**My Second Childhood** K. L. Smith, 2025-03-17 My Second Childhood is a collection of my random thoughts and memories I have lived through my first childhood and many years of being an adult Everything has seasons in the sun including us The spring summer and fall of my life have passed too quickly I am now living in the winter of my life or as some may call it my second childhood I consider it a blessing to have lived long enough to reach old age It is a gift that everyone does not receive I have released myself from the binding ties of doing what others think I should do I am no longer obligated to employers nor bonded by schedules I have turned the child in me loose to enjoy the last days of my life I am grateful that God has allowed me and my husband of nearly sixty years to enjoy our second childhood together I have time to sit for hours and reminisce and remember moments from my past I have time to analyze stories that were told to me by my ancestors about my family s history I wonder how much of the stories are true and complete Have there been parts of the stories omitted Relatives who have been disowned may not have been included in the accounts of the past We all have secrets and stories that we will never tell What secrets have not been told in these stories Are the stories altered or enhanced to make the past more glorified or sensational There are many questions that I wish I had asked my relatives while they were still alive The answers to these questions will probably go unanswered Over the years I have heard varying accounts of the same stories of our family s history from my younger ancestors Their stories are not congruent with the family history told to me from the lips of my ancestors Their stories do not track with the things that I myself experienced and observed in the presence of my long deceased relatives I was there in the flesh with some of these relatives I can still close my eyes and see them in my mind s eyes I can still hear their voices in my mind s ears I remember these relatives and what they were like In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family s history according to how it was told to me and from my personal observations and experiences As I get older I find that a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God s beautiful world Ultimately we are all God s children and brothers and sisters in Christ We are all connected through God Literacy's Beginnings Lea M. McGee, Donald J. Richgels, 1996 Robin Hood Walter Elias Disney, 1978 Words on Cassette, 2002 R R Bowker Publishing, 2002 The Book of Edie George H. Rothacker, 2025-01-25 As you grow older Edie and things don t happen the way you hoped they would try to be mindful of the story of Job Then decide how you choose your own ending Hilda Wilson At age 16 Edie had the perfect blend of beauty brains and talent She also had a diagnosis of the crippling and misunderstood disease of multiple sclerosis Her response was not what one would expect even as additional problems pursued her and the realities of life took turns she hadn t counted on The Book of Edie uses a story of the modern era to reexamine stories from the Old and New Testaments that many of us have become familiar with in simpler forms through

children's books religious study groups TV shows and movies Using the science of the 20th and 21st centuries The Book of Edie explores the source of our talents and strengths and how despite our weaknesses we may have the ability to choose our destiny throughout our life rather than having it chosen for us Although the book contains religious themes it's primarily about the science of our times the mysteries of humanity and a universe we still don't understand But most of all it's about the complexities of the human race the scriptures that are timeless and one woman's journey to overcome the odds and use all that her DNA had given her for better and for worse

**Grave of Robin Hood** Mark Douglas, Jr., 2024-03-05 A secret treasure buried inside Robin Hood's grave Maddie Jones accidentally blew up her dad's museum Now the place is going to close its doors Forever Sifting through the ashes Maddie finds a mysterious iron box with a map inside dating to the fourteenth century The map alludes to the grave of Robin Hood and a vast treasure riches from the Crusades that could save the destroyed museum But when the treasure map falls into the hands of an old hag who might be the immortal Sheriff of Nottingham Maddie and her brothers must race across England to reach the treasure first Throw in a secret sect of masked archers determined to keep Robin Hood's grave buried forever and the Jones siblings are in for a historic ride Rob from the rich and give to the poor Nah better to rob from the dead and keep the riches for yourself Maddie Jones is an edgy Nancy Drew meets the Goonies with a voice like Percy Jackson
