Rainbow's Shadow and the Tablets of Fate John Cicero, 2006-03-09 Rainbows Shadow and the tablets of fate is an adventure fantasy tale about two novels Rainbow Alley and The Sorcerers Shadow which have been mysteriously melded together creating an alternative dimension that has begun to write itself The first novel Rainbow Alley is a mythical and magical novel of pure paradise as told and written by Joseph Collins to his grandson Will Collins The second novel The Sorcerers Shadow is an adventure filled novel full of evil sorcery and mayhem spewed throughout its pages and is the favorite story of Wills brother Bryan Collins As these two novels unify they become more than mere pages as a blend of good and evil begin to emerge into reality Rainbow Alley is a surreal paradise Grandpa Joe has claimed to actually visited when he was younger It can only be accessed through a golden portal by bringing four critical elements together One magical night as the four elements are sought to come together to gain access to Rainbow Alley the unthinkable happens By accidentally placing The Sorcerers Shadow novel underneath the Rainbow Alley novel during the joining of only three of the four critical elements Bryan has unknowingly set off the melding of these two stories This creates their access to a new story and a land unlike anything the boys could ever imagine However this access would prove to be near fatal for Grandpa Joe as he is stricken by a mythical force that sends him into a mysterious coma Will and his best friend and neighbor Jimmy Foster set off on a journey through the golden portal and into the merged stories in an effort to save his stricken grandfather While in this new and sometimes foreboding and pleasurable land Will is driven by a voice claiming to show him the way to heal his grandfather What the boys encounter is incomprehensible as they experience a blend of paradise infiltrated by evil sorcery and mayhem first hand The Rainbow Book, Being a Collection of Essays & Illustrations Devoted to Rainbows in Particular & Spectral Sequences in General, Focusing on the Meaning of Color (physically & Metaphysically) from Ancient to Modern Times ,1975 *Rainbow's Shadow and the Covenant of Wisdom* John Cicero, 2010-03 Rainbow s SHADOW and the Covenant of Wisdom Rainbow s Shadow and the Covenant of Wisdom picks up where Rainbow s Shadow and the Tablets of Fate leaves off Will Jimmy and Bryan are back to their normal lives until Will is rushed to the hospital with a bizarre case of vertigo With his head spinning like a top and dreams of his grandfather back in full force Will is convinced he is being called back to Rainbow Alley for something big He has secretly tried to gain access back into the portal for months and his failed attempts to open the vortex have frustrated him beyond belief Convinced the portal is permanently closed Will sits in his hospital room confused It was temptation which lured Bryan to take the shiny black stone as a souvenir from Rainbow Alley Little did he know he had provided a way for evil to rejuvenate As he admires the shiny black stone he finishes reading yet another Sorcerer s Shadow novel entitled The Pirate s Revenge With the book resting up against the stone and another novel entitled The Island Where Magic Began it only takes a few seconds for the evil forces of the Sorcerer s Shadow to emanate from the

stone and open the portal As the two novels meld together and the portal opens Will finds himself confronted by an eccentric messenger who instructs him to return the stone Once the stone is returned the Covenant of Wisdom will be revealed and provide the necessary knowledge to open the path to true paradise Will and Jimmy find themselves on a new journey into a surreal world as they find access into the portal and into a new adventure Their mission at first is to save Bryan but quickly transforms into a quest for all mankind

D.H. Lawrence and the Paradoxes of Psychic Life Barbara A. Schapiro, 1999-08-12 Contributing to the debate about D H Lawrence s relationship with and fictional portrayal of women this book discusses how the dynamic tensions of his art dramatically reenact the competing forces of psychic and relational life In her examination of Sons and Lovers The Rainbow Women in

Love and various short stories Schapiro discusses how Lawrence's best works reveal a continual struggle to recognize and be recognized by the other as an independent subject Drawing on Jessica Benjamin's psychoanalytic theory of intersubjectivity she also demonstrates how a breakdown of balanced subject-subject relations in his texts gives rise to defensive polarities of gender and of domination and submission BOOK JACKET
