Handbook of Twentieth-Century Literatures of India Nalini Natarajan, 1996-09-09 India has a rich literary assemblage produced by its many different regional traditions religious faiths ethnic subcultures and linguistic groups The published literature of the 20th century is a particularly interesting subject and is the focus of this book as it represents the provocative conjuncture of the transitions of Indian modernity This reference book surveys the major regional literatures of contemporary India in the context of the country s diversity and heterogeneity Chapters are devoted to particular regions and the arrangement of the work invites comparisons of literary traditions Chapters provide extensive bibliographies of primary works thus documenting the creative achievement of numerous contemporary Indian authors Some chapters cite secondary

works as well and the volume concludes with a list of general works providing further information. An introductory essay overviews theoretical concerns, ideological and aesthetic considerations, developments in various genres and the history of publishing in regional literatures. The introduction provides a context for approaching the chapters that follow, each of which is devoted to the literature of a particular region. Each chapter begins with a concise introductory section. The body of each chapter is structured according to social and historical events, literary forms or broad descriptive or analytic trends depending on the particular subject matter. Each chapter then closes with an extensive bibliography of primary works, thus documenting the rich literary tradition of the region. Some chapters also cite secondary sources as an aid to the reader. The final chapters of the book address special topics such as sub-cultural literatures or the interplay between literature and film. A list of additional sources of general information concludes the volume.

Barpujari, 1990 Social and Economic History of Assam, 1853-1921 Rajen Saikia, 2000 This Study Unravels The Often Overlooked Aspects Of Social And Economic History Of Assam And Analyses The Decline Of The Old Ruling Gentry And The Death Of Traditional And Cottage Industries Due To Foreign Rule And Internal Limitations **Assam's Men of Letters**

Jñānānanda Śarmā Pāṭhaka, 1996 On the works of Assamese authors includes brief biographical information Becoming Assamese Madhumita Sengupta, 2016-05-12 This book explores the making of colonial Northeast India and offers a new perspective to the study of the Assamese identity in the nineteenth century as a distinctly nineteenth century cultural phenomenon not confined to linguistic parameters alone. It studies crucial markers of the self: history, customs, food, dress, new religious beliefs and symbols considered desirable by the provincial middle class and the way these fitted in with the latter's nationalist subjectivities in the face of an emphatic Bengali cultural nationalism. The author shows how colonialism was intrinsically linked to the assertion of middle class intelligentsia in the region and was instrumental in eroding the essential malleability of societal processes nurtured by the Ahom state. Rich with fresh research data, this book will be useful to scholars and researchers of history, political science, area studies and to anyone interested in understanding Northeast India.
