Barse,1990 Are We Not New Wave? Theodore Cateforis,2011-06-22 Are We Not New Wave is destined to become the definitive study of new wave music Mark Spicer coeditor of Sounding Out Pop New wave emerged at the turn of the 1980s as a pop music movement cast in the image of punk rock s sneering demeanor yet rendered more accessible and sophisticated Artists such as the Cars Devo the Talking Heads and the Human League leapt into the Top 40 with a novel sound that broke with the staid rock clich s of the 1970s and pointed the way to a more modern pop style In Are We Not New Wave Theo Cateforis provides the first musical and cultural history of the new wave movement charting its rise out of mid 1970s punk to its ubiquitous early 1980s MTV presence and downfall in the mid 1980s The book also explores the meanings behind the music s distinctive traits its characteristic whiteness and nervousness its playful irony electronic melodies and crossover experimentations Cateforis traces new wave s modern sensibilities back to the space age consumer culture of the late 1950s early 1960s Three decades after its rise and fall new wave s influence looms large over the contemporary pop scene recycled and celebrated not only in reunion tours VH1 nostalgia specials and 80s night dance clubs but in the music of artists as diverse as Rihanna Lady Gaga Miley Cyrus and the Killers **Whose Master's Voice?** Fouli T. Papageorgiou,1997-02-19 What are the interactions between transnational communication and national cultures This work attempts to answer this critical question in the study of culture and communication It takes as its vehicle of study the music industry and music making in 13 different cultures presenting an insider s view of a global cultural experience Of interest to musicologists and sociologists alike plus anyone fascinated by distant cultures and how they are affected by external as well as internal communication systems The chapters are a collection of research findings produced for the International Communications and Youth Cultures Consortium ICYC an informal group of international scholars in many disciplines who are committed to understanding the economic and social factors that influence cultures and youth Their point of view in this work is their individual country and the tensions that arise from the development of international communication systems Each view is from inside the country external influences are not subjects of study in themselves but are viewed as part of a

complex scene along with other variables operating in various national situations Heroines of Popular Culture Pat Browne,1987 From life and literature come the heroines of this volume The essays demonstrate that women can fit the role of hero as defined by Joseph Campbell A hero ventures forth from the world of common day into a region of supernatural wonder fabulous forces are there encountered and a decisive victory is won the hero comes back from this mysterious adventure with the power to bestow boons on his fellow man Contributors to this volume cover a wide range of heroic women
