Janis Clark Johnston

Raise Up A Child:

Raise Up the Children William Womack, Peggy Womack, 2012-06 Whatever situation you may be in whether dealing with issues with your children or if you want more insight on rearing children in the godly way or maybe you don't have any children at all and you're looking to prepare God's Word must be what we use as our example We know that there are many discouraged frustrated stressed and hurting parents who don't know how to fix the things going on with their children We want you to know that there is always hope with God You are not alone Do you feel like it's a struggle to raise your children Are you looking for more insight on how to train your children according to God's Word There is help In Raise up the Children you'll learn truths from the Word of God that will revolutionize the way you think about parenting and the way you go about it You'll learn what it means to spend quality time with your children you will see the impact and importance of your words and you'll learn how to discipline in a biblical fashion By implementing these ideas and changes into your life as a parent you'll see both a change in yourself and in your children You'll learn that a different perspective from your family starts with a different outlook in you Learn to renew your mind so you can be a godly parent Find out how to fit your lifestyle into the mold of God's Word instead of the other way around Raising a family is an important job so learn how to Raise up the Children through this wise teaching helpful advice and examples of godly prayers for your family **Raising Up Dreamers**

Shelia Erwin, 2020-07-07 How do you raise Christian kids who have dreams that seem beyond their reach Parenting is an important task but the pressure doesn't need to be on us As parents we simply need to follow the leading of the Lord with the understanding that our children's natural abilities are actually the Lord working out their destiny When we give Christ unlimited control of our parenting we learn that Jesus is a better parent to our children than we can ever hope to be As Sheila Erwin shares personal stories of raising two successful filmmakers and delves into biblical principles you will be encouraged to cultivate your children's gifts and help them reach their dreams no matter how impossible they seem By parenting from a position of trust and rest in God you can guide your children to chase their God-given dreams and channel their talents to glorify God instead of being gripped by the world **It Takes a Child to Raise a Parent** Janis Clark

Johnston, 2013-04-04 While advice abounds from a variety of sources before parents embark on their parenting journeys the only parent preparation we actually receive comes from our family and peer stories Yet most adults do not realize that in day to day challenges of guiding our children something interesting happens As we steer our children through life we reopen our own childhood roads Just when our child most needs us we become needy ourselves as adults and parents we find that we have unresolved raising issues basic needs that were not met in our childhoods Our needs and memories echo and influence many of the parenting decisions we make even though we're unaware of those influences at times Fortunately children help parents reach their needs as much as their parents help them fulfill their own Our child ends up guiding us by connecting us to some earlier time in our life when we encountered distress We dredge up a lesson and we adapt by adhering to or

changing the story that we tell ourselves about who we are We re negotiate the five basic needs that surface from our childhood memories as our youngsters pass through each of the developmental phases The self aware parent focuses on creative problem solving by focusing on one interaction at a time It Takes a Child to Raise a Parent offers an exploration of how our own childhood memories and needs influence and shape our parenting decisions in our adult lives Offering tips stories from a variety of families and step by step exercises Janis Johnston helps parents better understand and grasp the tools necessary to face parenting challenges head on and to explore new ways of understanding ourselves our children and our family interactions Expectant parents and current parents interested in understanding their own personality development as well as the many moods of childhood and their own children will find clear guidelines for understanding their roles in their children s lives as well as concrete suggestions for how to navigate the choppy waters of raising children

Practical Parenting A counselor's Guide to Raising the Difficult Child Stephen Guthrie,2011-06-10 There are few things in the life of a parent more discouraging and draining than having to deal day in and day out with a disagreeable disobedient child Spending all of one s emotional energy anticipating their next manipulative move containing their embarrassing outbursts and grasping for appropriate and effective consequences that fit their misdeeds is simply exhausting Counselor Stephen Guthrie s book gives struggling parents the wisdom insight and skills needed to quickly gain control of their children and begin parenting effectively The book is designed to be read in an evening and put to use the next morning Drawing on his experience working with difficult kids the author takes a parent back to the basics to explain perhaps for the first time the time honored practical principles of parenting that will raise a cooperative obedient child that is a source of joy and not disappointment This engaging and informative book features a special section for Christian parents in which Biblical principles for raising children are presented and explained Learn more about Stephen Guthrie and enjoy his blog at www.christiancounsel.com [To Raise Up the South](#) Sally G. McMillen,2001-12-01 In the half century after the Civil War evangelical southerners turned increasingly to Sunday schools as a means of rejuvenating their destitute region and adjusting to an ever modernizing world By educating children and later adults in Sunday school and exposing them to Christian teachings biblical truths and exemplary behavior southerners felt certain that a better world would emerge and cast aside the death and destruction wrought by the Civil War In *To Raise Up the South* Sally G McMillen offers an examination of Sunday schools in seven black and white denominations and reveals their vital role in the larger quest for southern redemption McMillen begins by explaining how the schools were established detailing northern missionaries collaboration in their creation and the eventual southern resistance to this northern aid She then turns to the classroom discussing the roles of church officials teachers ministers and parents in the effort to raise pious children the different functions of men and women and the social benefits of such participation Though denominations of both races saw Sunday schools as a way to increase their numbers and mold their children white southerners rarely raised the race issue in the

classroom Black evangelicals on the other hand used their Sunday schools to discuss and decry Jim Crow laws rising violence and widespread injustices Integrating the study of race class gender and religion To Raise Up the South provides an exciting new lens through which to view the turbulent years of Reconstruction and the emergence of the New South It charts the rise of an institution that became a mainstay in the lives of millions of southerners **A Child of Light Walking in Darkness** ... Raise Up A Child Introduction

In the digital age, access to information has become easier than ever before. The ability to download Raise Up A Child has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Raise Up A Child has opened up a world of possibilities. Downloading Raise Up A Child provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Raise Up A Child has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Raise Up A Child. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Raise Up A Child. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Raise Up A Child, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Raise

Up A Child has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
