New Dare To Discipline

James C. Dobson

New Dare To Discipline:

The New Dare to Discipline James C. Dobson, 2014-08-22 Much needed answers to your toughest parenting questions Why are boundaries so important Do children really want limits set on their behavior My spouse doesn't seem to care about discipline why I am I stuck being the bad guy Is it okay to spank my child or will it lead him to hit others and become a violent person Join the millions of caring parents who have found answers in the wisdom of parenting authority and family counselor Dr James Dobson The New Dare to Discipline is a revised and updated edition of the classic bestseller designed to help you lead your children through the tough job of growing up This practical reassuring guide will teach you how to meet your children's needs of love trust affection and discipline This new edition is part of Dr James Dobson's Building A Family Legacy initiative

The New Dare to Discipline James C. Dobson, 1992 Many of today's parents grew up without proper role models at home They have no clear vision of what it means to be a good mother or father

The New Dare to Discipline James C. Dobson, 1999

Dare to Discipline James C. Dobson, Ryan Dobson, 2014-09-01 Dare to Discipline Leader Kit contains helps for leading the four session study on discipline by James Dobson

Dare to Discipline James C. Dobson, 1977

Dare to Discipline - Member Book James C. Dobson, Ryan Dobson, 2014-09 Dare to Discipline Member Book provides a personal study experience and leader helps for this four session study on discipline by James Dobson

The New Strong-Willed Child James C. Dobson, 2014-09 Is a willful little darling driving you to distraction The New Strong Willed Child is the resource you need a classic bestseller completely rewritten updated and expanded for a new generation of parents and teachers Challenging as they are to raise strong willed children can grow up to be men and women of strong character if lovingly guided with understanding and the right kind of discipline Find out what Dr James Dobson today's most trusted authority on parenting has to say about what makes strong willed children the way they are shaping the will while protecting the spirit avoiding the most common parenting mistake and much more If you are struggling to raise and teach children who are convinced they should be able to live by their own rules The New Strong Willed Child is a must read This new edition is part of Dr James Dobson's Building A Family Legacy initiative

The New Dare to Discipline DR. JAMES. DOBSON,

Spanked Christina L. Erickson, 2022-08-22 Spanked How Hitting Our Children is Harming Ourselves is a historical and cultural analysis of the long accepted practice of hitting children for learning and obedience The book begins with understanding who spansks and how the practice of using a hand to hit the buttocks of children evolved Erickson explores the cultural factors from historical magazine articles and parenting books to contemporary beliefs that support this type of discipline Spanking's connections to a variety of topics are clarified including the feelings of parents perceptions of children potential child abuse school corporal punishment attachment and bonding the legal language that allows hitting of one's children but not others and international perspectives on physical punishment The book invites an exploration of who we are as parents and as a society and what family leadership really means Book group questions for families professionals and

organizations lend the book useful for conversation and dialogue in libraries living rooms offices and classrooms Erickson gives readers an open platform to discuss respectfully what we are really communicating when we spank children

Discipline While You Can James C. Dobson, 1978-01 *Family Matters* Hilde Løvdal Stephens, 2019-10-15 The first full length study of a pivotal figure in American evangelical faith James Dobson child psychologist author radio personality and founder of the Christian conservative organization Focus on the Family published his first book *Dare to Discipline* in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson's principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s *Family Matters* James Dobson and Focus on the Family's *Crusade for the Christian Home* by Hilde Løvdal Stephens is an insightful history and analysis of James Dobson's rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched Løvdal Stephens scoured through Dobson's books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson's reign Løvdal Stephens's discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth century conservative Christianity in the United States She explores complex topics ranging from Dobson's celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family **Virgin Nation** Sara Moslener, 2015-06-01 First taking hold of the American cultural imagination in the 1990s the sexual purity movement of contemporary evangelicalism has since received considerable attention from a wide range of media outlets religious leaders and feminist critics *Virgin Nation* offers a history of this movement that goes beyond the Religious Right demonstrating a link between sexual purity rhetoric and fears of national decline that has shaped American ideas about morality since the nineteenth century Concentrating on two of today's best known purity organizations True Loves Waits and Silver Ring Thing Sara Moslener's investigation reveals that purity work over the last two centuries has developed in concert with widespread fears of changing traditional gender roles and sexual norms national decline and global apocalypse Moslener highlights a number of points in U S history when evangelical beliefs and values have seemed to provide viable explanations for and solutions to widespread

cultural crises resulting in the growth of their cultural and political influence By asserting a causal relationship between sexual immorality national decline and apocalyptic anticipation leaders have shaped a purity rhetoric that positions Protestant evangelicalism as the salvation of American civilization From the purity reformers of the nineteenth century to fundamentalist leaders such as Billy Graham and Carl F H Henry Moslener illuminates the evolution of a strain of purity rhetoric that runs throughout Protestant evangelicalism The Anointed Randall J. Stephens, Karl W. Giberson, 2012-07-09

Why do so many evangelicals follow leaders with dubious credentials when they have other options in their own faith Exploring intellectual authority within evangelicalism the authors reveal how the concept of anointing being chosen by God to speak for him established a conservative evangelical leadership isolated from secular arts and sciences **Cannibal**

