## **Rogues Masquerade:**

Masquerade, 1986 The Modernist Masquerade Colleen McQuillen, 2013-12-10 Masked and costume balls thrived in Russia in the late nineteenth and early twentieth centuries during a period of rich literary and theatrical experimentation The first study of its kind The Modernist Masquerade examines the cultural history of masquerades in Russia and their representations in influential literary works The masquerade s widespread appearance as a literary motif in works by such writers as Anna Akhmatova Leonid Andreev Andrei Bely Aleksandr Blok and Fyodor Sologub mirrored its popularity as a leisure time activity and illuminated its integral role in the Russian modernist creative consciousness Colleen McQuillen charts how the political cultural and personal significance of lavish costumes and other forms of self stylizing evolved in Russia over time She shows how their representations in literature engaged in dialog with the diverse aesthetic trends of Decadence Symbolism and Futurism and with the era's artistic philosophies A Roque's Downfall Mary Balogh, 2017-05-02 A ROGUE S DOWNFALL The Anniversary After the Earl of Reardon one of London s most notorious rakes ruined the virtue and reputation of a young lady at a masguerade ball on Valentine's Day he did the honorable thing and married her before settling her at his country estate and abandoning her there Now one year later he has returned home to his wife and young son wondering if it is too late to woo her properly and make amends for a year of shameful neglect The Wrong Door During a dull evening at a particularly tedious house party Viscount Lyndon a notorious rake makes an assignation to spend the night with a willing widow In the darkness however he opens the wrong door and enters the wrong room He soon finds himself honor bound to offer for the young lady who was the unfortunate victim of his error She however does not react with predictable meekness Instead she sets out to bring him to his knees Precious Rogue Miss Peabody and her mother are ecstatic when Mr Bancroft London's most elusive bachelor accepts an invitation to a house party at their country estate They boast that he is about to offer marriage However it is upon Patricia Mangan the quiet unremarkable impoverished niece Mrs Peabody treats more as a servant than a relative that Mr Bancroft finds himself turning his attentions surprising himself as much as he surprises her and everyone else The Magic of the Hill Duncan Schwann,1911
