to identity formation and its political motivations *Settling the Pop Score* examines the role of irony and empathy the question of gender race and sexuality and the relevance of textual analysis to the study of popular music Interpreting pop music within the framework of musicology Hawkins helps us to understand the pleasure so many people derive from these songs **New York Magazine** ,1996-06-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Bloomsbury Encyclopedia of Popular Music of the World, Volume 11** David Horn,2017-10-05 See **Music**
