Essentials of Pentecostal Theology Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly

A Light to the Nations Stanley M. Burgess, Paul W. Lewis, 2017-03-02 The essays in this volume which are written by friends colleagues and former students are dedicated to Gary B McGee as a memorial to his life work and service As a professor with a clear calling to teach he modeled this passion at the Open Bible College Des Moines Iowa Central Bible College Springfield Missouri and the Assemblies of God Theological Seminary Springfield Missouri He exuded the understanding that quality teaching superior scholarship a genuine Pentecostal spirituality and an irenic spirit can and should go together Within the title of this volume *A Light to the Nations* two aspects become clear First each person is called to be a light to the nations as Gary McGee modeled Second and foundational to the first is the reality that Jesus Christ is the ultimate light and our energies study discussions and life in general should rely on this fact As a reflection of Gary McGee's life and ministry these two aspects are focused through three lenses which are the three sections of this volume Ecumenism Missions and Pentecostalism The essays represent a diversity of subjects and denote various explorations by colleagues and friends of Gary B McGee

The Missionary Self-Perception of Pentecostal/Charismatic Church Leaders from the Global South in Europe Claudia Währisch-Oblau, 2009-03-16 In a situation of growing interest in the religion of migrants there are still few publications dealing with pentecostal and charismatic Christians from the global South and the churches they have been starting all over Europe This ground breaking study based on extensive interviews conducted during a nine year research period encompassing more than 100 churches describes how pentecostal charismatic migrant pastors live out their pastoral role how they construct their missionary biographies and how they conceptualize and practice evangelism The result is a comprehensive portrait of an immigrant group which does not define itself as victimized and in need of assistance but as expatriate agents with a clear calling and a

vision to change the continent they now live in *Saved, Delivered, and Healed* Tony Richie, 2022-08-30 Should a Christian doctrine of salvation be concerned with this life or the life to come With forgiveness of sins or deliverance of sinners With the saving of the soul or the healing of the body Should it focus on the person and work of Jesus Christ or on the presence and power of Holy Spirit To all these questions and more Tony Richie's *Saved Delivered and Healed* Introducing a Pentecostal Doctrine of Salvation answers Yes Then it proceeds to present from the Scriptures from Pentecostal theology and spirituality and from decades of pastoral and personal experiences and academic insights an energetic and holistic view of salvation grounded in the wisdom goodness and power of God Its constant focus is God's ultimate redemptive purpose in Jesus Christ by the power of the Holy Spirit for the lives of real human beings living in the real world If you have ever wondered what Christian salvation actually means and how it actually works then this book is for you **Early Interracial Oneness**

The New Pentecostal Message? Forgiveness, Reconciliation, and Restoration Martin William Mittelstadt, Geoffrey W. Sutton, 2010-08-01 Although history is replete with tales of revenge Christian forgiveness provides an alternate response In this volume Pentecostal scholars from various disciplines offer their vision for forgiveness reconciliation and restoration The essayists offer long overdue Pentecostal perspectives through analysis of contemporary theological issues personal testimony and prophetic possibilities for restoration of individual relationships and communities Though Pentecostals remain committed to Spirit empowered witness as recorded in Luke Acts these scholars embrace a larger Lukan vision of Spirit initiated inclusivity marked by reconciliation The consistent refrain calls for forgiveness as an expression of God's love that does not demand justice but rather seeks to promote peace by bringing healing and reconciliation in relationships between people united by one Spirit

The Doctrine of the Holy Spirit Yacob Godebo, 2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit's presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha *Routledge Companion to Christianity in Africa* Elias Kifon Bongmba, 2015-12-22 The Routledge Companion to Christianity in Africa offers a multi disciplinary analysis of the Christian tradition across the African continent and throughout a long historical span The volume offers historical and thematic essays tracing the introduction of Christianity in Africa as well as its growth developments and effects including the lived experience of African Christians Individual chapters address the themes of Christianity and gender the development of African initiated churches the growth of Pentecostalism and the influence of Christianity on issues of sexuality music and public health This comprehensive volume will serve as a valuable overview and reference work for students and researchers worldwide **California Dreaming** Ronald A. Wells, 2017-09-11 California matters both as a place and as an idea What famed historian Kevin Starr has called the California Dream is a vital part of American self

understanding Just as America was meant to be a place of renewal even redemption for Europe so too California was intended as a place of renewal for America Therefore California place and idea provides a fertile ground for scholars to think deeply about what it means to articulate the promise of American life This book follows in the train of George Marsden s classic *The Outrageous Idea of Christian Scholarship* believing that people of faith have a contribution to make to scholarship and of Jay Green s more recent book *Christian Historiography Five Rival Views* believing that scholars of faith should engage in moral inquiry In this book eight authors inquire into the moral questions that emerge from studying California The New Blackwell Companion to the Sociology of Religion Bryan S. The Pentecostal Mission in Palestine Eric Nelson Newberg, 2012-06-13 The Pentecostal mission in Palestine is a virtually unknown episode in the history of Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land

Oneness Pentecostalism Lloyd D. Barba, Andrea Shan

Johnson, Daniel Ramírez, 2023-03-13 This volume traces the history of Oneness Pentecostalism in North America. It maps the major ideas, arguments, periodization, and historical figures; corrects long-standing misinterpretations; and draws attention to how race and gender impacted the growth and trajectories of this movement. Oneness Pentecostalism emerged in the aftermath of the Azusa Street Revival (1906-9), baptizing its members in the name of Jesus Christ rather than the Father, Son, and Holy Spirit, and splintering from trinitarian Pentecostals. With its rapid growth throughout the twentieth century, especially among ethnic minorities, Oneness Pentecostalism assumed a diversity of theological, ethnic, and cultural expressions. This book reckons with the multiculturalism of the movement over the course of the twentieth century. While common interpretations tend to emphasize the restorationist impulse of Oneness Pentecostalism, leading to notions of a static, unchanging movement, the contributors to this work demonstrate that the movement is much more fluid and that the interpretation of its history and theology should be grounded in the variegated North American contexts in which Oneness Pentecostalism has taken root and dynamically developed. Groundbreaking and interdisciplinary, this volume presents diverse perspectives on a significant religious movement whose modern origins are embedded within the larger Pentecostal story. It will be welcomed by religious studies scholars and by practitioners of Oneness Pentecostalism. In addition to the editors, the contributors to this volume are Daniel Chiquete, Dara Coleby, Delgado Patricia, Fortuny Loret de Mola, Manuel Gaxiola, David A. Reed, Rosa Sailes, and Daniel Segraves.
