Radical Intercourse:

Radical Intercourse Joseph H. Goodbread, 1997 Between the participants in any relationship there exists a kind of enescapable communion whereby they create dream up parts of one another s worlds of experience out of each other s dreams Rather than viewing this as a liability it is a powerful learning too offering practical strategies for making even the most difficult or unpleasant interaction a source of growth and new understanding **Sex Radical Cinema** Carol Siegel, 2015-11-18 In this provocative study of cinematic and televisual representations of sex radicalism Carol Siegel explores how representations of sexually explicit content on film have shaped American cultural visions of sex and sexual politics in the 21st century Siegel distinguishes between a liberal approach to visual representations which has over emphasized normative equal opportunity while undervaluing our distinctive erotic selves and a radical approach to visual representation which portrays forbidden sexualities and desires She illustrates how visual media participates in and even drives political policies related to pedophilia prostitution interracial relationships and war By examining such popular film and television shows as Mystic River The Wire Fifty Shades of Grey Batman Returns and the HBO hits Sex and the City and Girls Siegel takes the discussion of radical sex in the movies out of the margins of political discussions and puts it in the center where she argues it has belonged all along Sex Radicals and the Quest for Women's Equality Joanne Ellen

Passet, 2003 Passet shows that the majority of correspondents who participated in the sex radical movement resided in the Midwest and the Great Plains states where ideas of individual freedom and sovereignty resonated particularly strongly

Radical Sex Between Men Dave Holmes, Stuart Murray, Thomas Foth, 2017-08-29 Bringing together theory and public health practice this interdisciplinary collection analyses three forms of nonconventional or radical sexualities bareback sex BDSM practices and public sex Drawing together the latest empirical research from Brazil Canada Spain and the USA it mobilizes queer theory and poststructuralism engaging the work of theorists such as Bataille Butler Deleuze and Guattari and Foucault among others While the collection contributes to current research in gender and sexuality studies it does so distinctly in the context of empirical investigations and discourses on critical public health Radical Sex Between Men Assembling Desiring Machines will be of interest to advanced undergraduate students postgraduate students and researchers in gender and sexuality studies sexology social work anthropology and sociology as well as practitioners in nursing medicine allied health professions and psychology *The Sex Radicals* Hal D. Sears, 2021-10-29 This volume provides the first account of the pioneering efforts at sex reform in America from the Gilded Age to the Progressive era Despite the atmosphere of extreme prudery and the existence of the Comstock laws after the Civil War a group of radicals emerged to attack conventional beliefs about sex from traditional marriage to women s chattel status in society These men and women had in common a direct unrespectable iconoclastic style They put forth outrageous journalism and had a penchant for martyrdom and for using the courts to publicize their ideologies From rare and generally unknown sources Hal

D Sears pieced together the story of the sex radicals and their surprising ideas Moses Harman a minister turned abolitionist and freethinker is a central figure in the narrative His *Lucifer the Light Bearer* the only journal of sexual liberty published from the early 1880s to 1907 was dedicated to free love sex education women's rights and related causes To a great degree Harman's publication defines the limits of social dissent in the late nineteenth century Other members of the sex radical circle included E B Foote a medical doctor who made a fortune with a home medical book crammed with sex information Edwin Walker and Lillian Harman who became a cause célèbre among radicals when their jailhouse honeymoon in Kansas challenged the right of the state to regulate marriage Elmina Slenker who promoted a theory of sexual energy sublimation and the idea that women were the superior sex and Lois Waisbrooker Dora Forster Lillie White and other feminists who almost a century ago taught and preached the very ideas we hear today in the women's movement Of course all these people got into trouble with the law mostly through the machinations of their archvillain Anthony Comstock Sears examines Comstock's powers of postal censorship and describes Comstock's personal vendettas against sexual dissenters particularly the free love philosopher Ezra Heywood He gives a legal history of obscenity and explains the sex radicals significance in the emergence of obscenity law Although the sex radicals attest the important reform vitality of provincial culture in late nineteenth century America until now they have been almost ignored by historians Those who have studied sex radicalism at all apart from its communitarian and sectarian aspects have viewed it merely as a subsidiary of the more respectable feminist movement In this book Sears gives careful consideration to the links between sex radicalism and spiritualism feminism anticlericalism anarchism and the free thought movement He presents sex radicalism as a separate and unique movement which illuminates new reaches of the Victorian landscape and establishes a tradition for present day liberation trends

Politics and Sex Edna Keeble, 2016-05-02 Starting with the feminist insight that the personal is political this engaging text underscores the centrality of gender and sexuality to the discipline of political science and encourages inquiry into the gendered dynamics at work in contemporary politics *Politics and Sex* problematizes the public private distinction arguing that the way power is exercised over female sexuality and reproduction results in the restriction of women's public roles allowing gender inequality to persist in many areas With topics as diverse as body politics the veiling of women female genital mutilation rape and sexual violence pornography and prostitution and trafficking the text explores significant cases in the contemporary context and ultimately repositions the private as a site of power Edna Keeble takes a much needed feminist liberal perspective through which readers can engage with questions of gender culture public policy and human rights Each chapter is rich with pedagogical features including lists of recommended films video clips websites and additional readings Interdisciplinary in nature this text is a welcome resource for students and scholars interested in exploring topics in gender and sexuality not commonly covered in political science courses
