**DayVotionals** Chijioke Bennett, 2022-11-03 DayVotionals is a compilation of bite size nuggets from the Word of God that strive to make biblical truths clear and relatable with the ultimate intention that we not only know the truth but that we practice the truths that we know DayVotionals is a labor of love and is a collection of some of the things that God has taught me over the years It is written for everyone regardless of your level of relationship with God The prescribed method of consumption will be to take a nugget study it meditate upon it by turning it around over and over in your mind till it takes root in your spirit and brings about illumination Once that light comes to make the process complete you should walk in the light of that word and only then can you enjoy the benefit of the nugget While it is to be consumed by all not everyone is at the same level of depth in God so not all bites are equal Some bites may be a nibble for someone whereas they will be a mouthful or perhaps several mouthfuls for others The ideal thing is to pace yourself bite off what you can chew on settle that truth in your spirit then come back for more The presentation is easy but please understand that there is depth here so study the material and use this as a study manual My prayer for you is that with each bite your capacity is increased and soon youaEUR tm ll have all these truths and more rooted in your inner man and the practice of them will be your light that men see and glorify our Father Open yourself to this process and I pray that you enjoy the deepening of your relationship with God [www.chijiokebennett.org](http://www.chijiokebennett.org)

**New King James - The Bridge Bible** David W. Daniels, 2020-05-20 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1 18 How can you know you are saved Or in Matthew 7 14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people

from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made
