New Media, Old Regimes Lyombe S. Eko, 2012-07-30 *New Media Old Regimes Case Studies in Comparative Communication Law and Policy* by Lyombe S Eko is a collection of novel theoretical perspectives and case studies which illustrate how different communication law regimes conceptualize and apply universal ideals of human rights and freedom of expression to media controversies in real space and cyberspace Eko's investigation includes such controversial communication policy topics as North African regimes failed use of telecommunications to suppress the social change of the Arab Spring the Mohammad cartoon controversy in Denmark and France French and American policy of development and diffusion of the Minitel and the Internet American and Russian regulation of internet surveillance the problem of managing pedopornography in cyberspace and real space and other current communication policy cases This study will aid readers not only to understand different national and cultural perspectives of thorny communication issues but also show that though freedom of expression is a pluralistic concept the actions of all political regimes at the national transnational and international levels must be held up to the universal standards of freedom of expression set forth in the Universal Declaration of Human Rights *New Media Old Regimes* provides essential scholarship on comparative communication law and policy in a world of new media

Overseas Through the Old Régime Herbert Ingram Priestley, 1939 Transmission of Light in Water Elsie F. DuPré, Leo H. Dawson, 1961 The Dyer's Handbook Dominique Cardon, 2016-08-31 Persian blue pomegranate flower spiny lobster wine soup pale flesh dove breast golden wax grass green green sand rotten olive modest plum agate rich French gray gunpowder of the English just some of the color names of old fabric to fire the imagination *Memoirs on Dyeing* concerns a unique manuscript from the eighteenth century a dyers memoirs from Languedoc containing recipes for dyes with corresponding color samples It is an exceptional document hugely rare and of great significance not only to textile historians but dyers and colorists today as thanks to the information in the manuscript the colors can be reproduced exactly with the same ingredients or reproduced using modern techniques by matching the color samples To the English translation of the text together with facsimile pages reproduced in color from the original manuscript are added essays meant to situate it in its historical economic and technological contexts For those historians who have long been fascinated by the change in scale

and the amount of innovation that occurred in woollen cloth production in Europe during the 17th and 18th centuries the Memoirs on Dyeing bring firsthand insight into the daily preoccupations and tasks of a key actor in the success story of the Languedocian broadcloth production specially devised for export to the Levant Even non specialists may be interested in understanding the clever management and technical organization that made it possible for the author to produce dye finish pack and export up to 1 375 pieces of superfine broadcloth per year representing nearly 51 km of cloth *Trade-marks Journal* ,2000

Tropical Despotisms David Allen Harvey,2024-09-15 Tropical Despotisms reveals the alarm that spread among France s Caribbean possessions during the period between the Seven Years War and the Revolution and the determination to cultivate a new patriotic community rooted in the Enlightenment principles of honor and civic virtue Following France s humiliating defeat at the hands of the British a loose coalition of frustrated and enlightened reformers hoped to promote imperial regeneration in order to restore France s wounded national pride stabilize and strengthen the Antillean colonies and bind the colonies more closely to the metropole David Allen Harvey describes the historical relationship between capitalism and slavery in the making of the modern world economy and moves beyond simplistic arguments by discussing the contingent and evolving dynamic between the two As a result he reveals how capitalism and slavery developed in tandem in the eighteenth century Caribbean but explains that reformers sought to enact a gradual transition to a free wage labor regime more in keeping with capitalism s ideal of free and voluntary contractual relationships between formally equal parties Tropical Despotisms provides a new perspective on the social and demographic structure in the French Antilles and the wider French Atlantic world Harvey uncovers not only the deep and critical debates around the issues of slavery and race but also the efforts by enlightened reformers as they proposed rethinking the political and economic structures by which the empire had been ruled rationalizing governing institutions and liberalizing trade
