BR Sunkara,2015-11-20 There is pitch darkness in the room Joseph is watching from the window A man is walking in the rain on the road with a woman who is in his arms They stopped under the street light The man took a bottle of liquor and drank Then he took the woman in to his arms and kissed her She is in his hug under showering rain Just then Jolie s hot body touched behind Joseph She was also looking at the romance on the road Jolie was naked Joseph can feel her body in darkness He took her in to his arms He kissed her They reached the bed She lay in his arms She was a revelation in that dim mysterious chamber as white as the couch she lay upon Her firm elastic flesh knows its birthright was like a creamy lily that the sun invites to contribute its breath and perfume to the world Her abundant passion without guile or trickery was like the white flame which penetrated and found response in depths of his own sensuous nature that had never yet been reached He stayed as cushioned upon her breathless dazed enervated with his heart beating like a hammer upon her With one hand she clasped his head her lips lightly touching him The other hand stroked with a soothing rhythm his muscular shoulders The rain started again The growl of the thunder was distant and passing *Teaching Word Analysis Skills* Ashley
