Roots and Routes Randy G. Litchfield, 2019-03-05 Randy Litchfield's fresh look at the perennial question of vocation combines theological reflection on the development of personal spiritual identity with a thoughtful look at the significant dimension of place how the realities of our contexts call for particular responses to vocation in specific times and places **Roots and Routes** helps pastors and leaders claim a rich vocational imagination for recognizing God's ongoing call to partnership in the specific concrete locales of ministry The Carnegie Institute's rich ethnographic studies of graduate education in the professions reveal that guiding experiences of risk are at the heart of professional development combining call with experiences in the actual realities of professional life Hence the emphasis on field education and internships But how can we help pastors and leaders see calling as a life long process of discernment and response With ministerial burnout and confusion at an all time high connecting the dots between the ongoing call of God and the specific locales of ministry is an interpretive life skill necessary for pastors leaders and disciples of Jesus Christ Failed vocational imagination obstructs the effectiveness of individuals and the church as a whole in fulfilling their mission of partnership with God's creating redeeming and sustaining work in the world The primary audience for the book is seminary educators and students and pastors It also has congregational leaders in mind

Spurgeon,1856 **Nice People Rob God** Althea Patrick RN MSN LNC,2013-11-01 Will a person rob God Yes however nice people have robbed themselves by selecting not to be a cheerful giver Malachi 3 6 Nice people will lean toward just hearing Gods word where as effective Christians become an active listener and a doer of Gods word Do you know by attempting to rob God you are really robbing your self from living life more abundantly Many are call to the altar of salvation but only a few are chosen to pick up the cross and follow Him The test of your faith for some is not at the altar of salvation it is after leaving the benediction Nice people suffer from under use of faith and as a result they suffer from undeveloped faith and insufficient good works The purpose in faith building is so you can produce good works We rob God when we do not produce good works according to the development of the measure of faith God has given you Seeking first the kingdom of heaven is an opportunity for you to come to know Gods plan and purpose concerning your life Jeremiah 29 11 works as a Global Positioning System in seeking the kingdom of heaven and its righteousness Robbing God should no longer be an option nor a life style for nice people Hence living life for Christ becomes the only effective way of living Nice people are often consumed with the things of this world rather than a consumer of the things of God As a result they have robbed God by not feeding their spirit after salvation with heavenly substance that can only be found through seeking the kingdom of heaven and its righteousness With men this is impossible but with God all things are possible Matthew 19 26 KJV **The Chemist** ,1841
