Gayellow Pages ,2009 **Retha's Song** Retha Bogard,2012-10-17 In Retha's Song A Rhapsody of the Soul Retha hears her God the sun speak to her for the first time at the age of seven He speaks of a baby boy being born who lived far away from her and is her beloved As long as she listens to Gods voice and stays on her path and the young boy stays on his path with Gods guidance they will meet She strays many times from the voice of God and her path During the journey she is struck with a devastating Bipolar Disorder and her young son is diagnosed with Crohns disease which nearly took his life Her faith began taking new direction and she began experiencing phenomenal supernatural events in her life Her intuition became increasingly powerful however internal mind altering suffering kept plaguing her Music directed by the angels was the compelling force that was the interwoven thread that could bring these two souls together as they are both singers and songwriters Could a miracle happen **The Nephilim, Watchers, and Giants of Old** Riddick Dawson,2025-10-03 In just four cryptic verses Genesis 6 1 4 opens a doorway into one of the Bible s greatest mysteries the union of the sons of God and the daughters of men and the birth of the Nephilim heroes of old men of renown What does this strange passage mean Who were these divine beings and what role did they play in shaping the destiny of humankind This book takes readers deep into the heart of the enigma tracing how Jewish Christian and later mystical traditions expanded these verses into an epic saga of angels forbidden knowledge and giants who once walked the earth From the Watchers of the Book of Enoch to the royal rulers of Mesopotamia from Augustine s Sethite theory to modern rediscoveries in the Dead Sea Scrolls each interpretation reflects humanity s struggle to understand where evil comes from and how heaven and earth once collided Drawing on Scripture apocrypha and ancient myth the narrative reveals how the Watchers brought secret arts of war sorcery and astrology to humankind how their monstrous offspring filled the world with violence and why their story became central to

demonology theology and apocalyptic imagination At the center stands Enoch the man who walked with God chosen to mediate between heaven and earth and to announce judgment on the very angels who once held dominion Part history part theology and part mythological exploration this work invites readers to step into the shadowed space where Scripture meets legend It is a story of rebellion and ruin of boundaries broken and creation corrupted and of why the ancient memory of the Nephilim still haunts our imagination today

The Rainbow's Light Derek Earls, 2016-10-12 Droplets of evil had diluted and eventually dispersed the white power of the suns special light The special light had a purpose It was created for such a time as this The purpose carried a good intent but some devilry had diluted and dispersed the good intent It was remembered by those occasions when rainbows arched the sky The rainbows appeared less to men and others forgot But most men had forgotten the purpose of the rainbows reminder and most men and others had never known the purpose of the special light It was always known by a few that such a time as this would come The few intent on good feared the coming of such a time Now the greater number who were evil were aware that the time or a time had come They were at first unaware that the special light might reconvene as a whole and that the white power of the whole might thwart their intent These others were not men not human Though they had mans outward appearance most were subhuman some were superhuman Evil intent rested with the superhuman but to them the intent was not evil just inevitable Only those carried upon the waves of the special light had the energy to combat the evil intent and then it was only when they came together
