Railways In Focus Photographs From The National Railway Museum Collections:

Railways in Focus Ed Bartholomew, Michael Blakemore, 1998 **Railway Photographic Advertising in Britain, 1900-1939** Alexander Medcalf, 2018-03-06 This book explores the phenomenal resources dedicated to understanding and encouraging passengers to consume travel from 1900 to 1939 analysing how place and travel were presented for sale Using the Great Western Railway as a chief case study as well as a range of its competitors both on and off the rails Alexander Medcalf unravels the complex and ever changing processes behind corporate sales communications This volume analyses exactly how the company pictured passengers in the countryside at the seaside in the urban landscape and in the company's vehicles This thematic approach brings transport and business history thoroughly in line with tourism and leisure history as well as studies in visual culture **Trains, Culture, and Mobility** Benjamin Fraser, Steven D. Spalding, 2012-01-01 *Trains Culture and Mobility Riding the Rails* goes beyond textual representations of rail travel to engage an impressive range of political sociological and urban theory Taken together these essays highlight the complexity of the modern experience of train mobility and its salient relation to a number of cultural discourses Incorporating traditionally marginal areas of cultural production such as graffiti museums architecture or even plunging into the social experience of travel inside the traincar itself each essay constitutes an attempt to work from the act of riding the train toward questions of much larger significance Crisscrossing cultures from the New World and Old from East and West these essays share a common preoccupation with the way in which trains and railway networks have mapped and re mapped the contours of both cities and states in the modern period Bringing together individual and large scale social practices this volume traces out the cultural implications of *Riding the Rails* *Handbook of Museum Textiles, Volume 1* Seiko Jose, Sabu Thomas, Pintu Pandit, Ritu Pandey, Vandana Gupta, 2022-11-29 *Handbook of Museum Textiles* Textiles have been known to us throughout human history and played a vital role in the lives and traditions of people Clothing was made by using different materials and methods from natural fibers There are different varieties of textiles out of which certain traditional textiles archaeological findings or fragments are of cultural historical and sentimental value such as tapestries embroideries flags shawls etc These kinds of textiles due to their historical use and environmental factors require special attention to guarantee their long term stability Textile conservation is a complex challenging and multi faceted discipline and it is one of the most versatile branches of conservation Volume 1 of the *Handbook of Museum Textiles* focuses on conservation and cultural research and addresses the proper display storage upkeep handling and conservation technology of textile artifacts to ensure their presence for coming generations Spread over 19 chapters the volume is a unique body of knowledge of theoretical and practical details of museum practices Chapters on textile museums the importance of cultural heritage conservation and documentation of textiles are covered in depth Conservation case studies and examples are highlighted in many chapters Management practices and guidelines to pursue a career in the museum textile field have been given due attention The respective authors of the chapters are of international

repute and are researchers academicians conservators and curators in this field Audience The book is a unique asset for textile researchers fine art scholars archaeologists museum curators designers and those who are interested in the field of traditional or historic textile collections The Railroad Photography of Lucius Beebe and Charles Clegg Tony Reevy, 2019-02-01 Bon vivant railroad historian photographer pioneering food critic chronicler of New York's café society and noted newspaperman Lucius Beebe 1902-1966 was an American original In 1938 with the publication of *High Iron A Book of Trains* he transformed the world of railroad subject photography forever by inventing the railroad picture book genre In 1940 he met creative and life partner Charles Clegg 1916-1979 also a talented photographer Beebe and Clegg produced an outstanding and diverse portfolio of mid twentieth century railroad subject photographs Beebe sometimes with Clegg also authored about forty books including many focused on railroads and railroading *The Railroad Photography of Lucius Beebe and Charles Clegg* brings their incredible story and best photographic work together Providing an extensive biographic introduction to Beebe and Clegg author Tony Reevy presents a multi faceted view of the railroad industry that will appeal to rail enthusiasts as well as those interested in American food culture the history of New York City and LGBT studies *The Railroad Photography of Lucius Beebe and Charles Clegg* is an indispensable history to the work of two men who forever changed the way we see and experience American railroads The Railroad Photography of Phil Hastings Tony Reevy, 2023-05-30 *The Railroad Photography of Phil Hastings* explores the life and influential work of Dr Philip R Phil Hastings 1925-1987 Along with his contemporaries Hastings changed the way we look at the North American railroad Influenced by the photojournalistic movement that developed during their childhoods these visionaries expanded their work from traditional locomotive roster and action shots into a holistic view of the railroad environment Collated by Tony Reevy *The Railroad Photography of Phil Hastings* features 140 full page black and white photographs from throughout Hastings's career and includes an introduction that explores Hastings's life and work including his relationships with noted author and editor David P Morgan and photographer Jim Shaughnessy *The Railroad Photography of Phil Hastings* represents a major contribution to the historical record of the life and work of this remarkable photographer whose images shaped how we perceive and experience railroads throughout North America Creating a Winning Online Exhibition Martin R.
