins with core concepts and unfolds across three sections culminating in insights into the enduring significance of ritual dance in contemporary indigenous societies This study bridges history performing arts anthropology religious studies and ethnomusicology offering a nuanced and holistic understanding By prioritizing indigenous voices the book provides a valuable resource for fostering intercultural understanding and promoting cultural awareness making it an invaluable read for anyone interested in the performing arts and history

Festivals and Celebrations in Papua New Guinea David Holdsworth, 1982

The Music and Dance of the World's Religions E. Rust, 1996-08-23 Despite the world wide association of music and dance with religion this is the first full length study of the subject from a global perspective The work consists of 3 816 references divided among 37 chapters It covers tribal regional and global religions and such subjects as shamanism liturgical dance healing and the relationship of music mathematics and mysticism The

referenced materials display such diverse approaches as analysis of music and dance description of context direct experience observation and speculation The references address topics from such disciplines as sociology anthropology history linguistics musicology ethnomusicology theology medicine semiotics and computer technology Chapter 1 consists of general references to religious music and dance The remaining 36 chapters are organized according to major geographical areas Most chapters begin with general reference works and bibliographies then continue with topics specific to the region or religion This book will be of use to anyone with an interest in music dance religion or culture **Primitive Secret Societies** Hutton

Webster,1908 **The Palgrave Handbook of Anthropological Ritual Studies** Pamela J. Stewart,Andrew J. Strathern,2021-08-24 Ritual Studies have achieved prominence since the 1980s when interest in ritual as an object of inquiry was established bridging over a number of humanities and social science disciplines Both connected with religious studies and independent of it overlapping with social and cultural anthropology but also with history related to science and health practices and ranging across the life course to education Ritual Studies has come to encompass studies of change and dynamism in social life Rituals are determinate in form but not static They enunciate distinctive social values within specific contexts that frame them and they relate to the wider concerns and issues of their practitioners Due to this broad and wide ranging scope it is often difficult to find a single resource on Ritual Studies and even more so to find one which moves beyond the beginnings of anthropological theorizing to grapple with the present day contexts of ritual Bringing together recent ethnographies of ritual practice and ritualization from across the globe this Handbook provides case study of ritual in the light of Emotion and Cognition Identity Religious Power Performance and Literature Ecology and Ecological Disaster Media and other topics While each chapter provides a deep ethnography of a specific society ritual or ritualized practice each also engages with current theoretical and substantive approaches to the relevant topic The scholars collected here provide original synoptic and indicative pieces as guideposts and pathways through the complex varied and cross disciplinary and vast landscape of scholarship that constitutes Ritual Studies today and points to developments in the future **Gender**

Rituals Nancy Lutkehaus,Paul Roscoe,2013-09-13 This volume draws together ethnographies of female initiation rites in Melanesia which require anthropologists to rethink their analysis of initiations and their perceptions of gender The contributors argue that female initiation rites express more than cultural notions of femininity narrow definitions of reproduction or coming of age rituals instead they play an important role in other life cycle rituals and in the political and economic organization of society **Theorizing Rituals** Jens Kreinath,Michael Strausberg,2006 Volume two of Theorizing Rituals mainly consists of an annotated bibliography of more than 400 items covering those books edited volumes and essays that are considered most relevant for the field of ritual theory Instead of proposing yet another theory of ritual the bibliography is a comprehensive monument documenting four decades of theorizing rituals **Customs of the World**

Walter Hutchinson,2008 Ritual: Key Concepts in Religion Pamela J. Stewart,Andrew Strathern,2014-01-16 Ritual has

emerged as a major focus of academic interest As a concept the idea of ritual integrates the study of behavior both within and beyond the domain of religion Ritual can be both secular and religious in character There is renewed interest in questions such as Why do rituals exist at all What has been and continues to be their place in society How do they change over time Such questions exist against a backdrop of assumptions about development modernization and disenchantment of the world Written with the specific needs of students of religious studies in mind Ritual Key Concepts in Religion surveys the field of ritual studies looking at it both historically within anthropology and in terms of its contemporary relevance to world events

The Oxford Handbook of Human Development and Culture Lene Arnett Jensen,2015 The Oxford Handbook of Human Development and Culture provides a comprehensive synopsis of theory and research on human development with every chapter drawing together findings from cultures around the world This includes a focus on cultural diversity within nations cultural change and globalization Expertly edited by Lene Arnett Jensen the Handbook covers the entire lifespan from the prenatal period to old age It delves deeply into topics such as the development of emotion language cognition morality creativity and religion as well as developmental contexts such as family friends civic institutions school media and work Written by an international group of eminent and cutting edge experts chapters showcase the burgeoning interdisciplinary approach to scholarship that bridges universal and cultural perspectives on human development This cultural developmental approach is a multifaceted flexible and dynamic way to conceptualize theory and research that is in step with the cultural and global realities of human development in the 21st century

New Guinea Ceremonies Introduction

In today's digital age, the availability of New Guinea Ceremonies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New Guinea Ceremonies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New Guinea Ceremonies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New Guinea Ceremonies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New Guinea Ceremonies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New Guinea Ceremonies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New Guinea Ceremonies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New Guinea Ceremonies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New Guinea Ceremonies books and manuals for download and embark on your journey of knowledge?

FAQs About New Guinea Ceremonies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. New Guinea Ceremonies is one of the best book in our library for free trial. We provide copy of New Guinea Ceremonies in digital format, so the resources that you find are reliable.
