

Rafe

A MEMOIR
By Rafe Mair

Rafe A Memoir

George Taylor

Rafe A Memoir:

Rafe Rafe Mair, 2004 For much of the legendary BC politician cum hotliner's career calling him a socialist would have risked a scorching riposte if not a punch in the nose but in his latest book that is the label he gives himself Has the old warrior gone over to the other side Well not exactly Rafe Mair has dominated the British Columbia airwaves for years pulling in more listeners than any other radio personality in the province Hundreds of thousands of people regularly tune in for his blend of unbridled opinion and unyielding interrogation garnering him the reputation of being one of Canada's most respected and feared radio talk show hosts But Rafe Mair is much more than a radio broadcaster A lawyer politician and environmental crusader Mair seems to have been made for the spotlight and he thrives amid a storm of controversy I was born that way I guess he says a contrarian all my life From childhood on I never liked being told what to do and challenged authority at every turn In this intimate and intriguing memoir Mair uncovers behind the scenes exploits during his 15 years practising law in Vancouver and Kamloops his five eventful years in Bill Bennett's provincial government and his nearly 25 years as a radio broadcaster He reveals his thoughts on everything from fish farms government and current Prime Minister Paul Martin to his departure from CKNW his personal relationships and struggles with depression Rafe A Memoir is a portrait of Rafe Mair as never seen before a reflective look at one of BC's most contentious figures **Bill Bennett** Bob

Plecas, 2009-12-01 Bill Bennett is an eyewitness account of B C premier W R Bill Bennett's eleven years in power from 1975 to 1986 Never seen as a populist or a great communicator Bennett nevertheless won three elections in a row a feat surpassed only by his father W A C Bennett who won six The younger Bennett also twice captured the highest percentage of the popular vote of any premier since the Second World War Among his very significant and undervalued achievements Bennett dramatically changed the way British Columbia is governed and the way in which it came to be perceived on the world stage chaired Canada's provincial premiers during the repatriation of the constitution built the Coquihalla highway created the Whistler ski resort and brought the Port of Prince Rupert Sky Train and BC Place Stadium to the province **9 1/2 Years**

Behind the Green Door, A Memoir Simone Corday, 2024-07-05 It's the 80's just before the advent of AIDS and we are behind the scenes at the entrancing Mitchell Brothers O Farrell Theater which gonzo journalist Hunter S Thompson has declared to be the Carnegie Hall of public sex in America The theater and its steamy live shows are a countercultural venue for celebrities in entertainment and sports and for San Francisco politicians and journalists They are drawn by the beautiful strippers and the backroom hospitality of their outrageous porn king hosts Artie and Jim Mitchell who directed the groundbreaking porn film Behind the Green Door starring Marilyn Chambers Simone Corday who danced at the O Farrell and was a girlfriend of the late Artie Mitchell for nearly a decade shares her unique story and her insights She is the only woman insider to write about this insular but captivating world during this period when she was close to the impulsive Mitchells and a friend of the O Farrell's honorary Night Manager Hunter Thompson Corday's unusual background of having

