HELP! I Have A Brain Injury And It Feels Like I've Dropped Out of the Sky Kay Pratt, C.E.A.P., C.P.C.C., 2017-09-05 WHAT do you know about brain injury How does it happen How does it affect one s life What does it feel like How long does it take to recover from a Traumatic Brain Injury Will a survivor ever be the same again WHAT are your beliefs about the future of someone who s sustained a Traumatic Brain Injury The answers to these questions are as broad and unique as the individual s who have sustained brain injuries In my own experience as a TBI survivor I have come to understand that the degree to which we recover can be measured not only by our physical reality but by our personal and caregiver s belief systems after all if we are cognitively and physically able what we believe shapes our every outcome Kay Pratt In this Book TBI survivors share the answers to these questions and more through the voice of their experience It is with sincere hope that by doing so your understanding and beliefs about brain injured individuals will be broadened and your perspectives enlightened **The Journal of Transpersonal Psychology**, 2003 **Excursions to the Far Side of the Mind** Howard Rheingold, 2012-04-21 Renowned for exploring the social implications of modern technology Howard

Rheingold has been dubbed by MIT the first citizen of the Internet In this collection of funny prescient thought provoking essays originally published during the 1970s and 1980s he offers a glimpse into the changes wrought during that explosive period From the effects of the graphic user interface GUI not only on how we work but how we think to technarchist movements that presaged both the hacker mentality and the anarchist idealism of Burning Man today to a ground floor view of the very earliest of what Rheingold was the first to dub virtual communities his Excursions run the gamut from the silly to the profound These essays remain fascinating amusing and relevant Most of my work in recent decades Rheingold says has focused on the consequences of digital media and networked publics Before the digital wave came along I wrote about a more diverse range of subjects What causes anger What s it like to be in a car crash What s insect sex like Do invisible airborne chemicals affect behavior Can we control our dreams How will people get high in the future Will money evolve into new forms In the second decade of the twenty first century these short pieces re present my explorations during my think about anything years to a wider public who may be familiar with my work on digital culture
