*New Creation Realities* E. W. Kenyon, 2025-07-15 Christianity has revealed the secret that psychologists have long sought the inward soul the re created spirit the focus of God's great redemptive work on earth The four Gospels give us a wonderful picture of the lonely man of Galilee the humble Messiah who ends His earthly walk on Calvary But Paul's Epistles give us the risen triumphant One the conqueror of death sin and Satan He provides the revelation of what happened on the cross and in the tomb and how that affects who and what we are in Christ today Legendary Bible teacher E W Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ which made possible the new creation a new race of men and women who can stand in God's presence without a sense of guilt condemnation or inferiority

The Sanctification Connection Keith Kettenring,2008 This work focuses on progressive sanctification as a divine and human undertaking that provides a motivational setting for the transformation of an individual s life In Christianity sanctification occurs when a person is set apart by God to carry out his will Progressive sanctification is the aspect of sanctification that describes the process of spiritual growth Dr Keith Kettenring s research suggests that believers participate in this process with God in sanctificational synergism Human participation is recognized through an examination of free will and a study of components that contribute to belief and character formation This participation also includes the evaluation of one s capabilities and one s context for spiritual growth The integration of these concepts provides a compatible and useful matrix for a more comprehensive understanding of sanctificational growth The study of the components of human participation is also applied to the believer s personal strategy for sanctificational growth and the church s strategy to aid sanctificational growth through worship and small groups

**The Miracles of Jesus** Vern S. Poythress,2015-11-17 Christians often view Jesus s miracles simply as proofs of his divinity However as prolific author Vern Poythress shows in this new book they also serve as signs of redemption foreshadowing the salvation that Christ
