Raffles The Black Mask:

Raffles E W Hornung,2020-03-09 I am still uncertain which surprised me more the telegram calling my attention to the advertisement or the advertisement itself The telegram is before me as I write It would appear to have been handed in at Vere Street at eight o'clock in the morning of May 11 1897 and received before half past at Holloway B O And in that drab region it duly found me unwashed but at work before the day grew hot and my attic insupportable See Mr Maturin's advertisement Daily Mail might suit you earnestly beg try will speak if necessary I transcribe the thing as I see it before me all in one breath that took away mine but I leave out the initials at the end which completed the surprise They stood very obviously for the knighted specialist whose consulting room is within a cab whistle of Vere Street and who once called me kinsman for his sins More recently he had called me other names I was a disgrace qualified by an adjective which seemed to me another I had made my bed and I could go and lie and die in it If I ever again had the insolence to show my nose in that house I should go out quicker than I came in All this and more my least distant relative could tell a poor devil to his face could ring for his man and give him his brutal instructions on the spot and then relent to the tune of this telegram I have no phrase for my amazement I literally could not believe my eyes Yet their evidence was more and more conclusive a very epistle could not have been more characteristic of its sender Meanly elliptical ludicrously precise saving half pence at the expense of sense yet paying like a man for Mr Maturin that was my distinguished relative from his bald patch to his corns Nor was all the rest unlike him upon second thoughts He had a reputation for charity he was going to live up to it after all Either that or it was the sudden impulse of which the most calculating are capable at times the morning papers with the early cup of tea this advertisement seen by chance and the rest upon the spur of a guilty conscience **Raffles** E.
