Rogue Bolo:

Bolo Keith Laumer, 2020-02-25 What happens when a self aware fighting machine decides to go rogue Rogue Bolo Keith Laumer, 2016-03-24 From An Abbreviated History of the Bolo The first completely automated Bolo designed to operate normally without a man on board was the landmark XV Model M This model first commissioned in the twenty fifth century was widely used throughout the Eastern Arm during the Era of Expansion and remained in service on remote worlds for over two centuries acquiring many improvements in detail while remaining basically unchanged through increasing sophistication of circuitry and weapons vastly upgraded its effectiveness The always present through perhaps unlikely possibility of capture and use of a Bolo by an enemy was a constant source of anxiety to military leaders and in time gave rise to the next and final major advance in Bolo technology the self directing and quite incidentally self aware Mark XX Model B Bolo Tremendous The Mark XX was greeted with little enthusiasm by the High Command who now professed to believe that an unguided by operator Bolo would potentially be capable of running amok **Bolo** Keith Laumer, 2016-02-29 Unrivaled in the history of artillery and unsurpassed in its ability to reason Bolo replaced man in that most human of endeavors war In these scintillating tales of the ever advancing Dinochrome Brigade the most effective weapons ever devised tell their own story in action packed chronicles of extra terrestrial adventure Bolo fighting in proud combat as monster saviors of their human creators Retief's Ransom Keith Laumer, 2016-02-29 Lumbaga is a planet without known virtues but with some decidedly odd natives For every Lumbagan is simply an arbitrary assortment of semi independent organs inspired by a lust for mayhem But even the most undesirable chunk of galactic real estate attracts its quota of rival overlords and the fiendish Groaci had a scheme for absorbing Lumbaga into their sphere of influence It was working well too until it involved Retief Terran diplomat extraordinary To his powerful intellect the machinations of the Groaci were child's play **The Galaxy Builder** Keith Laumer, 2016-03-24 The world as Lafayette O Leary knew it disappeared in a flash Perhaps it was his own doing after all he had the uncanny gift of creating alternate realities by sheer mental power But the result was a nightmare gone out of control All O Leary wanted was to find his wife and return to the familiar world of Artesia Yet no sooner did he manage to extricate himself from one bizarre situation than he was thrust into another equally threatening There was only one thing to do he had to penetrate the very center of power from which his destiny was being controlled and take it into his own hands

Galactic Odyssey Keith Laumer, 2016-02-29 Billy Danger had gone past hitting the skids now he was freezing to death in a blizzard So he took shelter in a corn silo that turned out to be a disguised alien starship and woke up light years from Earth

Retief's War Keith Laumer, 2016-03-24 The twenty seventh century planet of Quopp is a world where Earthmen walk cautiously or not at all The inhabitants are weirdly diabolical creatures possessing spoked wheel limbs and sprouting steel sharp talons Plans are afoot to place these singular beings under a single government friendly to Earth But Jame Retief officer of the distinguished Corps Diplomatique Teresstienne a supra national organization devoted to keeping the peace has

discovered that evil forces are undermining the whole scheme Deviously sincere uncompromisingly venal fearlessly cowardly Retief goes to work against mounting planetary intrigue and more than once brings those around him to the brink of nervous collapse

The Ultimax Man Keith Laumer, 2016-02-29 In the next few days you will master the rules and techniques for every activity skill talent sport and art ever mastered by any human being anywhere You will be as expert at clipping flints as at architectural drawing You will be able to juggle walk a tightrope and add the numerals on the sides of passing freight cars as fast as any idiot savant You ll absorb all the information in all the books the human race s entire heritage of knowledge This was only the beginning of the experiment that was to turn a petty thief into the mos brilliant and powerful man ever to hold the earth in thrall This was only the first step on the path of conquest mapped out for THE ULTIMAX MAN *Retief and the Warlords* Keith Laumer, 2016-02-29 Across the galaxies against wrongdoers and rogues Only Retief the indomitable champion of the underdog and 27th century diplomacy can seal the peace between the battling earthlings and the lobster like aliens known as the Haterakans In constant peril the daring spacewarrior must join a pirate band cross the fatal boundaries of the Terran Defense League and take on his arch rivals Foulbrood and Bloodblister Facing certain torture double dealing and ruthless espionage he passes within inches of death But he must emerge victorious or the Hatracks will waste no time in executing their berserk plan to raise earthlings as a food supply

