October Sky Homer Hickam, 1999-02-16 1 NEW YORK TIMES BESTSELLER The nostalgic and entertaining memoir People originally published as Rocket Boys that inspired the Universal Pictures film A message of hope in an age of cynicism Perhaps we all have something to learn from a half dozen boys who dared to reject all limitations and resolved to send dreams roaring to the sky The San Diego Union Tribune It was 1957 the year Sputnik raced across the Appalachian sky and the small town of Coalwood West Virginia was slowly dying Faced with an uncertain future Homer Hickam nurtured a dream to send rockets into outer space The introspective son of the mine's superintendent and a mother determined to get him out of Coalwood forever Homer fell in with a group of misfits who learned not only how to turn scraps of metal into sophisticated rockets but how to sustain their hope in a town that swallowed its men alive As the boys began to light up the tarry skies with their flaming projectiles and dreams of glory Coalwood and the Hickams would never be the same With the grace of a natural storyteller NASA engineer Homer Hickam paints a warm vivid portrait of the harsh West Virginia mining town of his youth evoking a time of innocence and promise when anything was possible Lush and lyrical October Sky is a uniquely American memoir A powerful luminous story of coming of age at the end of the 1950s of a mother's love and a father's fears and of growing up and getting out

October Sky Homer Hickam, 1999-02-16 The true story originally published as Rocket Boys that inspired the Universal Pictures film It was 1957 the year Sputnik raced across the Appalachian sky and the small town of Coalwood West Virginia was slowly dying Faced with an uncertain future Homer Hickam nurtured a dream to send rockets into outer space The introspective son of the mine's superintendent and a mother determined to get him out of Coalwood forever Homer fell in with a group of misfits

who learned not only how to turn scraps of metal into sophisticated rockets but how to sustain their hope in a town that swallowed its men alive As the boys began to light up the tarry skies with their flaming projectiles and dreams of glory Coalwood and the Hickams would never be the same The Coalwood Way Homer Hickam, 2007-12-18 It s fall 1959 and Homer Sonny Hickam and his fellow Rocket Boys are in their senior year at Big Creek High launching handbuilt rockets that soar thousands of feet into the West Virginia sky But in a season traditionally marked by celebrations of the spirit Coalwood finds itself at a painful crossroads The strains can be felt within the Hickam home where a beleaguered HomerSr is resorting to a daring but risky plan to keep the mine alive and his wife Elsie is feeling increasingly isolated from both her family and the townspeople And Sonny despite a blossoming relationship with a local girl whose dreams are as big as his finds his own mood repeatedly darkened by an unexplainable sadness Eager to rally the town s spirits and make her son s final holiday season at home a memorable one Elsie enlists Sonny and the Rocket Boys aid in making the Coalwood Christmas Pageant the best ever But trouble at the mine and the arrival of a beautiful young outsider threaten to tear the community apart when it most needs to come together And when disaster strikes at home and Elsie s beloved pet squirrel escapes under his watch Sonny realizes that helping his town and redeeming himself in his mother s eyes may be a bigger and more rewarding challenge than he has ever faced The result is pure storytelling magic a tale of small town parades and big hearted preachers the timeless love of families and unforgettable adventures of boyhood friends that could only come from the man who brought the world Rocket Boys Sky of Stone Homer Hickam, 2002-10-29 Homer Hickam won the praise of critics and the devotion of readers with his first two memoirs set in the hardscrabble mining town of Coalwood West Virginia The New York Times crowned his first book the 1 national bestseller October Sky an eloquent evocation a thoroughly charming memoir And People called The Coalwood Way Hickam s follow up to October Sky a heartwarmer truly beautiful and haunting Now Homer Hickam continues his extraordinary story with Sky of Stone dazzling us with exquisite storytelling as he takes us back to that remarkable small town we first came to know and love in October Sky In the summer of 61 Homer Sonny Hickam a year of college behind him was dreaming of sandy beaches and rocket ships But before Sonny could reach the seaside fixer upper where his mother was spending the summer a telephone call sends him back to the place he thought he had escaped the gritty coal mining town of Coalwood West Virginia There Sonny s father the mine s superintendent has been accused of negligence in a man s death and the townspeople are in conflict over the future of the town Sonny s mother Elsie has commanded her son to spend the summer in Coalwood to support his father But within hours Sonny realizes two things His father always cool and distant with his second son doesn t want him there and his parents marriage has begun to unravel For Sonny so begins a summer of discovery of love betrayal and most of all of a brooding mystery that threatens to destroy his father and his town Cut off from his college funds by his father Sonny finds himself doing the unimaginable taking a job as a track laying man the toughest in the mine Moving out to live among the miners Sonny is soon dazzled by a beautiful older

