**Karen O'Connor**

## **New Hispanics The New Image For New Leaders:**

**New Hispanics** Edward Valdez, Kim Valdez, 1994      *Ethnic Ironies* Rodolfo O. de la Garza, Louis Desipio, 2018-02-12

*Ethnic Ironies* describes the role of Latino electorates in national and state level politics during the 1992 elections. The book examines Latino politics from the top down looking at the efforts of candidates and campaigns to speak to Latino concerns and to mobilize Latino voters and from the bottom up reviewing the efforts of Latinos to win electoral office and to influence electoral outcomes. Chronicling the campaigns and uncovering patterns of Latino influence, the core of the book consists of eight state level analyses by experts who have observed firsthand the states with the most sizable Latino electorates. An overview chapter synthesizes and integrates the findings of these case studies placing them in national perspective. *Ethnic Ironies* is the third in a series of studies on Latino electoral behavior published by Westview Press including *From Rhetoric to Reality Latino Politics in the 1988 Elections* and *Barrio Ballots Latino Politics in the 1990 Elections*. This latest study also serves as a companion volume to *Latino Voices Mexican Puerto Rican and Cuban Perspectives on American Politics and New Americans* by Choice. **Political Perspectives of Latino Immigrants**      Hispanic Engineer & IT, 1995 *Hispanic Engineer Information Technology* is a publication devoted to science and technology and to promoting opportunities in those fields for Hispanic Americans      Vista, 1995      Political Encyclopedia of U.S. States and Regions Donald P. Haider-Markel, Michael A. Card, 2009 Providing expert analysis of government and politics in all 50 states and the U S territories this innovative two volume reference fills the critical need for information and analysis of the roles and functions of state government through accessible state by state and regional overviews of government and politics      **Chicana Leadership** Yolanda Flores Niemann, 2002-01-01 *Chicana Leadership* The *Frontiers Reader* breaks the stereotypes of Mexican American women and shows how these women shape their lives and communities. This collection looks beyond the frequently held perception of Chicanas as passive and submissive and instead examines their roles as dynamic community leaders, activists, and scholars. *Chicana Leadership* features fifteen essays from the notable women's journal *Frontiers: A Journal of Women Studies* that demonstrate the strength and diversity of Chicanas as well as their continuing struggle to have their voices heard. Noted scholars discuss issues ranging from the feminist prototype La Malinche to Chicana writers and national ideology from gender and identity to ideas of culture and romance and from tokenism to the diversity within the Chicana community. The essays provide an introduction to an evolving understanding of this diverse community of women and how they interact among themselves with their community and with the world around them      Gender and Women's Leadership Karen O'Connor, 2010-08-18 This work within The SAGE Reference Series on Leadership provides undergraduate students with an authoritative reference resource on leadership issues specific to women and gender. Although covering historical and contemporary barriers to women's leadership and issues of gender bias and discrimination, this two volume set focuses as well on positive aspects and opportunities for leadership in various domains and is centered on the 101 most important topics.

issues questions and debates specific to women and gender Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry but lack the jargon detail and density of a journal article

**Key Features** Includes contributions from a variety of renowned experts Focuses on women and public leadership in the American context women s global leadership women as leaders in the business sector the nonprofit and social service sector religion academia public policy advocacy the media sports and the arts Addresses both the history of leadership within the realm of women and gender with examples from the lives of pivotal figures and the institutional settings and processes that lead to both opportunities and constraints unique to that realm Offers an approachable clear writing style directed at student researchers Features more depth than encyclopedia entries with most chapters ranging between 6 000 and 8 000 words while avoiding the jargon and density often found in journal articles or research handbooks Provides a list of further readings and references after each entry as well as a detailed index and an online version of the work to maximize accessibility for today s student audience

**Resources in Education** ,2001-10

**Constructing Social Research** Charles C. Ragin,Lisa M. Amoroso,2018-03-30 Constructing Social Research answers the question What is social science Updated throughout with new references and examples the Third Edition of this innovative text by Charles C Ragin and Lisa M Amoroso shows the unity within the diversity of activities called social research to help students understand how all social researchers construct representations of social life using theories systematic data collection and careful examination of that data

**Culture Wars** Roger Chapman,2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today

*Latinos in a Changing Society* Edwin Meléndez,Martha Montero-Sieburth,2007-02-28 Given the importance of Latino issues in the current social and economic times the publication of *Latinos in a Changing Society* is both timely and prescient in its contributions to the current discourse of how Latinos are being influenced by U S norms and culture and how Latinos are also affecting U S society This volume contributes to our need for comprehensive analysis of how Latin communities compare and contrast with other underserved groups It also examines how changes are taking place within specific Latino groups particularly between first and second generation Cubans returning Puerto Ricans Dominican poverty and emergent Mexican leaders in the New England area The opportunities that Latinos and dominant mainstream interests share are identified in this volume but so are the many areas in need of change In this current atmosphere of anger and suspicion toward immigrants this volume presents an analytical

