Rodeo Roundup:

Livingston Roundup Rodeo Carla Williams, 2014 The Livingston Roundup Rodeo was started in 1926 by a group of local businessmen Their goal was to create an event to keep travelers in Livingston The rodeo continued until the onset of World War II and was canceled during the war years In the late 1940s a young man approached one of the local businessmen and asked to use money held at the First National Park Bank today known as First Interstate Bank to revive the old rodeo Today the Livingston Roundup Rodeo is one on the most renowned events of its kind Visitors come from all over the world to attend this wonderful three day event that occurs every year from July 2 to 4 Hosting more than 5 000 people every night the rodeo has seen wedding parties family reunions and even a surprise engagement every now and then **Rodeo** Robin Johnson, 2010 Hold on to your cowboy hats and prepare for a wild read In this book you ll learn all about the bucking horses lively livestock and daring riders of the rodeo world You ll read about roping riding racing wrestling and more You ll also discover the breeds of rodeo horses how riders handle and care for their animals and how cattle herding became a rough and tumble sport *Rodeo as Refuge, Rodeo as Rebellion* Elyssa Ford, 2020-11-23 From the Wild West shows of the nineteenth century to the popular movie Westerns of the twentieth century one view of an idealized and mythical West has been promulgated Elyssa Ford suggests that we look beyond these cowboy clichés to complicate and enrich our picture of the American West *Rodeo as Refuge Rodeo as Rebellion* takes us from the beachfront rodeo arenas in Hawai i to the reservation rodeos held by Native Americans to reveal how people largely missing from that stereotypical picture make rodeo and America their own Because rodeo has such a hold on our historical and cultural imagination it becomes an ideal arena for establishing historical and cultural relevance By claiming a place in that arena groups rarely included in our understanding of the West African Americans Native Americans Mexican Americans Native Hawaiians and the LGBT community emphasize their involvement in the American past and proclaim their right to an American identity today In doing so these groups change what Americans know about their history and themselves In her journey through these race and group specific rodeos Ford finds that some see rodeo as a form of escape a refuge from a hostile outside world For others rodeo has become a site of rebellion a place to proclaim their difference and to connect to a different story of America Still others like Mexican Americans and the LGBT community look inward using rodeo to coalesce and celebrate their own identities In Ford s study of these historically marginalized groups she also examines where women fit in race and group specific rodeos and concludes that even within these groups the traditional masculinity of the rodeo continues to be promoted Female competitors may find refuge within alternate rodeos based on their race or sexuality but they still face limitations due to their gender identity Whether as refuge or rebellion rodeos of difference emerge in this book as quintessentially American remaking how we think about American history culture and identity *Livingston Roundup Rodeo* Carla Williams, 2014-06-09 The Livingston Roundup Rodeo was started in 1926 by a group of local businessmen Their goal was to create an event to keep travelers in
