Radiance Like Wind Or Water A:

Worship and the New Cosmology Catherine Vincie, 2014 What is the Christian response to developments in the hard sciences What do discoveries at the macro and micro levels have to say about Christian theology about a theology of God Christology pneumatology and creation How do the developments in systematic theology that do take the advances in cosmology and the New Sciences seriously come to bear on our worship life These are the questions that are addressed in this text It is an initial effort to bring cosmology and the New Sciences into dialogue with developments in systematic and sacramental theology This book also suggests some ways in which these developments might appear in our worship Overall the author is concerned to reduce the cognitive dissonance between our scientifically informed everyday lives and our life of faith

Radiant General Knowledge , *Paesi-kahāṇayam, Sanskrit* Willem B. Bollée, 2002 The story of the materialist prince Paesi is the only larger legend common to Jain and Buddhist Payasi in the Digha nikaya canonical literature and a rare sample of a lively dialogue Its subject the corporeality of the soul is denied by the Jains In contrast the Buddhists consider the I a facon de parler for practical reasons Modern brain research tends in favour of the Buddhist view of the ego as being impermanent and therefore an illusion created by the brain The problem in this dialogue of Paesi with a Jain monk which is set in the axial age of reflexion on and discussion of the soul 6th century BCE but in its present literary form dates some centuries later has therefore in two millennia not lost its actuality Differently from the Buddhist version the story of Paesi ends tragically after his conversion the prince is murdered by his wife The single arguments in the discussion show many ancient Indian realia birth ritual diseases etiquette ethnic list of female servants execution of thieves regicide 72 professions similes etc which have been commented upon in the notes

Radiant Geography , *The Gas Record* , 1920 **Air, Earth, Fire, and Water** David Elliott, 2025-07-17 We celebrate distinctive attributes of Creation its orderly structure measurable processes using an elementary analysis of the precision of Earth s systems Scriptural principle and scientific knowledge are compared at an uncomplicated level to guide the learner to greater knowledge of the Creator The character of God is seen in the Air the heavens and atmosphere the Earth the geosphere Fire energy and Water the hydrosphere A fifth element Ether proclaims the grace of nature evidence of God s providence and Earth s resilience The five elements borrowed from Greek philosophy track the divinely ordered Creation account These spheres work in tandem to collectively sustain life on Earth converging at the soil from which God made living beings the biosphere notably humans We survey these domains review man s connection and their interdependence and guide the reader to see that the visible Creation was placed before us to help us perceive the invisible Kingdom of God we call this the Romans 1 20 Principle His truth seen in its order and His grace seen in its providence and resilience make Creation a suitable home for us
