Rockies Autumn Haiku Judith Lauter, 2014-03-13 Rockies Autumn Haiku by poet and neuroscientist Judith Lauter provides a photographic and poetic account of three fall months in several locations in the southern Rocky Mountains When

you think of the Rockies with their towering peaks immense vistas and deep snows you might think that only an epic poem could do them justice something on the scale of a Homer or Milton perhaps The highly condensed snapshot like haiku might be the last poetic form imaginable to capture their glory And yet Rockies Autumn Haiku clearly proves that even the majestic Rockies can be memorably rendered in poetry of brevity wit keen observation and vivid imagery Here is a mountain autumn then seen in unforgettable micro scale viewed through the double prism of fresh poems and striking color photographs

engaging stories to illustrate ideas and reflection questions after each chapter this small book of wisdom helps to make faith more accessible for the increasing number of the spiritual but not religious Library of Congress Subject Headings Library of Congress,1995 **Backpacker** ,2003-03 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured Canadian Books in Print.