woman who wants to be the mine's first female engineer And as the days of summer grow shorter Sonny finds himself changing in surprising ways taking the first real steps toward adulthood But it's a journey he can make only by peering into the mysterious heart of Coalwood itself and most of all by unraveling the story of a man's death and a father's secret In *Sky of Stone* Homer Hickam looks down the corridors of his past with love humor and forgiveness brilliantly evoking a close knit community where everyone knows everything about each other's lives except the things that matter most *Sky of Stone* is a memoir that reads like a novel mesmerizing us with rich language narrative drive and sheer storytelling genius **Under the Wire** William Ash, Brendan Foley, 2005-10 From the lean days of Depression era Texas to the thrill of being one of the few who flew Spitfires from a death defying crash landing in Occupied France to capture and torture by the Gestapo imprisonment in the Great Escape camp Stalag Luft III and years spent becoming a serial escape artist this is the wartime memoir of a true hero a real life Cooler King Recounted in a wonderfully honest and self deprecating voice William Ash's *Under the Wire* is a classic in the making a riveting story of bravery by one of the last of his generation ***Rocket Boys*** Homer H. Hickam, Jr., 1998 An extraordinary memoir of Homer Sonny Hickam's life The introspective second son of the mine's superintendent and a mother determined to push her son to a better life Sonny fell in with a group of misfits But in 1957 after watching the Soviet satellite Sputnik streak across the sky Sonny and his buddies took their future into their own hands **Don't Blow Yourself Up** Homer Hickam, 2021-10-19 From Homer Hickam the author of the 1 bestselling *Rocket Boys* adapted into the beloved film *October Sky* comes this astonishing memoir of high adventure war love NASA and his struggle for literary success Homer Hickam's memoir *Rocket Boys* and the movie adaptation *October Sky* have become one of the most popular stories in the world inspiring millions to pursue a better life But what happened to Homer after he was a West Virginia rocket boy In his latest memoir Homer recounts his life in college where he built the world's biggest baddest game cannon fought through some of the worst battles in Vietnam became a scuba instructor discovered sunken U boats wrote the definitive account of a World War II naval battle befriended Tom Clancy made a desperate attempt to save the passengers of a sunken river boat trained the first Japanese astronauts taught David Letterman to scuba dive helped to fix the Hubble Space Telescope wrote his number one bestselling *Rocket Boys* and was on set during the making of *October Sky* Although told with humor and wit Hickam does not shy away from the pain and hardship endured and the mistakes he made during the tumultuous decades since his life in the town he made famous Coalwood West Virginia **Kliatt Young Adult Paperback Book Guide** , 2002 **Rocket Boys** Homer H. Hickam, 2000 Homer Hickam a NASA engineer recounts his childhood in Coalwood a West Virginia mining town and discusses his dreams of launching rockets into outer space and how he made those dreams come true **Wonderful West Virginia** , 2002 **Steps toward a Philosophy of Engineering** Carl Mitcham, 2019-12-06 The rise of classic Euro American philosophy of technology in the 1950s originally emphasized the importance of technologies as material entities and their mediating influence within human experience Recent decades

however have witnessed a subtle shift toward reflection on the activity from which these distinctly modern artifacts emerge and through which they are engaged and managed that is on engineering What is engineering What is the meaning of engineering How is engineering related to other aspects of human existence Such basic questions readily engage all major branches of philosophy ontology epistemology ethics political philosophy and aesthetics although not always to the same degree The historico philosophical and critical reflections collected here record a series of halting steps to think through engineering and the engineered way of life that we all increasingly live in what has been called the Anthropocene The aim is not to promote an ideology for engineering but to stimulate deeper reflection among engineers and non engineers alike about some basic challenges of our engineered and engineering lifeworld *The Publishers Weekly*, 2000 **We Are Not Afraid** Homer Hickam, 2002-02-01 Today fear affects even the strongest of us Sometimes it is immediate caused by a sense of imminent danger the kind we felt after terrorists destroyed the magnificent World Trade Center tore a giant wound in the Pentagon and killed thousands of people But sometimes fear becomes a normal way of life In his best selling memoir *October Sky* aka *Rocket Boys* Hickam introduced us to the rugged town of his youth Coalwood West Virginia and the people who took on the hazardous and often brutal enterprise of coal mining To survive and prosper these people relied on an approach to living that would get them through hard times with an almost unnatural resilience Over a lifetime they learned to take on these attitudes We are proud of who we are We stand up for what we believe We keep our families together We trust in God but rely on ourselves These attitudes are summed up in the Coalwood Assumption WE ARE NOT AFRAID Through poignant memories of his youth best selling author Homer Hickam helps lead you beyond fear to find the courage and strength to live more happily and look toward the future with optimism **October Sky** Homer H. Hickam, 2009-07-01 Biography autobiography and memoir is among the best ways to teach students to appreciate nonfiction reading *October Sky* Homer Hickam, 1998-01 Homer Hickam introduces readers to Coalwood West Virginia a 1950s haven of small town charm and hometown magic *October Sky* Homer H.
