Sage, 1857 Ski Style Annie Gilbert Coleman, 2004 Coleman traces skiing from its Norse roots and Alpine influences through the utility of ski travel in the winter Rockies to the rise of Colorado resorts Much more than a history of the sport her work explains how the recreation industry sold the experience of skiing and created mythic mountain landscapes with real problems and a ski culture that exalts celebrity and status over the physical act of skiing Jacket **Rocky Mountain Life, Or, Startling Scenes and Perilous Adventures in the Far West** Rufus B. Sage, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1859 edition Excerpt ebb The company for which I had acted had become bankrupt and left me a loser to no inconsiderable amount But notwithstanding this unfavorable aspect of things I decided upon returning to the Mountains for the purpose of visiting the different regions adjacent to them Acting upon this resolution I expended the means at my

immediate command for the procurement of an outfit and the beginning of August saw me again en route accompanied by two experienced mountaineers all of us mounted upon hardy mules and well provided for the journey before us The first four or five days subsequent our progress was much impeded by successive rains that rendered the road muddy and ourselves uncomfortable We were necessitated to raft the Wakarousha and the Kansas was so swollen it was forded with great difficulty the water frequently covering the backs of our animals From that onward we enjoyed pleasant weather and journeyed without further interruption nothing occurred worth note till we reached the Pawnee range near the head of Big Blue One morning while travelling along unconcernedly and at our leisure having as yet observed nothing to excite our apprehensions a Pawnee suddenly made his appearance directly in front of us Such a customer had we been aware of his proximity would have been most carefully avoided in a place so dangerous as this but as he had first discovered us it was now too late to give him the slip and we accordingly permitted his approach greeting him in a friendly manner He immediately informed us that the whole country was full of his people returning from their summer hunt and he invited us to accompany him to the village This we declined being unwilling to trust either him or his people