perspective that is too often absent from politically motivated debates about Latinos and their role in a changing society Undocumented immigrants are often portrayed as people who come to this country to take advantage of a generous welfare system contributing little to the economic and social development of the country This volume critically examines issues such as the Latino commitment to labor participation the ways that Latino parents engage in schools and in their communities health access and social programs the policing concerns within the Latino community the academic adjustments made by Latino college students as well as the educational opportunities that exist for Latinos across the country Unlike publications that seek to summarize knowledge about the Latino population in the United States *Latinos in a Changing Society* provides a broader range of insights into the types of policy analysis research and public consciousness needed to advance the educational social cultural and political participation and incorporation of Latinos in the new century This volume critically examines such issues as the disparity in poverty among Latino groups the lack of access to health services the Latino commitment to labor participation the ways that Latino parents engage in schools and in their communities and the educational dropout rates of Latinos across the country and the underlying causes of those rates Unlike publications that seek to summarize knowledge about the Latino population in the United States *Latinos in a Changing Society* provides a broader range of insights into the types of policy analysis research and public consciousness needed to advance the educational social cultural and political participation and incorporation of Latinos in the new century *Transforming the Parish* Thomas P. Sweetser, Patricia M. Forster, 2011-07-19 *Transforming the Parish* Models for the Future is the result of twenty years of work with parishes across the United States through the Parish Evaluation Project It offers models for the future in the areas of spirituality small faith communities liturgy faith development volunteers and freeing structures It provides ideas and suggestions about what parish life could be while at the same time paying close attention to what is *Transforming the Parish* is a practical guide for pastors staffs parish leaders pastoral ministers diocesan personnel and those studying the future of parish life and operation Parish Evaluation Project is a resource to Catholic parishes dioceses religious communities and pastoral ministries throughout the United States In March of 1993 it celebrated twenty years of service It is based in Des Plaines Illinois a suburb of Chicago and is listed in the Official Catholic Directory as an organization affiliated with the United States Catholic Conference *Literature by Latinas and Latinos of the United States of America* ,1997

**Leaders from the 1960s** David De Leon, 1994-06-22 The throngs at Woodstock Jane Fonda in Hanoi I Have a Dream burning draft cards fire in the streets these images of the 1960s are still very much alive today What happened to the people and principles that dominated that decade Which leaders from those turbulent years had the most lasting effect on our lives today How well have the principles for which those leaders fought so strongly withstood the test of time This thought provoking biographical dictionary allows the reader to study the leaders both conservative and liberal their ideals and their enduring influence With major sections on racial democracy peace and freedom sexuality and gender the environment radical

culture and visions of alternative societies Leaders from the 1960s includes entries on a wide selection of nationally prominent activists of the 1960s In addition to those who dominated only the sixties the volume includes earlier activists who came into prominence in the 1960s and activists of the era who came into prominence since the 1960s Each entry provides a biographical sketch but the focus of the entries is on the person s basic concepts or the essence of his or her work and the public response it generated Included are extensive bibliographies on the individuals and the period

**Mutuality Matters** Herbert Anderson,Edward Foley,2004 Previous principles of hierarchy inequality and duty that defined the relationships between husband wife and children have been challenged and often replaced by more fluid bonds of equality intimacy emotional self disclosure communication and mutual trust The key question that has emerged for our times then is how exactly do families sustain genuine mutuality democracy and strong relationships Figuring out good answers to this question is the major theme of this book and the origin of the title **Mutuality Matters**

**Congressional Record Index** ,1991 Includes history of bills and resolutions

**Working Women Count!** United States. Women's Bureau,1994

*Hispanic Engineer & IT* ,1994 Hispanic Engineer Information Technology is a publication devoted to science and technology and to promoting opportunities in those fields for Hispanic Americans

**The Neo-Indians** Jacques Galinier,Antoinette Molinié,2013-10-28 The Neo Indians is a rich ethnographic study of the emergence of the neo Indian movement a new form of Indian identity based on largely reinvented pre colonial cultures and comprising a diverse group of people attempting to re create purified pre colonial indigenous beliefs and ritual practices without the contaminating influences of modern society There is no full time neo Indian Both indigenous and non indigenous practitioners assume Indian identities only when deemed spiritually significant In their daily lives they are average members of modern society dressing in Western clothing working at middle class jobs and retaining their traditional religious identities As a result of this part time status the neo Indians are often overlooked as a subject of study making this book the first anthropological analysis of the movement Galinier and Molini present and analyze four decades of ethnographic research focusing on Mexico and Peru the two major areas of the movement s genesis They examine the use of public space describe the neo Indian ceremonies provide analysis of the ceremonies symbolism and explore the close relationship between the neo Indian religion and tourism The Neo Indians will be of great interest to ethnographers anthropologists and scholars of Latin American history religion and cultural studies

*Routledge Handbook of Chicana/o Studies* Francisco A. Lomeli,Denise A. Segura,Elyette Benjamin-Labarthe,2018-08-06 The Routledge Handbook of Chicana o Studies is a unique interdisciplinary resource for students libraries and researchers interested in the largest and most rapidly growing racial ethnic community in the United States and elsewhere which can either be identified as Chicano Latino Hispanic or Mexican American Structured around seven comprehensive themes the volume is for students of American studies the Social Sciences and the Humanities The volume is organized around seven critical domains in Chicana o Studies Chicana o History and Social Movements Borderlands Global Migrations Employment

and Citizenship Cultural Production in Global and Local Settings Chicana o Identities Schooling Language and Literacy Violence Resistance and Empowerment International Perspectives The Handbook will stress the importance of the historical origins of the Chicana o Studies field Starting from myth of origins Aztl n alleged cradle of the Chicana o people lately substantiated by the findings of archaeology and anthropology over Spanish Indigenous relations until the present time Essays will explore cultural and linguistic hybridism and showcase artistic practices visual arts music and dance through popular folklore or high culture achievements museums installations highlighting the growth of a critical perspective grounded on key theoretical formulations including borderlands theories intersectionalities critical race theory and cultural analysis
