### **Tenets of the Doctrine of the Spirit-filled Church vol. 1**

Francis Vlok, 2020-09-01 I rejoice at Your word as one who finds great treasure Psalm 119 162 NKJV How unsearchable are his judgments and his ways past finding out Romans 11 33 These Scriptures declare the awesome greatness of God and to some born again believers they issue a challenge to search the scriptures Acts 17 11 to Study to show thyself approved unto God 2 Timothy 2 15 and to live and move and have our being in Him Acts 17 28 It is a God ordained desire and call for all people to find as much as they can about God and His perfect will for mankind With this divine emphasis on a born again believer s life the Holy Spirit issued the call and by His grace the next few volumes titled Tenets of the Doctrine of the Spirit filled Church are a continuation of the first book Doctrine of the Spirit filled Church Each tenet in these volumes is examined in greater detail and gives deeper insight into the spiritual meaning and its application The examination also compares the original Apostolic Church of the first century to the current Spirit filled church and in so doing references to the earliest writings from the ancient records help clarify the original church s structure as well as the doctrinal and theological understandings of that time and how that structure has progressed until this day The one overriding constant in all these

examinations and explanations is the fact that they are biblically based. If there is no Scripture to support the tenet's explanation, then it is supposition, assumption, and speculation and thus unworthy of discussion. The plumb line, Amos 7:7 NKJV, is always the Word. The basis of every tenet is always the Holy Writ. The implementation of every tenet is always according to the Bible. The church is traveling at lightning speed towards the soon return of Jesus Christ. The onslaught and evil outpouring of the diabolical, immoral, and total blasphemy against the Holy God has never been more vicious than it is today. The blatant evil and acceptance of anti-God living, which is thrown into everyone's face today, coupled with many nations' corrupt laws legalizing people's actions that are contrary to God's holy instructions, have brought and will continue to bring many to a disastrous end. While believers do not get distraught by the world's actions, God said in His word it would happen; they must keep their eyes steadfastly fixed on Jesus, the author and finisher of their faith. Hebrews 12:2. To do this, believers must be rooted and grounded. Ephesians 3:17, in the holy, divine oracle of God, which is His divinely inspired, breathed Word. 2 Timothy 3:16. It is with this urgency in mind, namely the decay and rottenness of society that have cast the Word aside and the hunger and thirst of many believers to grow in grace and in the knowledge of our Lord and Savior Jesus Christ. 2 Peter 3:18, that the author was led to expound further on the original book, Doctrine of the Spirit-filled Church. The church is in need of the truth that will help believers stay the course and become entrenched in the solid foundation as purposed by God in His Word, enabling them to withstand the wiles of the devil. More than ever, must believers now return to the stronghold of the Word to keep themselves rooted and grounded, steadfast and unmovable, and dwell in the secret place of the Most High, so that they can remain faithful to the end and be overcomers. Revelation 2:7, 11, 17, 26, 3:5, 12, 21.

**Renewal Theology** John Rodman Williams, 1996 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of

prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God

**The Case for Progressive Dispensationalism** Robert Saucy, 2010-12-21 Debate abounds on the future of Israel and Israel's relation to the church not only between dispensationalists and non dispensationalists but among dispensationalists themselves In the past that debate has sometimes been acrimonious and proponents of the differing viewpoints have found little common ground In recent years however views have been modified and developed so that the dialogue is increasingly by cooperation and a mutual exploration of diverse ideas The Case for Progressive Dispensationalism is intended to enlighten the debate in that same irenic spirit The book is solidly dispensational in perspective in affirming that the Old Testament prophecies are completely fulfilled in the future that the nation of Israel has a prophetic future and that Israel is not the church Dr Saucy departs from classic dispensationalism however in showing that 1 the fulfillment of Old Testament prophecy begins in the present church age and 2 the church is not a parenthesis in God's program but represents a continuity with the Old Testament messianic program This modified dispensationalism seeks to satisfy many of the objections of non dispensational approaches to eschatology while retaining the crucial elements of biblical interpretation that characterize dispensational thought

**Luminescence, Volume 1** C. K. Barrett, Fred Barrett, 2017-04-25 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley's sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one's tradition and theology The sermons in these volumes demonstrate what such preaching can look like This first volume presents 100 sermons on the Gospels and Acts
