Paul Faber Surgeon George Macdonald Original Works:

Paul Faber, Surgeon George MacDonald, 2016-08-01 George MacDonald 10 December 1824 18 September 1905 was a Scottish author poet and Christian minister He was a pioneering figure in the field of fantasy literature and the mentor of fellow writer Lewis Carroll His writings have been cited as a major literary influence by many notable authors including W H Auden C S Lewis J R R Tolkien Walter de la Mare E Nesbit and Madeleine L Engle C S Lewis wrote that he regarded MacDonald as his master Picking up a copy of Phantastes one day at a train station bookstall I began to read A few hours later said Lewis I knew that I had crossed a great frontier G K Chesterton cited The Princess and the Goblin as a book that had made a difference to my whole existence Elizabeth Yates wrote of Sir Gibbie It moved me the way books did when as a child the great gates of literature began to open and first encounters with noble thoughts and utterances were unspeakably thrilling Even Mark Twain who initially disliked MacDonald became friends with him and there is some evidence that Twain was influenced by MacDonald Christian author Oswald Chambers 1874 1917 wrote in Christian Disciplines vol 1 pub 1934 that it is a striking indication of the trend and shallowness of the modern reading public that George MacDonald's books have been so neglected In addition to his fairy tales MacDonald wrote several works on Christian apologetics including several that defended his view of Christian Universalism George MacDonald was born on 10 December 1824 at Huntly Aberdeenshire Scotland His father a farmer was one of the MacDonalds of Glen Coe and a direct descendant of one of the families that suffered in the massacre of 1692 The Doric dialect of the Aberdeenshire area appears in the dialogue of some of his non fantasy novels MacDonald grew up in the Congregational Church with an atmosphere of Calvinism But MacDonald never felt comfortable with some aspects of Calvinist doctrine indeed legend has it that when the doctrine of predestination was first explained to him he burst into tears although assured that he was one of the elect Later novels such as Robert Falconer and Lilith show a distaste for the idea that God's electing love is limited to some and denied to others MacDonald graduated from the University of Aberdeen and then went to London studying at Highbury College for the Congregational ministry Paul Faber, Surgeon George MacDonald, 1879 Originally published in 1878 Paul Faber Surgeon is the second in MacDonald's classic Wingfold Trilogy Wingfold at last a curate of solid faith which he has made real through a rigorous search for truth encounters atheist Paul Faber Both men's stories are journeys of faith although Faber experiences no religious conversion As MacDonald says of him in the end He was growing and that is all we can require of any man *Paul Faber, Surgeon George Macdonald* George MacDonald, 2018-02-12 The rector sat on the box of his carriage driving his horses toward his church the grand old abbey church of Glaston His wife was inside and an old woman he had stopped on the road to take her up sat with her basket on the foot board behind His coachman sat beside him he never took the reins when his master was there Mr Bevis drove like a gentleman in an easy informal yet thoroughly business like way His horses were black large well bred and well fed but neither young nor showy and the harness was just the least bit shabby Indeed the

entire turnout including his own hat and the coachman s offered the beholder that aspect of indifference to show which by the suggestion of a nodding acquaintance with poverty gave it the right clerical air of being not of this world Mrs Bevis had her basket on the seat before her containing beneath an upper stratum of flowers some of the first rhubarb of the season and a pound or two of fresh butter for a poor relation in the town **Paul Faber, Surgeon** George MacDonald,2018-07-22

Second in the Wingfold Trilogy following Thomas Wingfold Curate from one of the greatest writers of Victorian era Scotland A country doctor in the fictional city of Glaston atheist Paul Faber encountering spiritually invigorated minister Wingfold finds himself unexpectedly drawn into his own unwelcome quest for truth Now it is Wingfold assisted by Polwarth sharing his newfound faith with both Paul Faber and Juliet Meredith whose past secrets draw them together yet also threaten to tear them apart Michael Phillips comments Of MacDonald s unique characters one stands alone Paul Faber the surgeon of fictional Glaston He is the only skeptic unbeliever and atheist to take the spotlight as a featured title character The relationship between Thomas Wingfold

the curate and his atheist friend gives us a vivid picture of George MacDonald's perspective on how the life of Christ is most effectively communicated into an unbelieving world. It is conveyed by the way Christians live. — *Paul Faber, Surgeon* George MacDonald, 2016-05-12. In *Thomas Wingfold Curate and Paul Faber Surgeon* along with the lesser-known *There and Back* George MacDonald explores the profound struggles of faith, vocation, and moral integrity amid Victorian society's complexities. MacDonald's narrative style is characterized by its rich allegorical layers and strong character development, presenting complex emotional landscapes filled with philosophical musings. The intertwining of personal faith journeys with societal expectations not only engages readers but also stimulates reflection on the nature of redemption and duty. This literary work exemplifies MacDonald's commitment to addressing moral dilemmas, leaving a lasting impact on the reader's perception of spirituality and ethics in everyday life. George MacDonald (1824-1905), a Scottish author and theologian, was a pioneer of modern fantasy literature and a formative influence on notable writers such as C. S. Lewis and J. R. R. Tolkien. His own experiences as a minister and his keen insights into the human condition are deftly woven into the narratives, reflecting

his deep concerns for the spiritual well being of individuals during a time of rapid social change. Such personal and professional backgrounds fortify his exploration of the interconnectedness of faith and practice. I wholeheartedly recommend this collection to readers seeking a profound examination of the intersection between faith and profession. MacDonald's eloquent prose and deep philosophical insights invite readers to reflect on their own values and beliefs, making these stories not only a compelling read but also an enduring source of inspiration.

THOMAS WINGFOLD, CURATE + PAUL FABER, SURGEON + THERE AND BACK - The Complete Series: The Curate's Awakening, The Lady's Confession & The Baron's Apprenticeship George MacDonald, 2024-01-09. In *Thomas Wingfold Curate*, *Paul Faber Surgeon*, and *There and Back*, The Complete Series, George MacDonald presents a triad of interconnected narratives that deeply explore themes of faith, morality, and personal transformation. Employing a rich lyrical prose style that blends realism with spiritual allegory, MacDonald immerses readers in the lives of his protagonists. The narratives each unfold in a Victorian context, reflecting the social and religious upheavals of the era while delving into the complexities of human relationships and divine grace. The interwoven tales focus on pastoral duty, the struggles of faith, and the pursuit of redemption, inviting readers into an intimate exploration of character and ethical dilemmas. George MacDonald, a pivotal figure in the 19th-century Scottish literary scene, penned these stories during a time of personal and spiritual upheaval in his own life. Embracing his role as a minister and his literary vocation, MacDonald sought to articulate the tensions between duty, faith, and personal conscience, influenced by his own experiences in the church and his keen observations on Victorian society. His unique ability to synthesize fantasy with deeply philosophical questions offers a rich backdrop for these narratives. This complete series is a must-read for those interested in the intersection of literature and spirituality. MacDonald's profound insights into human nature and his compelling storytelling bring forth timeless questions that resonate with contemporary readers. Engaging with these texts equips one with a greater understanding of both the individual and collective spiritual journey, making it a significant addition to the library of any literature enthusiast.