an MA in English along with her honesty irreverent sense of humor and keen focus as an observer make this a delicious expose Corday gives vivid accounts of three Mitchell Brothers films she took part in They include the disastrous Behind the Green Door the Sequel a grandiose safe sex epic with characters from Greek mythology and their documentary on Hunter Thompson titled The Crazy Never Die She shares memories of her unconventional passionate relationship with Party Artie Mitchell His affectionate personal and domestic side along with his love for his children are remembered fondly His taste for cocaine and advancing alcoholism that led him to disappear on binges with a succession of young dancers is also recaptured as well as his volatile temper his impish sense of fun and his charismatic macho persona Corday sheds light on Jim Mitchell s motives for shooting Art to death and on the murder trial that follows She reflects on her experience in the sex industry and on her relationship with a notorious club owner From the fun she had performing in the O Farrell s spotlight as the theater s nemesis then San Francisco Mayor Dianne Feinstein to her heartbreak visiting Artie s grave a few short years later this is a sensational ride *Canadian Books in Print. Author and Title Index* ,1975 **Willard Memoir** Joseph Willard,1913 Simon Willard 1604 1676 the elder son of Richard Willard was baptized April 1605 in Horsmonden Kent County England Simon immigrated in 1634 from England to Cambridge and in 1635 moved to Concord Massachusetts He married three times once in England and was father of nine sons Descendants and related families lived in New England New York New Jersey Pennsylvania Kentucky Ohio Michigan Illinois and elsewhere in the United States Others moved to Quebec Nova Scotia and elsewhere in Canada The West Beyond the West Jean Barman,2017-06-22 British Columbia is regularly described in superlatives both positive and negative most spectacular scenery strangest politics greatest environmental sensitivity richest Aboriginal cultures most aggressive resource exploitation closest ties to Asia Jean Barman s The West beyond the West presents the history of the province in all its diversity and apparent contradictions This critically acclaimed work is the premiere book on British Columbian history with a narrative beginning at the point of contact between Native peoples and Europeans and continuing into the twenty first century Barman tells the story by focusing not only on the history made by leaders in government but also on the roles of women immigrants and Aboriginal peoples in the development of the province She incorporates new perspectives and expands discussions on important topics such as the province s relationship to Canada as a nation its involvement in the two world wars the perspectives of non mainstream British Columbians and its participation in recreation and sports including Olympics First published in 1991 and revised in 1996 this third edition of The West beyond the West has been supplemented by statistical tables incorporating the 2001 census two more extensive illustration sections portraying British Columbia s history in images and other new material bringing the book up to date Barman s deft scholarship is readily apparent and the book demands to be on the shelf of anyone with an interest in British Columbian or Canadian history *A Normal Life* Kim Rich,2018-04-03 After an unconventional childhood that ended in the tragic death of her mother and the murder of her Alaskan mobster father Kim Rich was left on her own at the young age of

fifteen to fend for herself Ever since then she began a nearly lifelong pursuit in chasing what most others had a normal life Rich tugs at your heartstrings as you follow her journey toward normalcy from her teen years freshly orphaned through her high school years spent couch surfing at local families homes then through her college years a failed first marriage and a rising career as a journalist Through frank and down to earth storytelling Rich also tells of her grandfather s kidnapping a frightening health crisis and a six year attempt to have children Picking up right where her first memoir Johnny s Girl left off A Normal Life recounts the author s vivid story of being an ordinary girl faced with extraordinary circumstances at seemingly every turn in life with grace humility and wit A Memoir of Robert Surtees George Taylor,1852 Errata p 442 The Colonial Present Kerry Coast,2013-10-23 No treaties were made with indigenous nations residing in those territories where now there is a Canadian province called British Columbia Instead a breathtaking policy of criminalization assimilation and land rights and sovereignty extinguishment has been vigorously carried out against them Present day governments continue that approach now 150 years old in processes which have recently been re named and cosmetically improved but remain unconstitutional and are prohibited by the 1948 Genocide Convention which terms as genocide inter alia deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part Neither Britain nor Canada nor the settlers of British Columbia themselves have ever honourably addressed the peoples whose lands and resources form British Columbia The indigenous nations in what is now called British Columbia have never joined Canada but had citizenship imposed on them The province of BC has never fulfilled Canada s constitutional requirements of purchasing lands from the indigenous owners before settling The ongoing colonization of British Columbia relies on the settler population s indifference to the indigenous peoples plights and rights The Colonial Present documents the colonizer s manufacture of a new mythology to dehumanize the native peoples and strip them of their rightful place The interests of resource industries have dominated accounts of indigenous peoples throughout the mainstream media the academic presses and the courts They have substantially corrupted and impoverished the non native understanding of indigenous peoples on whose homelands they live and work and to which they seem to feel entitled The indigenous nations and individuals have suffered excruciating losses But the highest expression of official BC aspirations for reconciliation is only that they should release title to their homelands accept a small financial land and program funding settlement and submit to the British Columbia Treaty Commission agenda reducing them in legal terms to incorporated associations exercising management capacities barely distinguishable from those of BC municipalities while by fee simple title their lands and rich resources are ceded to the Queen This book is an exploration of how such a stunning string of events has happened and British Columbians continuing attempts to rationalize them **Life Stories** Maureen O'Connor,2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on

more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books

Decoding **Rafe A Memoir**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Rafe A Memoir**," a mesmerizing literary creation penned with a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
