New Knowledge Management Complexity Learning And Sustainable Innovation:

The New Knowledge Management Mark W. McElroy, 2010-02-17 The New Knowledge Management is the story of the birth of second generation knowledge management told from the perspective of one its chief architects Mark W McElroy Unlike its first generation cousin second generation Knowledge Management seeks to enhance knowledge production not just knowledge sharing As a result The New Knowledge Management expands the overall reach of knowledge management to include innovation management for the very first time The New Knowledge Management introduces the concept of second generation knowledge management to the business community Mark W McElroy has assembled a collection of his own essays written over the past four years chronicling the development of related thinking in the field Unlike first generation KM mainly focusing on value derived from knowledge sharing second generation thinking formally adds knowledge making to the scope of KM In this way second generation KM expands the overall reach of KM to include innovation management for the very first time The New Knowledge Management finally begins to bridge the gap between KM and the field of organizational learning which up until now have been viewed as miles apart

The New Knowledge Management Mark W.
