Ron Chernow, 2007-12-18 National Book Critics Circle Award Finalist From the acclaimed award winning author of Alexander Hamilton here is the essential endlessly engrossing biography of John D Rockefeller Sr the Jekyll and Hyde of American capitalism In the course of his nearly 98 years Rockefeller was known as both a rapacious robber baron whose Standard Oil Company rode roughshod over an industry and a philanthropist who donated money lavishly to universities and medical centers He was the terror of his competitors the bogeyman of reformers the delight of caricaturists and an utter enigma Drawing on unprecedented access to Rockefeller s private papers Chernow reconstructs his subjects troubled origins his father was a swindler and a bigamist and his single minded pursuit of wealth But he also uncovers the profound religiosity that drove him to give all I could his devotion to his father and the wry sense of humor that made him the country s most colorful codger *Titan* is a magnificent biography balanced revelatory elegantly written Титан. Жизнь Джона Рокфеллера Рон Чернуоу, 2020-10-26 **Art Deco New York** David Lowe, 2004 Art Deco New York takes readers on a historically rich and visually spectacular journey through New York in the early decades of the 20th century when the style known as art deco with its emphasis on machine tooled elegance and sleekness of line replaced the voluptuous beaux arts style that preceded it It was an era when floating art deco palaces like the Normandie and the Queen Mary and elegant speedy trains like Henry Dreyfuss redesigned Twentieth Century Limited transformed the way people perceived travel There are dazzling photographs many never before published of such art deco icons as Schultze and Weaver s soaring Waldorf Astoria Joseph Urban s Zeigfeld Theater and Central Park Casino and the sky piercing spire of William Van Alen s Chrysler Building This book takes a wise witty and intimate look at a style that came to New York via Paris in the 1920s and almost overnight became a quintessential symbol of modernity The public s already strong interest in art deco will be enhanced by two major art deco exhibits to be mounted 2004 and 2005 Author is a leading authority on art deco A perfect book for lovers of New York and architecture *The New York Approach* Joel Schwartz, 1993 Joel Schwartz s major reinterpretation of urban development in New York City examines Robert Moses s role in shaping the city and demonstrates for the first time that Moses s personal and ruthless crusade to redevelop New York s neighborhoods was actually sustained by his alliance with liberal city groups After World War II New York City forged ahead with urban renewal made possible by Title I of the Housing Act of 1949 While Title I was meant to help big cities replace slums with middle class housing New York instead used the program to replace housing for the poor with high rent apartments medical centers and university campuses When Title I became synonymous with callous relocation and Negro removal New Yorkers blamed Robert Moses the legendary

construction czar While many concluded that Moses's high handed ways were behind much that went wrong with their city few could explain how he operated in a town famous for its feisty neighborhoods liberal politics and pioneer interracialism From exhaustive research in previously unexamined archives Schwartz demonstrates the extent to which Moses was abetted by liberal city leaders He describes how insiders deals for choice Title I sites emerged from the old ambitions of neighborhood civic groups and public housing advocates and argues that urban liberals had long been prepared to sacrifice working class neighborhoods for the city efficient He explodes the myth of neighborhood resistance to Moses in Greenwich Village the Upper West Side and Morningside Heights and instead finds steady collaboration of local civic leaders Joel Schwartz's complex disturbing portrait of Robert Moses and the civic leaders who sustained his power will surprise and enlighten readers interested in the evolution and development of New York and of today's post industrial cities

Beaux-arts Architecture in New York Edmund Vincent Gillon, Henry Hope Reed, 1988-01-01 Discusses the Beaux Arts style in architecture and shows and describes examples among the hotels banks apartment buildings museums offices and monuments of Manhattan **New York-New Jersey**, 1966 Mr. Flagler's St. Augustine Thomas Graham, 2022-04-12 Arguably no man did more to make over a city or a state than Henry Morrison Flagler Almost single handedly he transformed the east coast of Florida from a remote frontier into the winter playground of America's elite Mr Flagler's St Augustine tells the story of how one of the wealthiest men in America spared no expense in transforming the country's Oldest City into the Newport of the South He built railroads into remote areas where men feared to tread and erected palatial hotels on swampland He funded hospitals and churches and improved streets and parks The rich and famous flock Classical New York Elizabeth Macaulay-Lewis, Matthew McGowan, 2018-09-04 Essays on the historical Greco Roman influence on the evolving architectural landscape of New York City During its rise from capital of an upstart nation to global metropolis the visual language of Greek and Roman antiquity played a formative role in the development of New York's art and architecture This compilation of essays offers a survey of diverse reinterpretations of classical forms in some of the city's most iconic buildings public monuments and civic spaces Classical New York examines the influence of Greco Roman thought and design from the Greek Revival of the late eighteenth and early nineteenth centuries through the late nineteenth century American Renaissance and Beaux Arts period and into the twentieth century's Art Deco At every juncture New Yorkers looked to the classical past for knowledge and inspiration in seeking out new ways to cultivate a civic identity and to structure their public and private spaces Specialists from a range of disciplines archaeology architectural history art history classics and history focus on how classical art and architecture are repurposed to help shape many of New York City's most evocative buildings and works of art Federal Hall evoked the Parthenon as an architectural and democratic model the Pantheon served as a model for the creation of libraries at New York University and Columbia University Pennsylvania Station derived its form from the Baths of Caracalla and Atlas and Prometheus of Rockefeller Center recast ancient myths in a new light during the

Great Depression This examination of post Revolutionary art politics and philosophy enriches the conversation about how we shape space be it civic religious academic theatrical or domestic and how we make use of that space and the objects in it

Rockefeller New York A Tour By Henry Hope Reed Introduction

In today's digital age, the availability of Rockefeller New York A Tour By Henry Hope Reed books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rockefeller New York A Tour By Henry Hope Reed books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rockefeller New York A Tour By Henry Hope Reed books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rockefeller New York A Tour By Henry Hope Reed versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rockefeller New York A Tour By Henry Hope Reed books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rockefeller New York A Tour By Henry Hope Reed books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rockefeller New York A Tour By Henry Hope Reed books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rockefeller New York A Tour By Henry Hope Reed books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
