New Directions In New Testament Study:

New Directions in New Testament Study Patrick Henry, 1979 Norman Perrin's Interpretation of the New Testament Calvin R. Mercer, 1986 **Historical Handbook of Major Biblical Interpreters** Donald K. McKim, 1998 Contributors from both historical and biblical studies profile the methods perspectives and seminal works of major biblical interpreters from the second century to the late twentieth century Includes introductory essays for each period and bibliographies of each interpreter Edited by Donald K McKim **Military Chaplains' Review** , 1981 *The New Testament Today* Mark Allan Powell, 1999-01-01 This volume offers the collective insight of eleven scholars who represent the spectrum of New Testament studies Their expert commentaries make this book an invaluable resource for both the seasoned researcher and the beginning student **Culture and Biblical Hermeneutics** William J. Larkin, 2003-08-05 No issue now occupies contemporary evangelicals more than the role of culture in biblical interpretation In *Culture and Biblical Hermeneutics* the author not only analyzes the current debate but also makes a significant contribution to it This volume grapples with what the author calls the challenge that historical and cultural relativism poses to the hermeneutical process when applied to the authoritative Scripture He accomplishes his goal admirably by exploring both the origin and the current state of biblical hermeneutics and by developing a biblical theology of hermeneutics and culture Psychological Hermeneutics for Biblical Themes and Texts J. Harold Ellens, 2012-05-03 For centuries scholars have been developing ways of studying the bible through exegesis historical critique literary critique form criticism and narrative analysis During the last half century new theoretical approaches have come to the fore Psychological Hermeneutics takes as its starting point the text itself and its context the dynamics of the human document created the person s who authored the text the original audience for which it was intended the subsequent audiences to which it spoke and the factors that were at play behind in and in front of the text The contributions to this volume examine the growth of Psychological Hermeneutics as a discipline within biblical studies The book is structured in two parts The first assesses the approach taken by Wayne G Rollins one of the pioneers of this field The second provides applications of Rollins approach The result is a book which presents a state of the art survey of the discipline and development of Psychological Hermeneutics over the last thirty years *The Concept of Biblical Theology* James Barr, 2009-12-01 A major overview and provocative analysis from a premier Old Testament scholar **Jesus in an Age of Controversy** Doug Groothuis, 2002-01-22 Who is this man Jesus An ordinary man about whom the early Christians made up extraordinary stories A spiritual guru or master who tapped into a cosmic consciousness that we can all aspire to Or is he the unique Son of God Best selling books challenge us to rethink our ideas about Jesus The Jesus Seminar makes headlines with its systematic attempts to undermine the accuracy of the Gospel accounts New Age teachings about Jesus have found their way into many pulpits In response to this confusion *Jesus in an Age of Controversy* provides a straightforward easy to understand study of the questionable foundations and faulty conclusions of these new views This

important book provides the historical and logical evidence that confirms biblical teachings about Jesus It will enable you to defend your faith against attack help those struggling with questions and doubts and encourage you with the overwhelming weight of evidence that confirms that Jesus is the only Savior and Lord **Evangelical Dictionary of Theology (Baker Reference Library)** Walter A. Dungan, 2009-03-01 Twenty internationally known scholars honor the distinguished teaching research and publishing career of Prof David Laird Dungan **The Testimony of the Fourth Evangelist to the Johannine Community** Armand J. "Joe" Gagne, Jr., Armand J. Gagne, 2004 The Fourth Gospel has mostly been observed as a Spiritual Commentary that has little factual history within its pages Dr Gagne seeks to observe this gospel as an authentic account of Jesus as seen through the eyes of an early disciple that was driven from Jerusalem shortly after the death of Stephen in Acts 8:1 This beloved disciple uses only a few incidents from the life of Christ teachings that may be grouped together and the passion narrative as a testimony of their claim as His followers The role of the temple incident and Christ's crucifixion become the center of their claim and can be seen in Peter's message at Pentecost the message of Stephen Phillip and eventually Paul's convictions of the law and centrality of the meaning of the gospel as depicted in I Corinthians 15 The separation of the Johannine Community from both the Temple Adherents and James Jewish Christians are the decisive issues in what is now seen by scholars as the separation from the synagogue Gagne's observations are that the high Christological view of Paul and the Beloved Disciple link them with the Johannine Community and an early expression of faith prior to the 70's and destruction of the Jewish Temple A daring probe into the message of the Second Isaiah's Suffering Servant and the Fourth Gospel and Christ being lifted up Flashes of Grace Patrick Henry, 2021-02-02 I don't know how to say what the grace of God is What I can say is what it's like for me We all know about grace being amazing after all there's a whole song about it but Patrick Henry reminds us that that's not all it is It's also intimidating disorienting demanding reassuring and sometimes even just downright mind boggling Describing thirty three different

