The Coming New World Order Thomas J. Mueller,2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don t heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming

we got the world's greatest book the Bible. It is a captivating story that includes a little bit of everything: adventure and violence, mystery and bravery, and dumb luck or divine intervention depending on your point of view. How in the world did we get this book that some people swear by and other people swear at? You don't have to be a skeptic to have a grocery list of questions about the formation of the Bible, such as: Who wrote these documents and when? How were these ancient writings transmitted through the ages? As scribes made copies of copies, didn't they make mistakes that caused the ancient writings to be changed and corrupted? How was it decided which writings would be included in the Bible? What are the Dead Sea Scrolls, and why are archaeological finds like these such a big deal? Devoted people dedicated their lives throughout time to put this unique book into the hands of people worldwide. Retrace the passion and intrigue behind the Bible's creation.
