Radical Tradition Revolutionary Saints In The Battle For Justice And Human Rights:

The Radical Tradition Gilbert Márkus,1993 Here is a popular look at the lives of 16 saints some famous Thomas More Teresa of Avila and others largely unknown Roque Gonzalez Canaire of Inis Cathaig stories filled with a devotion to personal liberty that has been the hallmark of the human rights campaigns of the past few decades 16 line drawings **Sanctity in the North** Thomas DuBois,2008-02-23 With original translations of primary texts and articles by leading researchers in the field Sanctity in the North gives an introduction to the literary production associated with the cult of the saints in medieval Scandinavia For more than five hundred years Nordic clerics and laity venerated a host of saints through liturgical celebrations written manuscripts visual arts and oral traditions Textual evidence of this widespread and important aspect of medieval spirituality abounds Written biographies or vitae compendia of witnessed miracles mass propers homilies sagas and chronicles dramatic scripts hymns and ballads are among the region s surviving medieval manuscripts and early published books Sanctity in the North features English translations of texts from Latin or vernacular Nordic languages in many cases for the first time The accompanying essays concerning the texts saints cults and history of the period complement the translations and reflect the contributors own disciplinary groundings in folklore philology medieval and religious studies

Holy People of the World Phyllis G. Jestice,2004-12-15 A cross cultural encyclopedia of the most significant holy people in history examining why people in a wide range of religious traditions throughout the world have been regarded as divinely inspired The first reference on the subject to span all the world s major religions Holy People of the World A Cross Cultural Encyclopedia examines the impact of individuals who through personal charisma and inspirational deeds served both as glorious examples of human potential and as envoys for the divine Holy People of the World contains nearly 1 100 biographical sketches of venerated men and women Written by religious studies experts and historians each article focuses on the basic question How did this person come to be regarded as holy In addition the encyclopedia features 20 survey articles on views of holy people in the major religious traditions such as Islam Buddhism and African religions as well as 64 comparative articles on aspects of holiness and veneration across cultures such as awakening and conversion experiences heredity gender asceticism and persecution Whether exploring by religion culture or historic period this extensively cross referenced resource offers a wealth of insights into one of the most revealing and least explored common denominators of spiritual traditions The Rise of the Medieval World 500-1300 Jana K. Schulman,2002-05-30 Beginning in 500 with the fusion of classical Christian and Germanic cultures and ending in 1300 with a Europe united by a desire for growth knowledge and change this volume provides basic information on the significant cultural figures of the Middle Ages It includes over 400 people whose contributions in literature religion philosophy education or politics influenced the development and culture of the Medieval world While focusing on Western European figures the book does not neglect those from Byzantium Baghdad and the Arab world who also contributed to the politics religion and culture of Western Europe

Europe underwent fundamental changes during the Middle Ages It changed from a preliterate to a literate society Cities became a vital part of the economy culture and social structure The poor and serfs went to the cities The devout joined monastic orders Christianity spread throughout Europe while a man was born in Mecca who would change the shape of the religious map Islam spread throughout the Holy Land Christian piety led to the Crusades This book provides a convenient guide to those who helped shape these movements and counter movements during this era that would pave the way for the Renaissance

Early Christianity in South-West Britain Elizabeth Rees,2020-03-30 This book offers a new assessment of early Christianity in south west Britain from the fourth to the tenth centuries a rich period which includes the transition from Roman to native British to Saxon models of church The book will be based on evidence from archaeological excavations early texts and recent critical scholarship and cover Wessex Devon and Cornwall In the south west Wessex provides the greatest evidence of Roman Christianity The fifth century Dorset villas of Frampton and Hinton St Mary with their complex baptistery mosaics indicate the presence of sophisticated Christian house churches The fact that these two Roman villas are only 15 miles apart suggests a network of small Christian communities in this region The author uses evidence from St Patrick s fifth century Confessions to describe how members of a villa house church lived Wessex was slowly Christianised in Gloucestershire the pagan healing sanctuary at Chedworth provides evidence of later use as a Christian baptistery at Bradford on Avon in Wiltshire a baptistery was dug into the mosaic floor of an imposing villa which may by then have been owned by a bishop In Somerset a number of recently excavated sites demonstrate the transition from a pagan temple to a Christian church Beside the pagan temple at Lamyatt later female burials suggest unusually a small monastic group of women Wells cathedral grew beside the site of a Roman villa s funeral chapel In Street a large oval enclosure indicates the probable site of a Celtic monastery Early Christian cemeteries have been excavated at Shepton Mallet and elsewhere Lundy Island off the Devon coast provides evidence of a Celtic monastery with its inscribed stones that commemorate early monks At Exeter a Saxon anthology includes numerous riddles one of which describes in detail the production of an illuminated manuscript in a south western monastery Oliver Padel s meticulous documentation of Cornish place names has demonstrated that of all the Celtic regions Cornwall has by far the highest number of dedications to a single otherwise unknown individual typically consisting of a small church and a farm by the sea These small monastic cells have hitherto received little attention as a model of church in early British Christianity and the latter part of the text focuses on various aspects of this model as lived out in coastal and in upland settlements on islands and in relation to larger Breton monasteries Study of 60 Breton sites has demonstrated possible connections between larger Breton monasteries and smaller Cornish cells

Freedom and Authority in Religions and Religious Education Brian Gates,2016-10-06 This fascinating collection of essays examines religious experience and tradition The first part focuses on the nature and sources of authority in each of six major religions and considers how freedom is perceived by them It goes on to examine the religious contexts of two examples of nations

divided within themselves Northern Ireland and Israel The second part of the book looks at the process of education the tensions between freedom and authority and their implications for religious education **Vincentian Heritage** ,2001

Ascend Eric Stoltz,Vince Tomkovicz,2009 This book is a contemporary scripture rich and visual exploration of the Catholic faith for young adults There are chapter profiles on Christian role models from both ancient and modern times and discussions of contemporary events from a Christian perspective Adapted from back cover Saintly Companions Vincent J. O'Malley,1995 A compendium of saints companions whose supportive relationships led to sanctity **A Tremor of Bliss** Paul Elie,1994 In these essays the saints appear as paradoxes like T S Eliot s St Thomas Becket they have felt a tremor of bliss but they must fight all too mortal battles with despair social indifference and hardness of heart