Fictions Jeff Berglund, 2006 Objects of fear and fascination cannibals have long signified an elemental otherness an existence outside the bounds of normalcy In the American imagination the figure of the cannibal has evolved tellingly over time as Jeff Berglund shows in this study encompassing a strikingly eclectic collection of cultural literary and cinematic texts *Cannibal Fictions* brings together two discrete periods in U S history the years between the Civil War and World War I the high water mark in America's imperial presence and the post Vietnam era when the nation was beginning to seriously question its own global agenda Berglund shows how P T Barnum in a traveling exhibit featuring so called Fiji cannibals served up an alien other for popular consumption while Edgar Rice Burroughs in his Tarzan of the Apes series tapped into similar anxieties about the eruption of foreign elements into a homogeneous culture Turning to the last decades of the twentieth century Berglund considers how treatments of cannibalism variously perpetuated or subverted racist sexist and homophobic ideologies rooted in earlier times Fannie Flagg's novel *Fried Green Tomatoes* invokes cannibalism to new effect offering an explicit critique of racial gender and sexual politics an element to a large extent suppressed in the movie adaptation Recurring motifs in contemporary Native American writing suggest how Western expansion has cannibalistically laid the seeds of its own destruction And James Dobson's recent efforts to link the pro life agenda to allegations of cannibalism in China testify still further to the currency and pervasiveness of this powerful trope By highlighting practices that preclude the many from becoming one these representations of cannibalism Berglund argues call into question the comforting national narrative of *e pluribus unum* Classroom Management Robert T. Tauber, 2007-08-30

Educators need a balance between discipline theory and its practice in the classroom This is especially important in today's educational climate with its increased demands for teacher accountability Tauber has designed this book for both those who are new to teaching and those who are already seasoned teachers but who have had little if any coursework in discipline This book presents several sound frameworks that readers can use to evaluate six tried and true discipline models Teachers need to select learn and implement a discipline model that best reflects how they feel students should be treated Tauber explores a number of topics some controversial all quite relevant concerning how teachers can prevent as well as handle problem behaviors A

chapter describing A through Z discipline suggestions can be immediately put into use **Temper Your Child's Tantrums** James C. Dobson, 2014 Does it sometimes feel like your child's moods are controlling you Have you ever been embarrassed in public by your kids behavior but weren't sure how to handle it Do you long for a more calm and peaceful home without yelling and fighting This is the book for you In **Temper Your Child's Tantrums** parenting expert Dr James Dobson offers the essential keys to correcting a child in a firm loving and understanding way Student Behaviour Louise Porter, 2020-07-25 Behaviour management in the classroom and schoolyard is one of the most challenging aspects of teaching Student Behaviour offers a comprehensive overview of the major theories of behaviour management in primary and secondary schools illustrated with detailed case studies Porter outlines how teachers can develop a personal approach to classroom management based on a sound understanding of theory The emphasis is on proactive approaches to discipline to assist students in achieving educational and social goals Porter also shows how to enhance students motivation and help students become confident and independent learners This third edition has been fully revised and updated to reflect the latest research and includes new material on collaborating with parents ethical issues dealing with bullying and helping students to be autonomous in their learning and behaviour Examples and references are drawn from current international research Student Behaviour is an essential textbook for preservice teachers and a valuable reference for more experienced teachers who want to improve their ability to cope with disruptive behaviour The style of writing is clear accessible and authoritative an ideal text for all teachers in initial and post experience training It treats its audience as intelligent and discerning provides a clear digest of a very wide range of published material and allows its readers to reach their own decisions about suitable and sensitively executed approaches that are likely to be of lasting value *British Journal of Educational Psychology*

Revolution of Values Jonathan Wilson-Hartgrove, 2019-12-03 Christians and the religious Right have misused Scripture to consolidate power stoke fears and defend against enemies Highlighting the stories of people on the frontlines Jonathan Wilson Hartgrove explores how religious culture wars have misrepresented Christianity at the expense of the poor and how listening to marginalized communities can help us rediscover God's vision for faith in public life **Practicing what the Doctor Preached** Susan Bales Ridgely, 2017 James Dobson is well known to the secular world as a crusader for the Christian right But within Christian circles he is known primarily as a childrearing expert millions of American children have been raised on his message **Practicing What the Doctor Preached** looks at how Dobson's rigid authoritarian teachings are put into practice by actual families often in surprisingly flexible ways *Prescription for a Cheerful Heart* Brenda Phegley, 2015-10-28 Society tells you that your heart will be filled with happiness if you make more money build a bigger house and accumulate more possessions You do all of these things only to find out that the condition of your heart has not changed You want something that guarantees happiness and promises joy you want a prescription for a cheerful heart In *Prescription for a Cheerful Heart* Brenda Phegley shows you how the Scriptures are the best prescription for true happiness

Reading Gods Word will infuse your heart with the faith hope and love that promise eternal happiness Interwoven through the Scriptures used in this book are biographies of modern day heroes stories from the Bible and examples from classical literature You will read stories of people who had faith in God to give them true happiness no matter what situations they faced whether it was a battlefield a tornado or a fiery furnace You will discover that you must continue to have hope in God even when the odds are against you Furthermore you will realize that the power of Gods love will allow you to experience true happiness You will find that the only way to receive a prescription for a cheerful heart is to accept Jesus Christ into your heart Then your prescription is refilled every day when you pray worship God and read your Bible When your prescription for a cheerful heart comes from the great physician you will have eternal happiness

Uncover the mysteries within Crafted by is enigmatic creation, Embark on a Mystery with **New Dare To Discipline** .
