Raging Peace:

The Advocate ,1995-08-22 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **The Raging Erie** Mark S. Ferrara,2024-07-02 The completion of the Erie Canal in 1825 was a monumental achievement Linking the Great Lakes to the Atlantic Ocean it transformed New York City into a hub of international trade drove the rise of industrial cities in once sparsely populated areas and accelerated the westward expansion of the United States Yet few of the laborers who toiled along the canal shared in the prosperity it brought Mark S Ferrara tells the stories of the ordinary people who lived worked and died along the banks of the canal emphasizing the forgotten role of the poor and working class in this epochal transformation The Raging Erie chronicles the fates of the Native Americans whose land was appropriated for the canal the European immigrants who bored its route through the wilderness and the orphan children who drove draft animals that pulled boats around the clock Ferrara also shows how the canal served as a conduit for the movement of new ideas and religions a corridor for enslaved people seeking freedom via the Underground Railroad and a spur for social reform movements that emerged in response to the poverty and suffering along its path Brimming with vivid characters drawn from the underbelly of antebellum life The Raging Erie explores the social dislocation and untold hardships at the heart of a major engineering feat shedding light on the lives of the canallers who toiled on behalf of American expansion *The Raging Peace* Artemis OakGrove,1991 *The Seventh Circle* Todd Cheney,2003-07 The Seventh Circle is a tale of high adventure fantasy and destiny An excerpt Mal Tarsis laid the book on the ground before the altar He then knelt before it and opened it to a book marked page The bindings creaked with age as they always did He remembered long nights poring over this tome just to decipher the ancient dialects within it He found it strange that he had slaved so many long hours over this book But he always knew there had to be something in it Something that would give him the power that was rightfully his If he succeeded in this ceremony tonight then nothing could stand in his way As Mal Tarsis knelt before the altar he laid the curved blade atop the book so that it balanced over the curving pages The first part of the ceremony would imbue the blade with the proper powers and nuances Mal Tarsis read aloud from the book He could hear nothing but his own voice now The man s cries and pleas were a distant dream He saw nothing but the aged yellow pages and his hands as he followed the lines of text He must concentrate With the soul of fire I consecrate you With the stone of earth I will create you Take from him his which is not his Take from him life and give him this Mal Tarsis rose from the ground after reading these words The knife took on a reddish hue Everything went according to plan Yet he had barely begun Sweat began to bead on his forehead Mal Tarsis edged his way to the head of the altar The final most important cut neared He laid the blade across the man s throat With a dark elation the warlock drew the knife from one side to the other As he did so he spoke again I summon thee oh timeless ones The warlock bolted from the center of the circles To remain within would be suicide Soon the tortured souls would bridge the gap between the Lands of

Death and the mortal world The outer circle of herbs protected the summoner and any others present from the souls of the damned As he reached the outer edge of the second circle of herbs Mal Tarsis quickly glanced at the red candles The candles had not been very tall to begin with They were almost three quarters down now He must finish the spell quickly *Mother's Advice* Francis Abakwue, Sunny Abakwue, 2015-04-08 *Mother's Advice* is a book of poems These poems are the light of true living A great house is built on the solid foundation From the solid foundation are the strong pillars The poems in this book are arranged in subsets known as pillars These pillars are the living virtues of human existence **Night of the Raven** Joseph Coughlin, 2013-01-08 John Fallon a ruthless assassin who is working for a covert and secretive agency has become disillusioned and disgusted with his life After his last kill in which he terminates three men Fallon disappears and returns to his native Ireland It is here with his twin sister Catherine from whom he has been separated since childhood that Fallon hopes to put his past behind him Fallon is a man seeking redemption and peace in the beautiful lush land he was born in In New York John Childers head of World Wide Enterprises the cover company for a world of violence and deceit enlists Al Reynolds and Jack Harris two of his top operatives to track Fallon down and terminate him Childers a cold cynical man believes no one walks away from the company Reynolds familiar with Fallon who is known as a man of mystery realizes this will be no easy task Meanwhile in Ireland Fallon is caught up in the ongoing struggle between the Irish in the South and Provos in the North Adding to this is Major Neville a brutal British commandant stationed there Fallon trying to distance himself from the violence that surrounds him is branded a coward and a traitor by the IRA Fallon accepts everything they throw at him until they cross the line Fallon then reverts back to his former life As everyone closes in on him Fallon like a killing machine is unstoppable Even the beautiful Megan Clark who loves him is unable to stop him *Night of the Raven* is a fast paced thriller that moves at breakneck speed to a stunning and suspenseful conclusion It is a story filled with fascinating characters set against the background of Ireland and New York *Healing The Heart - Recovering From Anger, Alcohol, Separation And Grief* Pasquale De Marco, 2025-04-27 In the tapestry of life we encounter a myriad of challenges that can test our resilience and shake us to our core Anger like a raging storm can consume our thoughts and actions leaving a trail of destruction in its wake Alcohol addiction a cunning and deceptive adversary can rob us of our freedom our relationships and even our lives Separation and divorce like a seismic shift can shatter the foundation of our existence Grief a universal experience that touches the lives of all can be an overwhelming and isolating journey This comprehensive guide offers a lifeline of hope and guidance to those navigating these tumultuous waters With compassion and understanding it delves into the depths of human emotion exploring the raw and often conflicting experiences that arise from anger addiction separation and grief Within these pages you will find solace practical strategies and a wealth of tools to help you heal and rebuild your life Through insightful exploration you will gain a deeper understanding of the roots of anger learning to manage and express your emotions in a healthy and constructive manner You will uncover the complexities of addiction discovering the path to
