Ragged Borders Poems

William Bull Wright

Ragged Borders Poems:

Ragged Borders Fernando Esteban Flores, 1996-01-01 **Highland Rambles: a poem** William B. WRIGHT (Poetical Writer.), 1868 Highland Rambles: a Poem William Bull Wright, 1868 **The Poems of Optatian** Linda Jones Hall, 2024-01-11 For the first time the poems and accompanying letters of Publilius Optatianus Porfyrius Optatian are published here with a translation and detailed commentary along with a full introduction to Optatian's work during this period. Optatian was sent into exile by Constantine sometime after the Emperor's ascent to power in Rome in 312 AD. Hoping to receive pardon, Optatian sent a gift of probably twenty design poems to Constantine around the time of the ruler's twentieth anniversary 325-326 AD. To enable the reader to experience the multiple messages of the poems, the Latin text is presented near the English translation with any related design close by. Some poems laid out on a grid of up to 35 letters across and down have an interwoven poem marking key letters in the primary poem, thereby revealing a highlighted image. Some designs include the Chi Rho or numerals created from V's and X's to mark imperial anniversaries. Other previously unrecognised designs seem to represent senatorial, imperial, military or bureaucratic motifs or to derive from coin images. Shape poems representing a water organ, an altar and a panpipe reveal their relevance immediately. The introduction and commentary elucidate literary allusions from over 100 authors, lines from Vergil, Ovid, Lucan, Silius Italicus, Statius and lesser known writers abound, and mythological references mostly to the Muses and Apollo. Optatian's prestige as an official in both Greece and Rome is well attested; these poems mark Optatian as a fascinating writer of his time, holding onto the classical past while acknowledging Christian symbolism. *Devil Doll* Bonnie Friedman, 2014-07-16 Two young Americans meet en route to studying in Spain and forge an unusually close friendship. Once back in the United States, one of the women who is married invites the younger to come live with her and her husband. Over time, a ménage à trois develops. But that isn't what causes the ultimate rift in the friendship. Something deeper and more insidious had been at work from the very beginning. In this exploration of what underlies certain powerful friendships, the author examines the unacknowledged factors that sometimes attract us to one another but can also make the relationship go painfully awry. **Heraldic Badges** Arthur Charles Fox-Davies, 1907 Fractured Borders Mary K. DeShazer, 2010-02-05 Women have been writing about cancer for decades, but since the early 1990s the body of literature on cancer has increased exponentially as growing numbers of women face the searing realities of the disease and give testimony to its ravages and revelations. *Fractured Borders: Reading Women's Cancer Literature* surveys a wide range of contemporary writing about breast, uterine and ovarian cancer, including works by Marilyn Hacker, Margaret Edson, Carole Maso, Audre Lorde, Eve Sedgwick, Mahasweta Devi, Lucille Clifton, Alicia Ostriker, Jayne Anne Phillips, Terry Tempest Williams and Jeanette Winterson among many others. DeShazer's readings bring insights from body theory, performance theory, feminist literary criticism, French feminisms and disability studies to bear on these works, shining new light on a literary subject that is engaging more and more writers. An important and useful book that will

appeal to people in a variety of fields and walks of life including scholars teachers and anyone interested in this subject
