Rocket In My Pocket:

Children's Literature Barbara Stoodt,1996 **Make Love the Bruce Campbell Way** Bruce Campbell,2015-10-01

What you re reading right now is known as the cover copy or flap copy This is where the 84 951 words of my latest book are cooked down to 350 words or less to capture your imagination download I pondered how to do that Should I cut to the chase and reveal pivotal plot points like the one at the end of the book where the little girl on crutches points an accusing finger and shouts the killer is Mr Porter No I have too much respect for you as an intelligent consumer to attempt such an obvious ruse But let s not play games here You clicked your way to this page so you either A Know who I am B Like the cool smoking jacket I m wearing on the cover Or C Thought this was a secret link to Ashley Madison Is it a sequel to my autobiography If Chins Could Kill Confessions of a B Movie Actor Sadly no which made it much harder to write Is it an autobiographical novel Yes I am the lead character in the story coincidentally an actor and I am a real person and everything in the book actually happened except for the stuff that didn t The action revolves around my preparations for a pivotal role in the A list relationship film Let s Make Love My Homeric attempt to break through the glass ceiling of B grade genre fair is hampered by a vengeful studio executive and a production that becomes infected by something called the B movie virus symptoms of which include excessive use of cheesy special effects slapstick and projectile vomiting From a violent fistfight with a Buddhist to a life altering stint in federal prison this novel has it all And if the 84 951 words are too time consuming there are lots and lots of cool graphics all of which have been upgraded to vibrant color since the first publication I hope you enjoy the book and if you learn anything at all about making love please share it with me Regards Bruce Go Ahead and Call Me Ash Campbell
