addressed and offered as topics for further discussion Who originates such public art initiatives funds them and most importantly establishes the philosophy behind them Is the efficacy of these initiatives evaluated in the same way as other museum exhibitions and programs Can public art ever be a permanent feature in any museum And finally are the museum and public art ultimately at odds or able to mutually benefit one another      **Creative Community** Don Adams, Arlene Goldbard, 2005 A text only edition this work is a complete guide to community cultural development theory and practice
