Prohibitions Second Failure The Quest For A Rational And Humane Drug Policy:

United States and International Drug Control, 1909-1997 David R. Bewley-Taylor, 2002-04-22 The United States and International Drug Control 1909 1997 charts the US quest to internationalize the doctrine of drug prohibition The study reveals the origins motivation and methodologies as well as the recurring contradictions and inconsistencies present within the US overseas fight against the production manufacture trafficking and use of certain psychoactive substances Drawing on extensive historical materials David Bewley Taylor uses the international career of America s first Drug Czar Harry J Anslinger to explore how the US successfully exploited hegemonic superiority in 1945 to influence the philosophy of the multilateral drug control system operated by the United Nations More than a purely historical study the book employs an interdisciplinary approach to understanding the development perpetuation and consequences of a US driven multilateral drug control system Examining the contemporary UN drug control framework the author argues that international legislation is largely ineffective This provocative book is the first study to provide a picture of US involvement in drug control from its inception to the present day Its wide ranging scope makes it of interest not only to scholars of diplomatic history US foreign Policy and international relations but also to anyone concerned by the universal growth of the illicit drug problem

Prohibition's Second Failure Theodore R. Vallance, 1993-04-30 Vallance gives a current picture of the American drug problem and the ideological base that maintains it The author analyzes economic and social costs of the drug problem including the costs incurred by the recent war on drugs Reporting the most recent economic cost data on the drug problem the book states criteria for evaluating the effectiveness of current U S drug policy and then discusses its successes and failures A search for alternatives and options leads to an analysis of values and desirable goals for a new policy orientation followed by a set of recommendations on how policy change might be wrought Appendices show reform oriented organizations summarize over a dozen commission reports on drug issues and list major current laws that guide official policy

Encyclopedia of Substance Abuse Prevention, Treatment, and Recovery Gary L. Fisher, Nancy A. Roget, 2009 This collection provides authoritative coverage of neurobiology of addiction models of addiction sociocultural perspectives on drug use family and community factors prevention theories and techniques professional issues the criminal justice system and substance abuse assessment and diagnosis and more

The Oxford Handbook of American Political History Paula Baker, Donald T. Critchlow, 2020 This collection of essays by twenty nine distinguished scholars provides readers with a complete overview of American politics and policy that can be found in any single volume These essays reveal that American politics historically is volatile not given easily to civility and polarizing at the same time they explore important political developments in addressing real issues confronting the nation and the world

The Unfinished Health Agenda Bob Grossmann, Jim Shon, 1994-01-01 Find out how Hawai i s health care system really works and why all of the national proposals may fall short of providing one hundred percent universal care
