Rainbows End The Crash Of 1929:

Rainbow's End Maury Klein, 2003-05-01 Rainbow's End tells the story of the stock market collapse in a colorful swift moving narrative that blends a vivid portrait of the 1920s with an intensely gripping account of Wall Street's greatest catastrophe The book offers a vibrant picture of a world full of plungers powerful bankers corporate titans millionaire brokers and buoyantly optimistic stock market bulls We meet Sunshine Charley Mitchell head of the National City Bank powerful financiers Jack Morgan and Jacob Schiff Wall Street manipulators such as the legendary Jesse Livermore and the lavish living Billy Durant founder of General Motors As Klein follows the careers of these men he shows us how the financial house of cards gradually grew taller as the irrational exuberance of an earlier age gripped America and convinced us that the market would continue to rise forever Then in October 1929 came a perfect storm like convergence of factors that shook Wall Street to its foundations We relive Black Thursday when police lined Wall Street brokers grew hysterical customers bellowed like lunatics and the ticker tape fell hours behind This compelling history of the Crash the first to follow the market closely for the two years leading up to the disaster illuminates a major turning point in our history Shattered Dreams at Rainbow's End Christopher Horne, PhD, 2018-08-06 Drawn from real life Shattered Dreams at Rainbow's End is the story of a World War II hero Donald a foot soldier who returns from combat meets the Depression born Mary and marries her They have two children baby boomers Danny and Deborah and then a third child Charles part of Gen X Patriarch Donald's dream of having the family all sitting around the fire at Christmas time in the Rainbow's End farmhouse reflected family values He died before seeing his dream fulfilled None of the children despite apparent successes end up meeting the parents expectations Mary's second husband's brief five year presence and leadership helped get the family back on the track of family values Her third husband could do little to promote family values Despite his affection for Mary his luxurious lifestyle and personal wealth mattered more than family values The tragedy of Shattered Dreams is not just the multifaceted emotional drama surrounding Mary's three husbands but the breaking of at least one rule in the patriarch's moral code by each of his children Informative psychologically legally historically shows passion and a great will to overcome Coach B English teacher and hall of Fame wrestling coach Very interesting story with spiritual implications like the Bible verse in Jeremiah 33:3 Call to me and I will answer you and tell you great and unsearchable things you do not know Hyrine O **The Great Crash of 1929** A. Kabiri, 2014-11-25 Understanding the American stock market boom and bust of the 1920s is vital for formulating policies to combat the potentially deleterious effects of busts on the economy Using new data Kabiri explains what led to the 1920s stock market boom and 1929 crash and looks at whether 1929 was a bubble or not and whether it could have been anticipated **Crash!** Phillip G. Payne, 2015-12 Most measures of the American economy over the past two centuries or so produce a jagged sine wave irrationally exuberant highs leading to painful lows Bubbles lead to panics over and over again Payne has written a short book on the 1920s to demonstrate to undergraduates how this pattern emerges