The Other Side of Time Keith Laumer, 2016-02-29 BLINDING LIGHT NOISE BEYOND SOUND A JOURNEY INTO NOTHINGNESS Imperial Intelligence Agent Brion Bayard was catapulted into nothingness by an unknown force and woke to find himself in a universe not his own Surrounded by hulking cannibalistic ape men who called themselves Hagroon Bayard was soon entrapped in a web of time lines He found himself running from the Hagroon into the arms of Dzok the educated monkey man of Xonijeel transported by Dzok to a universe where Napoleon the Fifth was in power and left there to the tender powers of the beautiful witch Olivia struggling with the bonds of a fictitious past always striving to regain his lost universe of Zero zero Stockholm so he could bring the warning which might save his world from sudden violent death

The World Shuffler Keith Laumer, 2016-02-29 TWAS BORING IN ARTESIA or so thought Sir Lafayette O Leary ex craftsman from Earth and now seemingly ex interdimensional swashbuckler extraordinaire as well His battles were all won his dragons all slain and life was just the same boring round of riches royal hunts and regatas Boring boring boring until he walked past the azalia Suddenly Artesia was gone and O Leary was trapped in Melange a world of giants and pirates karate chopping hags and electronic flying carpets a world where goons and harlots are the spitting images literally of his own aristocratic Artesian associates And because they think he s his double lots of his new friends want O Leary dead Unless he can get through the interdimensional gate and find the continuum path back home O Leary s life will never be boring again Just short

The Infinite Cage Keith Laumer, 2016-03-24 When he awakens in a skid row alley Adam knows nothing Not who he is nor where he s from Money is a mystery So are women All he begins his new life with is a will to survive But he learns fast first how to get away then how not

to have to In the beginning Adam wants to be friends with us Before he s through he just might run the human race off its feet

Night of Delusions Keith Laumer,2016-03-24 It starts out as a weird but seemingly understandable assignment bodyguarding a mad politician whose keepers have decided to let him escape as a sort of reality therapy But to understand the Senator Florin must enter the Machine an reality will never be the same From now on he s a Knight of Delusions

The Time Bender Keith Laumer,2016-03-24 Draftsmen can t fight dragons Then again that s usually no problem they generally don t have to But Lafayette O Leary does When an accidental overdose of self hypnosis wrenches him out of the dull but safe Mrs MacGlint s Clean Rooms and Board and deposits him in the feudal bedragoned world of Artesia it takes him a little while to catch on even with the attentions of the beautiful Princess Adoranne Then he decides that he likes this new life of his except for the part where he s supposed to get killed

The Return of Retief Keith Laumer,2016-03-24 PLANET AFTER PLANE FELL TO THE REE A vast and powerful race the Ree needed breeding room for an ever increasing population and their expansion plans took no account of human territory The farmers and miners of Tip Space were helpless against the Ree invasion Still the Terran diplomats dithered holding back the Navy hoping for a truce Retief already on probation for undiplomatic behaviour earned himself the assignment parleying with the Ree when he urged force against them A suicide mission Perhaps but Retief is Retief

Bolo! David Weber,2005 The author continues the history of the Bolo gigantic robot tanks controlled by tireless electronic brains programmed to admit no possibility of defeat in four short novels one of them published here for the first time

End as a Hero Keith Laumer,2016-03-24 Mankind was at war with the hideous Gool and losing Then beyond Ganymead one man fought the searing brain probe of an alien spy and won He mastered the power of its telepathic mind control captured the secret of its matter transmitters and learned how to destroy the Gool Overlords He called intelligence with news of the victory and headed home Straight into a barrage of Terran nuclear warheads Past missiles shells and assassins he made it home alone badly wounded and branded a traitor by conventional Terran wisdom that said no one could survive the Gool brain probe No one that is except a brainwashed puppet deliberately allowed to survive to serve the Goos as a spy But he must survive Earth s attempts to kill him because no matter how much his fellow humans want him dead he knows that he is the only one who can lead them against the Gool and have a chance at victory
