### FOOD

**KITTENS:** feed kitten food, and follow instructions on the bag for correct amount. Leave a bowl full out for the kitten to eat throughout the day.

**ADULTS:** feed adult food, and follow the instructions on the bag for correct amount. Leave a bowl full of food for cat to eat throughout the day.

### WATER

Cats can get dehydrated easily, so provide a fresh bowl of water everyday.

### LITTERBOX

Keep the litter box clean by scooping out the poop daily. Keep it out of the reach of babies, young children, and other animals like dogs.

### SCRATCHING POST

If cats don't have a scratching post they might resort to your sofa! If you don't want to buy one, try using a cardboard box, and replace with a new one weekly.

Guillen, 2011-01-11 Cats are known to be very independent animals They are considered very private creatures They do not crave for continuous attention from their owners They can be left on their own for long periods of time and still remain happy They make ideal companions for those who have a very busy lifestyle and for those who do not wish for the regular upkeep of a high maintenance pet No matter how it likes to be alone most times though the cat is truly a very sensitive pet It can sense its owner's feelings and moods It can easily read its owner's personality and adapt itself to its owner's lifestyle Cats can be unfaithful pets in the sense that if it doesn't like its owner it can leave the owner's home and find a new home on its own if it is no longer happy in its present environment But if the cat likes its owner and is satisfied with the care it gets they can be very loyal very affectionate and very devoted life long companions Some cat owners say that as long as a cat is house trained properly and is fed its food at the proper time and does not go hungry it generally will keep to its own and mind its own business in its own space or area in the house However this does not mean that although a cat is low care that it does not require any care at all It will still depend on you for food for grooming for exercise for when it is sick and needs vet care and of course from time to time for that requisite TLC which every creature needs Caring for a cat can still take a bit of work As a pet cat owner you will need to fully understand your cat's needs so you can give it the best possible care This book will help you do just that *The Ultimate Cat Care Guide: Expert Tips for Happy and Healthy Cats* Samantha D.