aspects of grace based on his everyday experiences Henry tells the story of a grace that is wide ranging and comprehensive if not always comprehensible Rather than trying to capture and tame his encounters with God he lets the mystery of memory speak for itself exemplifying his mantra that being a Christian is about being an explorer not a colonizer *Flashes of Grace* is wise and grounded earnest and light faithful and quirky Henry describes encountering grace in airports baseball hazelnuts and just about anywhere else you can imagine while engaging with dialogue partners ranging from King Saul and Saint Augustine to Yogi Berra and Captain Picard For anyone longing to connect or reconnect with God this book provides a surprising journey that broadens perspectives and explores strange new worlds while loosening stiff spiritual joints so movement can be free and spontaneous

Benedictine Options Patrick Henry, 2021-09-15 You want insights for living Look to people whose understandings have been practiced for fifteen hundred years Saint Benedict and Saint Scholastica his twin sister established a flexible pattern that has adopted adapted challenged and outlived myriad cultures Their sons and daughters today who devote their time and talents to the school for the Lord s service launched by the Rule of Benedict demonstrate a whole range of options that are accessible to anyone It is a mistake to think that forsaking the world is the Benedictine option Options plural are instead for the sake of the world

The Letters to Timothy and Titus Philip H. Towner, 2006-07-12 The most accessible most broadly pitched full length commentary on Timothy and Titus this NICNT volume explores Paul s three letters to Timothy and Titus within their historical religious and cultural settings In his introduction Towner sets out the rationale for his historical approach questions certain assumptions of recent critical scholarship and establishes the uniqueness and individuality of each letter Significantly Towner s work displays unprecedented interaction with four recent major commentaries on these Pauline letters Centered on an outstanding translation of the Greek text and including thorough footnotes bibliographical citations and indexes Towner s commentary on Timothy and Titus is sure to become a standard reference for busy pastors students and scholars

The Elders R. Alastair Campbell, 2004-12-07 Challenges the consensus view that the elders were holders of a definite office derived from a similar office in the synagogue

Handbook of Early Christianity Anthony J. Blasi, Jean Duhaime, Paul-André Turcotte, 2002-08-27 The Christian movement emerged amidst complex social tensions power politics ethnic diversity economic stress and cultural changes Both biblical scholars and social scientists find that a social scientific study of early Christian phenomena yields fascinating results However biblical scholars are sometimes unaware of the breadth of the useful social scientific concepts and techniques and social scientists sometimes lack the most basic background in literary research methods The Handbook of Early Christianity provides a much needed overview for biblical scholars and social scientists alike Drawing on perspectives from anthropology archaeology economics history literary analysis psychology political science and sociology the Handbook shows the myriad and complementary approaches that shed light on Christianity s formation and early development Twenty seven chapters from leading scholars along with a comprehensive bibliography make this an essential

reference for anyone wishing to understand the social dynamics of Christianity's birth *Make the Old Testament Live*
Richard S. Hess, Gordon J. Wenham, 1998 Written by educators from five continents this book offers fresh perspectives on
teaching the old Testament today and addresses problems of Curriculum context and communication **Acts I.** Howard
Marshall, 2014-06-18 Providing an accurate balanced and holistic picture of the church's monumental first years as told in the
book of Acts I Howard Marshall focuses on Luke's role as a historian literary artist and theologian as he tells of the fledgling
