Medievalism in A Song of Ice and Fire and Game of Thrones Shiloh Carroll, 2018 Game of Thrones is famously inspired by the Middle Ages but how authentic is the world it presents This volume offers different angles to the question One of the biggest attractions of George R R Martin's high fantasy series A Song of Ice and Fire and by extension its HBO television adaptation Game of Thrones is its claim to historical realism The author, the directors and producers of the adaptation and indeed the fans of the books all lay claim to Westeros its setting as representative of an authentic medieval world But how true are these claims Is it possible to faithfully represent a time so far removed from our own in time and culture And what does an authentic medieval fantasy world look like This book explores Martin's and HBO's approaches to and beliefs about the Middle Ages and how those beliefs fall into traditional medievalist and fantastic literary patterns Examining

both books and programme from a range of critical approaches medievalism theory gender theory queer theory postcolonial theory and race theory Dr Carroll analyzes how the drive for historical realism affects the books and shows treatment of men women people of colour sexuality and imperialism as well as how the author and showrunners discuss these effects outside the texts themselves SHILOH CARROLL teaches in the writing center at Tennessee State University

A Season of Fire and Ice Lloyd Zimpel, 2007-05 From the heartlands of the 1880s Upper Midwest comes a morality tale of survival and destiny told in the convincing language of a patriarch's journal evoking a real sense of the time and place Gerhardt Praeger a farmer of some education and plenty experience understands the mixture of hard work ingenuity ethic grace and steadiness of spirit needed to hold his settler family and neighboring community together while homesteading the hard territory of the Dakotas He along with his wife and seven sons must constantly contend with natural disasters and manmade challenges to carve out their holdings in an unforgiving environment that has defeated so many of their neighbors sending them home to their families back east Praeger believes that God will provide sufficiently if not in abundance to those who can resist overreaching But a new neighbor the bold Beidermann who seems at times almost larger than life stirs both his curiosity and envy and tests Praeger's moral beliefs Between his remarkable journal entries that observe the increasingly tense events between them is also a narrative that moves the everyone toward calamity What results is an almost biblical story of moral imperatives and self revelation of man striving to civilize his own impulses along with the wild land

Iron, Fire and Ice Ed West, 2019-04-09 Have you read everything George R R Martin has ever written Do you know what in Game of Thrones is based in real history A young pretender raises an army to take the throne Learning of his father's death the adolescent dashing and charismatic and descended from the old kings of the North vows to avenge him He is supported in this war by his mother who has spirited away her two younger sons to safety Against them is the queen passionate proud and strong willed and with more of the masculine virtues of the time than most men She too is battling for the inheritance of her young son not yet fully grown but already a sadist who takes delight in watching executions Sound familiar It may read like the plot of Game of Thrones Yet that was also the story of the bloodiest battle in British history fought at the culmination of the War of the Roses George RR Martin's bestselling novels are rife with allusions inspirations and flat out copies of real life people events and places of medieval and Tudor England and Europe The Red Wedding Based on actual events in Scottish history The poisoning of Joffrey Baratheon eerily similar to the death of William the Conqueror's grandson The Dothraki Also known as Huns Magyars Turks and Mongols Join Ed West as he explores all of Martin's influences from religion to war to powerful women Discover the real history behind the phenomenon and see for yourself that truth is stranger than fiction

The Art of Fire Emblem: Awakening Various, 2016-10-18 The Art of Fire Emblem Awakening contains an in depth behind the scenes look at the smash hit 3DS game from beautifully illustrated renditions of your favorite characters to storyboards for in game events character designs weapon designs character profiles and the entirety of the script with every possible branch of

dialogue Relive some of the most poignant moments of the game or see what might have been if you had made different in game decisions with the Art of Fire Emblem Awakening Lord of Fire and Ice Connie Mason,Mia Marlowe,2012-07 Brandr the Far Traveled has seen the world and a good many of the beautiful women in it His bed skills are the stuff of steamy legend his sword sings death and he can call up fire from thin air No one in a hundred years ever thought he could be enslaved through trickery and forced to wear the iron collar of a thrall least of all him Katla the Black isn't just called so for her dark silky hair His new mistress has a temper as fierce as a warrior's and a heart as icy as the frozen North But inch by delicious inch Brandr means to make her melt Fire and Ice Anne Stuart,2024-04-22 The stunning finale to RITA Award winner Anne Stuart's The Ice Series brings us back to Japan where deadly machinations have an odd couple in their crosshairs In the wake of a failed love affair Jilly Lovitz takes off for Tokyo She's expecting to cry on her sister's shoulder then spend a couple months blowing off steam in Japan Instead she's snatched away on the back of a motorcycle narrowly avoiding a grisly execution attempt meant for her sister and brother in law Her rescuer Reno is the Committee's most unpredictable agent They'd met once before and the attraction was strange opposites in more way than one but electric Now Reno and Jilly are pawns in a deadly tangle of assassination attempts kidnappings and prisoner swaps that could put their steamy partnership on ice Previously published **Through Water, Ice & Fire** Barry Gough,2006-03-04 The schooner Nancy legendary vessel of Great Lakes and Canadian history lived a thousand lives in a noted career that began in Detroit and ended in a fiery explosion in Nottawasaga River in the last year of the War of 1812 This dramatic soundly researched narrative depicts the reality of the men who sailed her while fighting a gritty war Carrying the war to the enemy in hazardous ways they fought against a powerful American foe using stealth and daring to maintain the besieged Canadian position in the last armed struggle for the heartland of North America The loss of the Nancy inspired generations to regard her as a symbol of devotion to king and country Sapphire Ice (Christian Romance) Hallee Bridgeman,2013-03-26 To Robin Bartlett men were nothing more than violent users After a hair raising childhood Robin and her two younger half sisters battled simply to survive Determined to give her sisters a very different life from that of their mother to never have to rely on a man for anything she worked two jobs and put them both through college while accepting help from no one Her heart had turned to ice and she had no use for men or God Antonio Tony Viscogli had grown up on the streets homeless At seventeen he entered a downtown church with the intent of casing it but found himself on his knees at the altar After being fostered by the youth minister Tony followed God's leading and eventually became a very successful and powerful businessman In a fallen world he was a gem When Tony bought the restaurant where Robin bartended she immediately resented his intrusion into her well ordered but exhausting life She suspected his offering her special attention and constant kindness was merely his way of expecting something from her in return something she wasn't willing to give Tony knew God had led him to Robin Would she ever allow herself to trust him Could she ever allow herself to trust God Or would the winter of their tragic youth rise from
